- 4.3 The Board will administer the Plan.

- 4.5 Participation in the Plan is subject to the Rules.
- 4.6 Participation in the plan is voluntary.

5. Trust

- (a) The Board may, in its sole and absolute discretion, use an employee share trust or other mechanism for the purposes of holding any Shares for Participants under the Plan.

- 6.5 The Board may in its discretion determine the number of Options to be offered to an Eligible Participant and the Board may, subject to these Rules, determine the terms and conditions applicable to such Options.

7. Cessation of employment or engagement of Participant

7.1 Automatic lapse and forfeiture

Subject to Rule 7.2, Restricted Options will automatically lapse and be forfeited if:

- (a) the Participant to whom the Options were first granted:
- (i) voluntarily resigns from employment with the Company or terminates the Participant's contract of engagement with the Company, otherwise than to take up employment or engagement with a Related Body Corporate of the Company;

- (ii) is dismissed from employment, is removed from his or her position with the Company, or has their contract of engagement terminated for any one or more of the following reasons:

- (iv) is ineligible to hold his or her office pursuant to the Corporations Act;
- (b) Performance Hurdles, if any, are not satisfied in full, in which case a proportion of Options may be forfeited, such proportion to be at the absolute discretion of the Board; or
- (c) Performance Hurdles, if any, are not satisfied below a minimum threshold, in which case all Options subject to such Performance Hurdles will be forfeited.

7.2 Exceptions

Restricted Options will not lapse and be forfeited if the Participant ceases employment, is removed from his or her position, or has their engagement by the Company terminated in the following circumstances:

- (a) death of the Participant;
- (b) Permanent Disablement of the Participant;
- (c) retirement of the Participant;
- (d) redundancy; or
- (e) where the Board in its absolute discretion determines that the Participant may maintain his/her right to exercise Exercisable Options or receive other non-Exercisable Options on their vesting.

8. Dividends and voting rights

Holders of Options do not have any rights to vote at meetings of the Company or receive dividends until Plan Shares are issued or acquired on the exercise or vesting of Options pursuant to the Rules.

9. Exercise Conditions and Vesting Conditions

- 9.1 The Board may, when Options are offered, determine that the Options issued or granted will be subject to Exercise Conditions or Vesting Conditions, at the Board's absolute discretion.

-
- 9.2 Options which are subject to Exercise Conditions or Vesting Conditions are liable to lapse if any of the Exercise Conditions or Vesting Conditions are not satisfied. An Option which lapses will be cancelled and will not thereafter be capable of being exercised by the Holder or vesting in the Holder.
- 9.3 Any Options which are subject to Exercise Conditions or Vesting Conditions cannot be exercised or vest until such time as the Exercise Conditions or Vesting Conditions have been satisfied or waived.
- 9.4 Exercise Conditions or Vesting Conditions will comprise those conditions described as such by the Board and set out in an Offer (or in a document accompanying an Offer).
- 9.5 Without limiting the Board's power to impose Exercise Conditions or Vesting Conditions, Exercise Conditions or Vesting Conditions may include:
- (a) a condition that the Eligible Participant remain as an employee, contractor or officer (as the case may be) of the Company or its Related Body Corporate for a stipulated minimum period;
 - (b) a condition that any stipulated performance criterion be satisfied by the Eligible Participant;
 - (c) a condition that certain specified milestones in connection with the business of the Company or its Related Body Corporate be completed within a specified time or in a specified manner; and
 - (d) a condition that the market price of Shares attain a specified price (or remain at a specified price for a specified number of days) within a specified period.
- 9.6 Any Exercise Conditions or Vesting Conditions imposed by the Board may subsequently be waived in whole or in part by the Company by notice in writing to the Holder of the relevant Options. Any Exercise Conditions or Vesting Conditions so waived will be deemed to be satisfied. For the avoidance of doubt, Exercise Conditions or Vesting Conditions may be waived after a Participant has ceased to be an Eligible Participant in which case the waiver will be deemed to have occurred while the Participant remained an Eligible Participant.
- 9.7 Subject to the Listing Rules, the Company may also vary any Exercise Conditions or Vesting Conditions by notice in writing to the Holder of the relevant Options provided such variation is not adverse to the Participant holding the relevant Options.
- 9.8 Options may also be liable to forfeiture on the terms and conditions set out in Rule 7 of this Plan.

