About Titan Minerals Ltd

Titan Minerals is an exploration and development company focused on exploring and developing potential Tier One projects in Ecuador's southern Andean copper-gold belt. The Company's flagship asset is the Dynasty gold project that consists of a NI 43-101 mineral resource estimate of 2.1Moz at 4.5g/t gold. Titan's strategy is to conduct a drilling campaign across Dynasty and deliver a JORC resource during Q4 2020.

The Company is continuously evaluating additional projects in gold, copper, and other commodities within Ecuador and elsewhere for acquisition or joint venture to grow shareholder value.
