**Dear Option Holder** 

### **IMPORTANT INFORMATION / ACTION REQUIRED**

### **Expiry of Listed Options (ASX: ESRO)**

We are writing to you as a registered holder of listed options (ASX: ESRO) (**Options**) in Estrella Resources Limited (**Company**) to remind you that the Options will expire at 5:00pm (WST) on 27 June 2021 (**Expiry Date**).

The expiration of Options occurs during a transformative period for Estrella Resources, with the Company continuing to develop its understanding of the geology at the T5 prospect at the Carr Boyd project, where massive nickel sulphides have been discovered.

An active exploration program has been developed to unlock this potential with the Company utilising drilling, EM surveying, gravity and most recently world leading seismic surveys – with all operations based out of the Company's recently established mining camp to further accelerate timeframes.

Estrella Resources is also aided by a number of macroeconomic tailwinds, including a globally significant increase in demand for electric vehicles and battery storage, which are nickel-intensive and a continuing source of support for the long-term nickel price.

Finally, a recent discovery by Great Boulder Resources (ASX:GBR) at the Blue Poles prospect, which is located 4km south of the Carr Boyd project has identified significant gold grades (see ASX Announcement dated 6/5/21). The discovery increases the potential for Carr Boyd to also hold precious metal mineralisation and the Company is reviewing the status of its precious metal prospects.

The Company further notes that Directors of Estrella with options also exercisable at \$0.05 with expiry of 15 May 2021 elected to exercise their options (refer to ASX announcement dated 14 May 2021).

There is no obligation upon Option holders to exercise their Options. The courses of action available to you as a holder of these soon to expire Options are:

- (a) **Exercise your Options:** If you wish to exercise your Options, you must complete the "Notice of Exercise of Options" (**Notice of Exercise**) form accompanying this letter and provide the completed Notice of Exercise together with payment of \$0.05 per Option being exercised in accordance with the instruction set out in the Notice of Exercise.