10. Disposal restrictions on Plan Shares

- 10.1 The Board may, in its sole and absolute discretion, determine prior to an Offer being made, whether there will be any restrictions on the disposal of, the granting (or purporting to grant) of any Security Interest in or over, or otherwise on dealing with (or purporting to Dispose or deal with), Plan Shares held by any Participants.
- 10.2 Subject to Rule 10.1, Plan Shares, or any beneficial or legal interest in Plan Shares, may not be transferred, encumbered or otherwise Disposed of, or have a Security Interest granted over them, by a Participant unless all restrictions on the transfer, encumbrance or disposal of the Plan Shares have been met, the Board has waived any such restrictions, or prior consent of the Board is obtained which consent may impose such terms and conditions on such transfer, encumbrance or disposal as the Board sees fit.
- 10.3 The Company may do such things and enter into such arrangements with the Company's share registry or otherwise as it considers necessary to enforce the transfer restrictions set out in Rule

10.2, including but not limited to imposing a holding lock on the Plan Shares or using an employee share trust to hold the Plan Shares during the relevant restriction period. Participants acknowledge and agree that they will be bound by any action by the Company under this Rule 10.3.

10.4 For the avoidance of doubt, the imposition of a restriction on the Plan Shares held by a Participant pursuant to Rule 10.1 will not affect the Participant's entitlement to receive a notice of, or to vote or attend at, a meeting of the members of the Company or Shareholders, and to receive any dividends declared by the Company during the relevant restriction period.

10.5 At all times Participants must comply with the Securities Trading Policy.

11. Takeover restrictions

11.1 Application

This Rule 11 applies if and for so long as the Company is a public company for the purposes of the Corporations Act, in which case this Rule is a term of each Option.

11.2 Deferral of exercise or vesting

If the exercise or vesting of any Options (or a number of those Options) would result in any person contravening section 606(1) of the Corporations Act (**Takeover Restriction**) then:

- (a) Any purported exercise or vesting of those Options (or any part thereof) will be deferred until such later time or times that the exercise or vesting (as applicable) would not result in a contravention of the Takeover Restriction.
- (b) A Holder may give written notification to the Company if they consider that the exercise or vesting of those Options (or any part thereof) may result in the contravention of the Takeover Restriction, failing which the Company may assume the exercise or vesting of those Options will not result in the Holder being in contravention of the Takeover Restriction.
- (c) The Company may (but is not obliged to) by written notice to a Holder, request a Holder to provide the written notice referred to in Rule 11.2(b) within 7 days if the Company considers that the exercise or vesting of those Options (or any part thereof) may result in a contravention of the Takeover Restriction.
- (d) If the Holder does not give notification to the Company requested under Rule 11.2(c) within 7 days to the effect that they consider the exercise or vesting of the Options (or part thereof) may result in the contravention of the Takeover Restriction, then the Company may assume that the exercise or vesting of those Options (or part thereof) will not result in the Holder being in contravention of the Takeover Restriction.

12. Takeovers and schemes of arrangement

12.1 Application

This Rule 12 applies if and for so long as the Company is listed on the official list of ASX, in which case this Rule is a term of each Option.

12.2 Defined terms

In this Rule 12:

Cleansing Statement means a written notice issued by the Company to ASX pursuant to section 708A(5) of the Corporations Act, meeting the requirements of section 708A(6) of the Corporations Act.

Condition means an Exercise Condition or a Vesting Condition, as the context requires.

