The call will start at Noon AEST time (10am Perth time). Investors can listen to the call by clicking on the link below:

<https://webcast.boardroom.media/strandline-resources-limited/20210505/NaN608f8abbd6881e001a46e55b>

During the call, Strandline Managing Director Luke Graham will refer to the Company's latest Corporate Presentation, which can be viewed on the ASX platform under the Company's code, STA and at the Company's website www.strandline.com.au.

This announcement is authorised for release by the Strandline Resources Board of Directors.

ABOUT STRANDLINE

Strandline Resources Limited (**ASX: STA**) is an emerging developer of heavy mineral sands with a portfolio of 100%-owned development assets located in Western Australia and within the world's major zircon and titanium producing corridor in East Africa.

Strandline's strategy is to develop and operate high margin, expandable mining assets with market differentiation and global relevance in the sector.

Strandline's project portfolio contains high quality assets which offer a range of development options and timelines, geographic diversity and scalability. They include the world-scale Coburn Project in WA, currently under construction, and the exciting Tanzanian growth projects Fungoni and Tajiri.
