

Addition to Strike's Executive Team

Strike Energy Limited (Strike - ASX: STX) is pleased to announce the appointment of its Chief Development Officer, Mr. Crispin Collier.

Mr. Collier will assume the role within Strike's newly formed development company that has current carriage of the Project Haber fertiliser development, the Mid-West Geothermal project and Strike's other downstream business development activities.

Due to Mr. Collier's long involvement as a producer, buyer and user of industrial energy in WA, he will also take on the Company's gas marketing and sales activities.

Mr. Collier brings 20 years of experience from the energy and resources industry, working for some of the biggest and lowest cost producers of their key commodities in the region. This experience includes time with both BHP and Fortescue Metals Group and more recently for Wesfarmers in both their Corporate Business Development and also Chemicals, Energy and Fertilisers divisions. Mr. Collier has held senior executive and operational roles throughout his tenure at his previous employers and has a demonstrable track record of deal making and project delivery.

Strike will also greatly benefit from Mr. Collier's time as an active Board member of Quadrant Energy prior to its acquisition by Santos whilst Quadrant was WA's largest domestic gas supplier.

Mr. Collier will commence his role at Strike from mid-August 2021.

Strike Energy Limited Managing Director and CEO, Stuart Nicholls said:

"Strike is very fortunate to have someone of the calibre and track record of Crispin joining the team at this pivotal time. Joining us from his previously immediate role as Business Development Manager Wesfarmers Chemicals, Energy and Fertilisers, Crispin has an almost tailor-made experience set for the challenges facing Strike in the delivery of its integrated gas, renewables and manufacturing strategy"

"Crispin's unique exposure to the WA gas market from both a buyer and a producer's perspective will also support cementing Strike's role as the key resource holder and future low cost and low carbon energy supplier of choice in WA."

"I look forward to working with Crispin as he joins the leadership team to deliver some of our most materially valuable and strategic projects."

The Mr. Collier will join the Company's executive leadership team and as such will be eligible for both an STIP and LTIP commensurate with the remuneration policies of the Company.

This announcement is authorised by Stuart Nicholls, Managing Director & Chief Executive Officer of Strike in accordance with the Company's Continuous Disclosure Policy.