Exempt Investor means a person referred to in section 708 of the Corporations Act or any applicable ASIC class order to whom securities may be issued or sold without providing disclosure under Chapter 6D of the Corporations Act.

- (b) a court grants orders approving a compromise or arrangement for the purposes of or in connection with a scheme or arrangement for the reconstruction of the Company or its amalgamation with any other company or companies (including under Part 5.1 of the Corporations Act).

12.3 Release of conditions

- (a) If a Trigger Event occurs, then as at the date of that Trigger Event:
 - (i) subject to Rule 12.3(b), the Conditions are released and cease to apply for Restricted Options equal in number to up to 10% of the Shares on issue at that time, such that those Restricted Options may vest and be exercised; and
 - (ii) the release and cessation of Conditions under Rule 12.3(a)(i) will be completed on a pro rata basis for each Holder.
- (b) If the Company has granted other classes of Option (**Other Restricted Options**) with rights releasing Conditions that are of the same or substantially similar nature to Rules 12.3(a)(i) and 12.3(a)(ii):
 - (i) the total number of Shares that may be issued under Rule 12.3(a)(i), when aggregated with all Shares issued on release of Conditions for the Other Restricted Options due to a Trigger Event, must not exceed 10% of the Shares on issue as at that time; and
 - (ii) the number of Shares that will be issued under Rule 12.3(a)(i) will be calculated as follows:

$$\text{Number of Shares} = (A / B) \times 100 \times C$$

where:

A = the number of Restricted Options on issue as at the date of the Trigger Event;

B = the total number of Restricted Options and Other Restricted Options on issue as at the date of the Trigger Event; and

C = the number representing 10% of the Shares on issue as at the date of the Trigger Event.

12.4 Secondary trading restrictions

- (a) This Rule 12.4 applies if any Plan Shares would otherwise be subject to any secondary trading restrictions as a result of the application of Chapter 6D of the Corporations Act.
- (b) Subject to Rule 12.4(c), the Company must lodge with ASX a duly completed Cleansing Statement within 5 Business Days of issuing Plan Shares.
- (c) If the Company would be unable to issue a Cleansing Statement in relation to any proposed issue of Plan Shares due to an inability to satisfy the conditions under the Corporations Act to do so (including the conditions set out in section 708A(5) or (6) of the Corporations Act):
 - (i) the Company must, as soon as reasonably practicable, on or after the proposed date of issue of the relevant Plan Shares, and in any event within 60 days of that proposed date of issue, lodge with ASIC a prospectus prepared in accordance with Chapter 6D of the Corporations Act offering Shares (**Cleansing Prospectus**); and
 - (ii) the Company is not required to issue the relevant Plan Shares prior to the Cleansing Prospectus being lodged with ASIC unless the Holder elects, by notice in writing to the Company, to receive those Plan Shares prior to lodgement of the Cleansing Prospectus (**Issuance Election**), in which case:
 - A. without limiting Rule 10 or any term of an Option restricting disposal of the Plan Shares, the Holder undertakes not to sell or otherwise Dispose of those Plan Shares prior to lodgement of the Cleansing Prospectus with ASIC, other than to an Exempt Investor; and
 - B. the Company is authorised to instruct its securities registry to place a holding lock on those Plan Shares until the Cleansing Prospectus is lodged with ASIC.
- (d) Unless the Holder has made an Issuance Election, the Company is not required to issue Plan Shares on exercise or vesting of an Option until the date that a Cleansing Prospectus is lodged with ASIC.
- (e) As an alternative to lodging a Cleansing Prospectus, the Company may, in its discretion, apply to ASIC for relief under section 741 of the Corporations Act to permit the Company to issue a Cleansing Statement (**Relief Application**) notwithstanding that it may not satisfy the requirements set out in section 708A(5) or (6) of the Corporations Act, in which case the Holder may make an Issuance Election provided that:
 - (i) without limiting Rule 10 or any term of an Option restricting disposal of the Plan Shares, the Holder undertakes not to sell or otherwise Dispose of those Plan Shares prior ASIC granting the Relief Application and the Company issuing a Cleansing Statement, other than to an Exempt Investor; and
 - (ii) the Company is authorised to instruct its securities registry to place a holding lock on those Plan Shares until the Cleansing Statement is announced to ASX by the Company.

