8VI Proposes Secondary Listing on the Singapore Stock Exchange

Singapore, 8 June 2021

8VI Holdings Limited (“8VI” or the “Group”) is pleased to announce that as part of its on-going efforts to enhance shareholder value and raise its corporate profile, the Group will be planning to undertake a secondary listing in Singapore.

As part of the exercise, 8VI will endeavour to pursue a secondary listing by way of introduction on the Main Board of the Singapore Exchange Securities Trading Limited (the “SGX-ST”). 8VI’s CHES Depositary Interests (“CDIs”) will continue to be listed and traded on the Australian Securities Exchange (“ASX”).

The Group believes that the proposed secondary listing on the SGX-ST will allow more of its clients and stakeholders in Singapore and Malaysia to participate in and benefit from 8VI’s growth, and enable the Group to tap into new capital resources in Singapore. The Board and Management of 8VI considers this proposed listing highly beneficial in boosting its credibility with regulators and strategic partners closer to home.

The proposal is at an early stage, with the particulars of the proposed listing still currently being determined and expects to advise further details by the last quarter of 2021.

Shareholders and potential investors of the Group should be aware that there is no assurance that the proposal detailed above will be implemented or when such measures may take place. Accordingly, shareholders and potential investors of the Group are advised to exercise caution when making investment decisions in respect to the shares of 8VI.
