## New \$200,000+ device order from Steel-Line Garage Doors

ASX RELEASE

31 May 2021

Zimi Ltd (ASX:ZMM) ("Zimi", the "Company") is pleased to advise the market that it has received purchase orders from Steel-Line Garage Doors ("Steel-Line") for the order of 3,250 devices (representing Garage Door Controllers, sensors and Zimi Cloud Connects) worth over \$200,000. Delivery is expected to be from November 2021 onwards. This is on top of the orders confirmed in the recent Trading Update Announcement dated 25 May 2021<sup>1</sup> and results in total sales exceeding \$2.2m.

Steel-Line are Australia's largest garage door manufacturer with a strong national presence, servicing the Australian market for the past 40 years. Zimi developed the Garage Door Controller for Steel-Line as part of the Zimi ecosystem of smart home devices. It is being sold directly by Steel-Line as well as by Zimi's other distributors, GSM Electrical ("Trader") and Beacon Lighting Group ("Beacon Lighting", ASX:BLX).

Aaron Dillaway, CEO of Steel-Line, commented: "We recently began commercializing the Garage Door Controller and are pleased with the result. As a market leader in Australia, we wanted to launch a distinctive connected offering: the Garage Door Controller is retrofittable and has a range of unique features that ensure it adds value to any home."

This release has been approved by the board.