12.5 Maximum term of Exercisable Options

Without limiting any earlier expiry date stated in, or determined by the terms of, an Offer, an Exercisable Option which has not been exercised will expire on the date that is 7 years after the date on which it became exercisable.

13. Buy-Back

13.1 Subject to compliance with applicable securities laws, the Company may Buy-Back Options or Plan Shares for an amount agreed with the Participant at any time.

13.2 Each Participant will do all acts, matters and things which are necessary or desirable to give effect to any Buy-Back of his or her Options or Plan Shares.

14. Plan limitations**14.1 20% limit if not listed on ASX**

(a) If and for so long as the Company is not listed on the official list of ASX, the Board must not make an Offer unless the Directors have reasonable grounds to believe that the number of Plan Shares that have been or may be issued in any of the circumstances covered by the following paragraphs will not exceed 20% of the total number of underlying Shares on issue:

- (i) Plan Shares that may be issued under the relevant Offer; and
- (ii) Plan Shares issued or that may be issued as a result of offers made at any time during the previous 3 year period under:
 - A. an employee incentive scheme covered by ASIC Class Order CO 14/1001; or

(b) Rule 14.1(a) only applies if and for so long as the Company seeks to rely upon ASIC Class Order CO 14/1001.

14.2 5% limit if listed on ASX

If and for so long as the Company is listed on the official list of ASX, the Board must not make an Offer unless the Directors have reasonable grounds to believe that the number of Plan Shares that have been or may be issued in any of the circumstances covered by the following paragraphs will not exceed 5% of the total number of underlying Shares on issue:

- (a) Plan Shares that may be issued under the relevant Offer; and
- (b) Plan Shares issued or that may be issued as a result of offers made at any time during the 3 year period prior to the date of the proposed Offer under:
 - (i) an employee incentive scheme covered by ASIC Class Order CO 14/1000; or
 - (ii) an ASIC exempt arrangement of a similar kind to an employee incentive scheme.

14.3 Exclusions

- (a) Where an Option lapses without being exercised or vesting, the Plan Shares which would have otherwise been received on the exercise or vesting of the Option are ignored when calculating the limits in Rules 14.1 and 14.2 (**Plan Limits**).
- (b) For the purposes of Rules 14.1 and 14.2, any Options or Plan Shares issued or granted without ASIC relief are not included in the calculation of the Plan Limits and consequently any Options or Plan Shares offered in the following circumstances may be disregarded:
 - (i) an offer made to a person situated outside Australia at the time of receipt of the Offer;
 - (ii) an offer that did not need disclosure to investors because of section 708 or section 1012D of the Corporations Act; or
 - (iii) an offer made pursuant to a disclosure document (as defined in the Corporations Act).

15. Taxation

15.1 General

- (a) Neither the Company nor its directors, officers, employees, representatives or agents take any responsibility or assume any liability for the taxation liabilities of Participants that arise in respect of the issue, grant, exercise or vesting of Options.
- (b) Upon the exercise or vesting of an Option, the Participant must make arrangements satisfactory to the Company regarding payment of any federal, state, provincial, local or other taxes of any kind required by law to be paid in connection with the exercise or vesting of the Option. In order to satisfy any obligation to remit an amount to a taxation authority on account of such taxes in respect of the exercise, transfer or other disposition of an Option (the **Withholding Tax Amount**), the Company must have the right, at its discretion, to:
 - (i) retain and withhold amounts from any amount or amounts owing to the Participant, whether under this Plan or otherwise;
 - (ii) require the Participant to pay to the Company the Withholding Tax Amount as a condition of exercise or vesting of an Option by a Holder, where the payment received by the Company must be held on behalf of the Participant, and remitted to the appropriate taxing authority by the Company on behalf of the Participant; and/or
 - (iii) withhold from the Plan Shares otherwise deliverable to the Participant on exercise or vesting of an Option such number of Plan Shares as have a market value not less than the Withholding Tax Amount and cause such withheld Plan Shares to be sold on the Participant's behalf to fund the Withholding Tax Amount, where:
 - A. the Company will not be responsible for obtaining any particular price for the Plan Shares;
 - B. the proceeds of any Plan Shares sold must be held by the Company on behalf of the Participant, and remitted to the appropriate taxing authority by the Company on behalf of the Participant; and

