

EXTENSION OF DELISTING DATE

.....

Sky and Space Company Limited (**ASX: SAS**, 'Sky and Space Company' or the 'Company') announces that ASX has granted the Company an extension of the deadline for automatic removal of the Company from the Official List from Thursday, 8 July 2021 to Sunday, 8 August 2021.

The Company is currently working with ASX towards the reinstatement of its ordinary shares to quotation. However, if prior to the commencement of trading on Monday, 9 August 2021, the Company has not been able to satisfy ASX that it will be able to meet ASX's reinstatement conditions by that date, then the Company will not be granted any further extension and its securities will be removed from quotation from the commencement of trading on Monday, 9 August 2021.

Authorised for release by the Board of Directors.

ABOUT SKY AND SPACE COMPANY LIMITED

Sky and Space Company Limited is an ASX listed (SAS) satellite company regulated by the UK Space Agency with aerospace, satellite, and software industry expertise.

The Company's core business is to provide communications infrastructure and services based on nanosatellite technology and deploy highly sophisticated software systems that launch, maintain orbit, control, and manage global communication networks in space.

The Company was the first to build and operate a nanosatellite based commercial telecom network. It currently benefits from over 50 agreements with future customers, award winning technology and many nanosatellite world firsts including propulsionless formation flying and inter satellite communications.
