# Joint venture agreement with Baracus Pty Ltd (ACN 009 132 334)

The Company confirms that Baracus' 20% interest in the Julimar Project tenements will be free carried to completion of a bankable feasibility study on the Julimar Project.

The tenement acquisition agreement provides that:

- (a) during the Free Carried Period, the Company will be exclusively responsible for the management, work programs and budget of the joint venture and will be responsible for paying 100% of the outgoings and exploration costs on the Julimar Project tenements;
- (b) following cessation of the Free Carried period, the parties will contribute to their prorata share of the joint venture expenditure; and
- (c) within 45 days following cessation of the Free Carried Period, the parties must enter into a joint venture agreement, to formally document the terms and conditions upon which the parties will form a joint venture for the purposes of developing and exploiting the Julimar Project tenements.

## **Tenement Access**

The Company confirms that there are no legal, regulatory, statutory or contractual impediments to the Company entering the Tenements and carrying out exploration activities such that the Company will be able to spend its cash in accordance with its commitments for the purposes of Listing Rule 1.3.2(b).

## Status of tenement transfers

The Company confirms that it holds fully signed transfer forms for the following tenements following settlement of the acquisition on 21 June 2021:

- (d) P 45/2868-I, P 45/2869-I, P 45/2870-I, P 45/2871-I and E 45/4597 (the 'Tambourah Project's Tenements'),
- (e) E 38/3317 and E 38/3153 (the 'Achilles Project' Tenements');
- (f) E 08/2889-I and E 08/3053, excluding iron ore rights (the 'Cheela Project's Tenements'); and
- (g) E 070/5411, E 070/5423, E 70/5407 and E 70/5408 (the 'Julimar North Project's Tenements').

The acquisition agreement pertaining to the tenements was lodged with the Office of State Revenue for duty assessment on 27 July 2021. Transfer of the tenements cannot be registered until such time as the duty has been assessed and paid. The Company will lodge the transfer forms with the Department of Mines, Industry Regulation and Safety for processing following duty endorsement.

The Board has no reason to believe that the transfers of the tenements in the name of the Company will not be completed in the ordinary course of business. The Company has lodged

caveats over each of the tenements to protect its interest in the tenements until title has been transferred.

The Company further notes that, under the acquisition agreement, from the date of settlement until the date the Company becomes the registered holder of the tenements, Baracus Pty Ltd grants the Company the exclusive licence, right and liberty to enter the tenements for the purposes of carrying out mining operations (as that term is defined in the Mining Act 1978 (WA)).
