### **About Strickland Metals (STK):**

Strickland Metals Limited is an ASX-listed mineral exploration company with projects in Australia. Strickland aims to deliver superior shareholder returns through discovery of "world-class" mineralised systems. The Company is focused on Gold and Copper, both of which are in high demand.

The primary focus of Strickland is their Horse Well Gold Project is located in the Warburton Mineral Field of Western Australia and is approximately 85 kilometres northeast of the town of Wiluna. The Project occurs in the northern most part of the Yandal/Millrose Greenstone belt that hosts a number of multi-million-ounce gold projects, such as Jundee, Bronzewing, and Darlot-Centenary gold mines.
