#### **About Great Northern Minerals Limited**

*Great Northern Minerals Limited is an ASX-listed gold focused explorer. The Company’s key North Queensland Gold Projects include the Golden Cup, Camel Creek and Big Rush Gold Mines in North Queensland. The historic mines ceased operation in the 1990’s after production of over 150,000 oz at an average grade of 1.91g/t Au. Great Northern Minerals aims to extend known mineralisation and develop a new gold camp in North Queensland.*
