

COURT ORDERS GRANTED

Further to its announcement of 28 July 2021, Pilbara Minerals Limited (**Pilbara Minerals or the Company**) (ASX: PLS) advises that earlier today the Supreme Court of Western Australia heard the Company's application to rectify an administrative oversight related to the delayed release of a cleansing notice in connection with the issue of shares by the Company on 25 June 2021.

Delayed issue of cleansing notice

The matter relates to the Company's issue of 2,000,000 shares on 25 June 2021 upon the exercise of unlisted options.

Through an inadvertent administrative oversight, the Company did not issue a cleansing notice under section 708A(5)(e) of the Corporations Act 2001 (Cth) (**Corporations Act**) within five business days of the date of the issue of the shares. This oversight was reported to both ASX and ASIC on 27 July 2021.

On 28 July 2021, the Company released a delayed cleansing notice.

Grant of Court orders curing delayed release of cleansing notice

The application was heard in the Supreme Court of Western Australia earlier today and the Court made the orders sought by the Company, namely:

1. orders that:
 - a) the period of five business days in which to lodge the cleansing notice be extended to 28 July 2021; and
 - b) the cleansing notice that the Company released on 28 July 2021 be deemed to take effect as if it had been lodged on 25 June 2021; and
2. a declaration that any offer for or sale of the shares after their issue and prior to making of the orders is not invalid by reason of any failure by the Company or any shareholder to comply with the disclosure obligations under the Corporations Act.

A copy of the orders accompanies this announcement.

Suspension from Official Quotation

The Company requests that following the release of this announcement trading in its securities be reinstated.
