**Request for Trading Halt – Resource Development Group Ltd (ASX:
RDG)**

Resource Development Group Ltd (RDG) hereby requests a trading halt to be applied to all quoted securities of the Company to apply immediately.

RDG is making this request following a query received from the ASX in relation to certain statements that the Company made in its announcement titled “Resource Development Group Approved Lucky Bay Garnet Project” dated 10 June 2021.

The trading halt will be lifted when an announcement is made to the ASX in response to the query, wherein the Company proposes to retract certain forward looking statements and forecast financial information made in the abovementioned announcement. This announcement will be made by no later than the commencement of trading on Monday, 21 June 2021.

RDG is not aware of any reason the trading halt should not be granted.

Yours sincerely

Michael Kenyon
