

ASX RELEASE

23 August 2021

Appointment of new Chairman

The Board of Scout Security Limited (ASX: SCT) ("SCT"), today announced the appointment of Martin Pretty as non-executive Chairman of the Board, effective immediately.

Martin has been a non-executive director of SCT since July 2020.

He is currently the managing director of boutique investment firm, Equitable Investors, and a non-executive director of financial services group Centrepont Alliance (ASX: CAF) and technology communications company Spacetalk (ASX: SPA).

Commenting on the appointment, Mr Pretty said: "It is an exciting time for Scout Security and the Board is focused on supporting our dedicated team in their work to capture the opportunities in front of us. I'd like to thank my fellow board members for supporting me in the role as Chairman and look forward to working closely with them and the executive team to generate value for customers and shareholders."

SCT's CEO, Dan Roberts, said: "We welcomed Martin to the board last year as the first new member since our IPO, which speaks volumes about his experience and the board's confidence in what we can build together. In just over a year's time, Martin's impact and guidance has led to his nomination for Chairman and a unanimous vote of the same, which should give all stakeholders comfort that the right leadership is in place as we continue to scale the Scout business."

We are also happy to announce that we have a new Senior Program Manager starting in our Chicago office this week to assist with the rollouts of our domestic and international expansion. The new team member brings over 20 years of expertise in the consumer electronics industry, with a depth of experience in client and customer facing roles. She most recently drove the overall strategy, new product development and supplier-client relationships as a Product Manager for a 60 SKU indoor sensor portfolio.