- C. any proceeds from such sale in excess of the Withholding Tax Amount must be promptly paid over to the Holder.
- (c) Notwithstanding Rule 15.1(b), nothing precludes the Company and the Participant from agreeing to use a combination of the methods described in this Rule 15 or some other method to fund the Withholding Tax Amount.

15.2 Deferred taxation

Subdivision 83A-C of the *Income Tax Assessment Act 1997* (Cth) applies to the Plan except to the extent that an Offer provides otherwise.

- (c) resolve conclusively all questions of fact or interpretation concerning the Plan and the applicable Rules and any dispute of any kind that arises under the Plan, including as to the interpretation or application of the Plan or any restrictions or other conditions relating to any Options allocated under the Plan, and the decision of the Board is final and binding on the Company and the Participants;
- (d) make any payment or settlement of an amount to a Participant in consideration for any cancellation of Options as may be agreed with a Participant;
- (e) delegate to any one or more persons for such period and on such conditions as the Board may determine the exercise of any of the Board's powers or discretions under the Plan; and
- (f) waive any breach of a provision of the Plan.

17.2 Limitation on amendments

Subject to the applicable Rules, without the consent of the Participant, no amendment may be made to any restriction or other condition relating to any Options allocated under the Plan, which reduces the rights of a Participant to those Options, other than an amendment made primarily to:

- (b) If and for so long as the Company is listed on the official list of the ASX, the Board may only exercise its powers in accordance with the Listing Rules.

17.4 Indemnification

The Company must indemnify, and keep indemnified, to the full extent permitted by law, each person who is or has been a director or alternate director of the Company against all proceedings, actions, claims, demands, losses, liabilities, damages, costs and expenses which may be made, brought against, suffered or incurred by the person arising directly or indirectly out of or in connection with the operation of the Plan.

18. Termination, suspension and amendment of the Plan

Subject to any applicable Listing Rules or laws, the Plan will take effect when the Board decides and may be suspended, terminated or amended at any time by resolution of the Board.

19. Costs, charges and duties

The Company:

- (a) is not responsible for any costs, charges or duties which are or may become payable on the transfer and issue or grant of Options under the Plan or any other dealing with the Options; and
- (b) may make any withholding or payment which it is required by law to make in connection with the Plan or the Options.

20. Rights of Participants

Nothing in these Rules or participation in the Plan:

- (c) affects the rights of any Group Company to terminate the employment, engagement or office of an Eligible Participant or a Participant (as the case may be);
- (d) affects the rights and obligations of any Eligible Participant or Participant under the terms of their employment, engagement or office with any Group Company;

21. ASIC relief

- (a) Notwithstanding any other provisions of the Plan, every covenant or other provision set out in an exemption or modification granted from time to time by ASIC in respect of the Plan, which is relied upon by the Company in relation to the Plan, or which otherwise applies to the Plan pursuant to ASIC's power to exempt and modify the Corporations Act and required to be included in the Plan in order for that exemption or modification to have full effect, is deemed to be contained in the Plan.
- (b) To the extent that any covenant or other provision deemed by this Rule 21 to be contained in the Plan is inconsistent with any other provision in the Plan, the deemed covenant or other provision will prevail.

