ASX ANNOUNCEMENT – ORCODA LIMITED (ASX:ODA)

Mt Buller Update

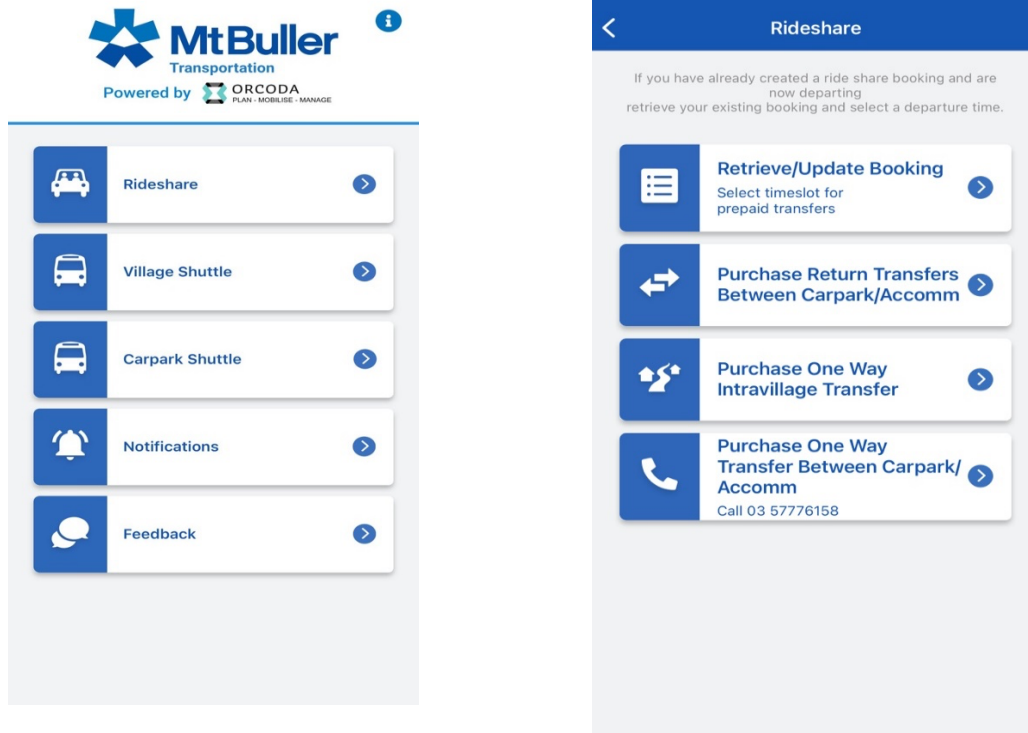

- **Record numbers of passengers transported by Orcoda at Mt Buller Ski Resort.**
- **Orcoda has successfully managed the transport of over 20,000 passenger movements in the last two weeks at Mt Buller Ski Resort and numbers have been increasing daily.**
- **Orcoda Rideshare has transported over 5,000 of the passenger movements at Mt Buller Ski resort during this time.**
- **The total contract revenue is estimated at \$25 million over the 9 year contract period.**

Orcoda Limited (ASX: ODA) (**‘Orcoda’** or the **‘Company’**), the resources, healthcare, and transport logistics and transport services optimisation company, is pleased to announce that the Mt Buller Ski season has got off to a great start. Record numbers of passengers are being transported by Orcoda under its Logistics Management Agreement with Victorian State Government, Mt Buller Mt Stirling Resort Management Board. Orcoda reports the following in relation to our logistics technology and logistics management of the contract:

- The Orcoda app is delivering great customer experience based on feedback from users;
- The Orcoda driver app is working well for our vehicle drivers based on their feedback;
- The Orcoda payment platform is intuitive and easy to use;
- The Orcoda booking platform for transport bookings works as intended;
- The Orcoda call centre was well prepared, and so are handling the higher passenger volume than might normally be expected;
- The Orcoda reporting function from our logistics technology platform is delivering great reports for our management team and to Mt Buller Mt Stirling Resort Management Board; and
- The Orcoda team is proud to be managing up to 40 vehicles on the mountain utilising our Transport Logistics management skills and our Orcoda Logistics Management System (OLMS) with our bus operator, Busfleet.

Matt Elliot, Mt Buller Sales & Development manager said: “At this stage of the season, Mt Buller Mt Stirling Resort Management Board is satisfied with Orcoda’s management of the complex transport logistics operation at the resort. The app based consumer interface and logistics management platform is delivering on our stakeholder needs”.

Geoff Jamieson, Orcoda Managing Director said: “We have put a lot of effort into delivering a robust technology platform that delivers great results for all stakeholders. People are obviously relieved to be able to enjoy the ski season this year. Orcoda is happy to contribute to making great memories. Thankfully Melbourne is currently not in lockdown. This means that Mt Buller is experiencing record numbers coming to the resort but obviously, we are mindful to monitor the fluid COVID situation. The driver’s procedures involve enforcing State COVID recommendations. Our aim is for our technology to assist them to be ‘best in class’ in terms of both safety and efficiency for themselves and the customers. The Mt Buller Transportation App can be downloaded from the Apple Appstore or Google Play”.

MtBuller Transportation App – Powered by Orcoda
