InteliCare Secures \$2.5M to Fund Commercialisation Strategy

- **InteliCare receives firm commitments to raise \$2.5M** at an issue price of \$0.26 per share
- **Strongly supported placement to both new and existing sophisticated/institutional investors**
- **All Directors have participated in the Placement**, subject to Shareholder Approval to be obtained at a General Meeting
- **The placement positions InteliCare with a strong cash balance of c.\$4.3M¹** to further **expand national sales strategies** including recent TV, social, digital and radio consumer campaigns

InteliCare Holdings Ltd (“InteliCare” or the “Company”) (ASX: ICR), is pleased to announce it has received binding commitments for \$2.5 million via a 2-tranche placement of 9,615,385 New Shares at AU\$0.26 per share (**the Placement**). As part of the Placement, the Company also offered investors one (1) free option to acquire a Share (exercise price AU\$0.50; expiry date 3 years) for every two (2) Shares subscribed (**Options**). The issue of the options is subject to shareholder approval.

The placement saw strong interest and commitments from existing sophisticated shareholders, directors, and several new institutional and sophisticated investors.

JP Equity Partners acted as Lead Manager to the strongly subscribed Placement.

Due to strong participation and the issuing of attaching options, the placement will be by way of a two-tranche sophisticated investor capital raising comprising of:

- Tranche 1 – An initial placement to raise \$2,500,000 (**Tranche 1**) utilising 9,615,385 of the Company’s existing 15% (LR 7.1) placement capacity; and
- Tranche 2 – Subject to shareholder approval, comprising; the issuing of 4,948,077 free attaching options; and the issuing of 280,769 Directors shares.

The Placement was conducted at \$0.26 per New Share. Settlement of New Shares (Tranche 1) is expected to occur on the 5th of May, 2021.

¹ Comprises \$2.5M proceeds from the Placement (before costs) and quarterly cash balance as at 31 March 2021

Commenting on the success of the capital raising, **CEO and Managing Director of IntelliCare, Jason Waller noted;** *"The Company is encouraged by the strong demand from new and existing sophisticated and institutional investors, demonstrating the market's belief in IntelliCare's journey to date and the exciting new phase in our commercialisation. This raising along with existing cash reserves, place the Company in a solid position to expand national consumer campaigns and commercial sales teams. We are positioning to capture the growing tailwinds arising from the Aged Care Royal Commission and expected flow-on to federal budgets. This is a pivotal time in Australia's aged/disability care evolution."*

The Placement funds of \$2.5 million in conjunction with existing cash reserves will enable IntelliCare to fund:

- Additional national marketing campaigns through TV, social, digital and radio platforms;
- Expansion to a National Sales Team and implementation of newly outlined sales strategies;
- General working capital requirements and the expenses of the Placement

This Announcement is Designed to Lift the existing Trading Halt in the Company's Securities.