22. Notices

22.1 A notice or other communication under or concerning the Plan is validly given:

- (a) by the Company to a Participant, if delivered personally to the addressee or sent by prepaid post to his or her last known residential address, or sent to him or her by facsimile or email at his or her place of work or posted on an electronic noticeboard maintained by the Company and accessible by the Participant; and

- 23.4 The Company will establish and maintain a register of Participants.
- 23.5 Neither the adoption of the Plan by the Board nor any provisions of these Rules will be construed as creating any limitation on the power of the Board to adopt such additional remuneration arrangements as it may deem desirable, including without limitation, the granting of Options and bonuses otherwise than under the Plan, and any such arrangements may be either generally applicable or applicable only in specific cases.
- 23.6 All Options lapse on winding up of the Company.

24. Governing law

The Plan and these Rules are governed by the laws of Western Australia and the Commonwealth of Australia, as applicable.

25. Severance

If any provision in the Rules is void, voidable by any party, or illegal, it is to be read down so as to be valid and enforceable or, if it cannot be so read down, the provision (or where possible, the offending words) must be severed from the Rules to the extent that it does not affect the validity, legality or enforceability of the remaining provisions (or parts of those provisions) of the Rules which continue in full force and effect.

Schedule 1 – Terms of Options

1. Offer of Options

- 1.1 The Company may from time to time make Offers in writing to Eligible Participants inviting them to accept an offer of Options under the Plan.
- 1.2 An Offer must not be made if to do so would contravene the Constitution, the Corporations Act, the Listing Rules or any other applicable law.
- 1.3 Each Offer will be determined by the Board in its sole and absolute discretion, and must:
- (a) be in writing;
 - (b) specify the name of the Eligible Participant to whom the Offer is made;
 - (c) specify the total number of Options (and the number of Shares to which the Options relate) being offered, not to exceed 1% of the total issued Shares at date of acceptance
 - (d) specify such terms and conditions of the grant of the Options the subject of the Offer, as determined by the Board, including:
 - (i) the Expiry Date;
 - (ii) the Exercise Price;
 - (iii) the Exercise Conditions (if any); and
 - (iv) the Vesting Conditions (if any);
 - (e) specify the time and date by which the Offer must be accepted;
 - (f) specify any other matters required to be specified in the Offer by the Corporations Act, the Listing Rules and/or applicable instruments issued by ASIC; and
 - (g) have attached an Acceptance Form and a copy of these Rules.
- 1.4 If the Company is listed on the official list of ASX, the Offer must include an undertaking by the Company to provide to a Participant, within a reasonable period of being so requested, the current market price (as defined in the Listing Rules) of the Shares.
- 1.5 The grant of Options under the Plan must not be for an amount more than Nominal Consideration.

2. Acceptance of Offer of Options

- 2.1 Upon receipt of an Offer of Options, an Eligible Participant may, within the period specified in the Offer:
- (a) accept the whole or any lesser number of Options offered by submitting an Acceptance Form; or
 - (b) subject to paragraph 2.2, nominate a nominee in whose favour the Eligible Participant wishes to renounce the Offer.

2.2 A nominee nominated pursuant to paragraph 2.1(b) must be covered by one of the following paragraphs:

- (a) an immediate family member of the Eligible Participant;
- (b) a company whose members comprise no persons other than the Eligible Participant or immediate family members of the Eligible Participant;
- (c) a corporate trustee of a family trust whose beneficiaries include only the Eligible Participant and members of the immediate family of the Eligible Participant and where the Eligible Participant is a director of the trustee; or
- (d) a corporate trustee of a self-managed superannuation fund (within the meaning of the *Superannuation Industry (Supervision) Act 1993* (Cth)) where the Eligible Participant is a director of the trustee.

2.3 Upon:

- (a) receipt of the completed Acceptance Form; or
- (b) the Board resolving to allow the renunciation to a nominee for the Eligible Participant and the nominee accepting the whole or any lesser amount of Options offered by notice in writing to the Board,

then the Eligible Participant, or the nominee, as the case may be, will be taken to have agreed to be bound by:

- (c) these Rules;
- (d) the terms of the Offer; and
- (e) the Constitution in respect of any Shares acquired on the exercise of Options.

