Dear Belinda

**ASX Price and Volume Query**

We refer to the Price and Volume Query from the ASX dated 17 June 2021 in relation to:

A. The change in price of TRM's securities from a low of \$0.025 to an intraday high of \$0.044 today: and

B. The significant increase in the volume of TRM's securities traded today,

and respond as follows to the specific questions asked:

1. Is TRM aware of any information concerning it that has not been announced to the market which, if known by some in the market, could explain the recent trading in its securities?

No. The Company is not aware of any information concerning it that has not been announced, which, if known by some in the market, could explain the recent trading in its securities.

If the answer to question 1 is "yes":

(a) Is TRM relying on Listing Rule 3.1A not to announce under Listing Rule 3.1? Please note that the recent trading in TRM's securities would suggest to ASX that such information may have ceased to be confidential and therefore TRM may no longer be

---

able to rely on Listing Rule 3.1A. Accordingly, if the answer to this question is “yes”, you need to contact us immediately to discuss the situation.

(b) Can an announcement be made immediately? Please note, if the answer to this question is “no”, you need to contact us immediately to discuss requesting a trading halt (see below).

(c) If an announcement cannot be made immediately, why not and when is it expected that an announcement will be made?

2. The answer to question 1 is no – therefore not applicable.

3. If the answer to question 1 is “no”, is there any other explanation that TRM may have for the recent trading in its securities?

TRM is not aware of any other explanation in relation to the recent trading in its securities.

4. Please confirm that TRM is complying with the Listing Rules and, in particular, Listing Rule 3.1.

TRM confirms that it is complying with the Listing Rules and, in particular, Listing Rule 3.1

5. Please confirm that TRM’s responses to the questions above have been authorised and approved under its published continuous disclosure policy or otherwise by its board or an officer of TRM with delegated authority from the board to respond to ASX on disclosure matters.

TRM confirms that its responses to the questions above have been authorised and approved under its published continuous disclosure policy or otherwise by its board or an officer of TRM with delegated authority from the board to respond to ASX on disclosure matters.

We require the request for a trading halt to be in writing. The trading halt cannot extend past the commencement of normal trading on the second day after the day on which it is granted. You can find further information about trading halts in Guidance Note 16 *Trading Halts & Voluntary Suspensions*.