3. Grant of Options

3.1 Upon acceptance of a duly signed and completed Acceptance Form, the Company may grant the Options applied for to the applicant (such person then being known as the **Holder**) on the terms determined by the Board under paragraph 1 of this Schedule.

3.2 The Company will issue a certificate or holding statement to each Holder in respect of Options granted to them.

3.3 The Offer will lapse if not accepted within the time required under the terms of the Offer.

4. Terms of Options

4.1 The terms of Options granted under the Plan are as determined by the Board from time to time in accordance with this paragraph 4. The Options will be subject to the terms and conditions of the Plan and in the event of any inconsistency between the terms in this Schedule and the provisions in the Plan, the Plan will prevail to the extent of the inconsistency.

4.2 The Exercise Price of an Option is the price determined by the Board, in its absolute discretion, prior to or on grant of the Options.

4.3 The Board may in its absolute discretion impose Exercise Conditions in respect of an Option on such terms as the Board considers appropriate. If Option is subject to Exercise Conditions then the Option may only vest if the Exercise Conditions relating to it have been satisfied or waived

by the Board in its absolute discretion. The Board must notify the Holder of the satisfaction or waiver of any Exercise Conditions applicable to the Options held by the Holder.

- 4.4 Unless otherwise determined by the Board when it resolves to grant the Option, each Option is granted on the terms set out in this paragraph 4.4 set out in this Schedule and the Rules generally:

(a) **Vesting of Options**

- (i) Subject to the terms of grant and the Rules, Options will automatically vest on the Vesting Date.
- (ii) The Board may, in its absolute discretion, determine that Options may vest:
 - A. during or, in the Board's absolute discretion, immediately prior to a Takeover Period;
 - B. at any time after a Change of Control Event has occurred;
 - C. at any time after the announcement of a proposed capital reconstruction referred to in paragraph 4.4(h);
 - D. if the Company is listed on the official list of ASX, following the occurrence and announcement by the Company of an event that in the opinion of the Board is likely to lead to the Company being removed from the official list of ASX;
 - E. within 12 months, in the event of the death or Permanent Disablement of a Participant, in respect of Options held by or on behalf of that Participant;
 - F. within 12 months, in the event of the cessation of a Participant's employment with a Group Company as a result of the Participant's position becoming redundant; or
 - G. if at the time of cessation of the Participant's employment some or all of the Vesting Conditions have been or will be substantially satisfied.
- (iii) If, in the reasonable opinion of the Board, an Eligible Participant acts fraudulently or dishonestly in any material respect or is in material breach of his or her obligations to any Group Company, then, notwithstanding any other provision in these Rules, the Board may deem any unvested Options held by or on behalf of the Participant to have lapsed.

(b) **Exercise of Options**

- (i) Each Option entitles the Holder to subscribe for one Share on exercise of the Option.
- (ii) Subject to paragraph 4.4(b)(v), a Holder may not exercise Options before expiry of the Restricted Period.
- (iii) Subject to paragraph 4.4(b)(v), a Holder may only exercise Options during the Exercise Period.
- (iv) An Option not exercised by the Expiry Date shall automatically lapse.
- (v) Notwithstanding paragraph 4.4(a)(iii), Options may be exercised:

- A. during or, in the Board's absolute discretion, immediately prior to a Takeover Period;
 - B. at any time after a Change of Control Event has occurred;
 - C. at any time after the announcement of a proposed capital reconstruction referred to in paragraph 4.4(h);
 - D. if the Company is listed on the official list of ASX, in the Board's absolute discretion, following the occurrence and announcement by the Company of an event that in the opinion of the Board is likely to lead to the Company being removed from the official list of ASX; or
 - E. in the Board's absolute discretion, within 12 months, in the event of the death or Permanent Disablement of a Participant, in respect of Options held by or on behalf of that Participant.
- (vi) If, in the reasonable opinion of the Board, an Eligible Participant acts fraudulently or dishonestly in any material respect or is in material breach of his or her obligations to any Group Company, then, notwithstanding any other provision in these Rules, the Board may deem any unexercised Options held by or on behalf of the Participant to have lapsed.

(c) Notice of exercise

- (i) Options may only be exercised by notice in writing to the Company which is signed by the Holder and delivered to the registered office of the Company. The notice must specify the number of Options being exercised (which must be no less than 500 and then in multiples of 100) and must be accompanied by:
- A. the Exercise Price for the number of Options specified in the notice; and
 - B. the certificate or holding statement for those Options, for cancellation by the Company.
- (ii) The notice only becomes effective when the Company has received the full amount of the Exercise Price for the number of Options specified in the notice in cleared funds.

(d) Issue of certificates

Subject to paragraphs 4.4(a) and (b) above, within 10 Business Days of the notice referred to in paragraph 4.4(c)(i) above becoming effective, the Board must:

- (i) acquire or issue the number of Shares specified in the notice to the Holder;
- (ii) cancel the certificate or holding statement for the Options being exercised; and
- (iii) if applicable, issue a new certificate or holding statement for any remaining unexercised Options covered by the certificate or holding statement accompanying the notice.

(e) Issue of Shares

All Shares issued upon the exercise of Options will be credited as fully paid and will be of the same class and rank equally in all respects with other Shares, and, in particular, entitle their holders to participate fully in:

- (i) dividends declared by the Company after the date of issue; and
 - (ii) all issues of securities offered to holders of Shares where entitlements to participate in those issues are determined by reference to a record date after the date of issue of Shares issued upon the exercise of Options.
- (f) **Quotation on ASX**
 - (i) If existing Shares are officially quoted by ASX, the Company must apply for official quotation by ASX of all Shares issued pursuant to the exercise of Options not later than 10 Business Days after the date of issue.
 - (ii) The Company will not apply to have the Options granted under the Plan quoted on ASX or any other stock exchange.
- (g) **New issues**

Holders will only be permitted to participate in a pro rata issue of Shares to Shareholders on the prior exercise of Options. The Company must notify the Holder of the proposed issue at least 7 Business Days before the record date to determine entitlements to the pro rata issue.
- (h) **Reorganisation of capital**
 - (i) In the event of a reorganisation (including a consolidation, subdivision, reduction or return) of the issued capital of the Company, the number of Options to which each Holder is entitled or the Exercise Price (if any) or both will be changed in the manner required by the Listing Rules and, in any case, in a manner which will not result in any benefits being conferred on holders of Options which are not conferred on Shareholders.
 - (ii) The Company must give notice to each Holder of any adjustment to the number of Shares for which the Holder is entitled to subscribe for or to the Exercise Price (if any) pursuant to the provisions of paragraph 4.4(h)(i).
 - (iii) An Offer may specify a restriction period for Shares issued on the exercise of Options.
- (i) **Restrictions on the Disposal of Options**

A Holder must not Dispose of any Options, or agree to Dispose of any Options, without the prior consent of the Board or where such Disposal occurs by force of law.
- (j) **Amendments required by ASX**

The terms and conditions of Options may be amended as necessary by the Company in order to comply with the Listing Rules (if applicable), or any directions of ASX (if applicable) regarding the Options, provided that, subject to compliance with the Listing Rules, the economic and other rights of the Holder are not diminished or terminated following such amendment.

5. Conditions of exercise of Options

Options may not be exercised during the Restricted Period.

6. Cancellation of Options

Notwithstanding any other provisions of these Rules, and subject to the Listing Rules, if the Board determines that some or all of the Options granted to a Participant should be cancelled on a specified date or on the occurrence of a particular event, then the Board may cancel those Options on the relevant date or on the occurrence of the particular event (as the case may be) for no consideration.
