## G. Resolutions 4(a)-4(b) Subsequent approval under Listing Rule 7.4 of Securities issued under ASX Listing Rules 7.1 and 7.1A

ASX Listing Rule 7.1 provides that a listed company may only issue or agree to issue up to 15% of the company's ordinary issued capital in any 12 month period, unless shareholder approval is obtained (subject to certain exceptions).

ASX Listing Rule 7.1A enables certain eligible entities to seek shareholder approval to have the additional capacity to issue equity securities of up to 10% of its issued share capital over a 12 month period after the annual general meeting at which a resolution regarding Listing Rule 7.1A is passed by special resolution. At the Company's last AGM on 18 September 2020, the Company obtained approval from Shareholders to issue equity securities under Listing Rule 7.1A.

ASX Listing Rule 7.4 allows a listed company in a general meeting to subsequently approve an issue of securities for the purpose of ASX Listing Rule 7.1, provided the company did not breach ASX Listing Rule 7.1, and also subsequently approve an issue of securities for the purpose of ASX Listing Rule 7.1A, provided the company did not breach ASX Listing Rule 7.1A.

Resolutions 4(a)-(b) seek subsequent Shareholder approval pursuant to ASX Listing Rule 7.4 of the Securities issued without Shareholder approval under Listing Rules 7.1 or 7.1A. during the 12 month period since 18 September 2020, as described below. If approval is given, the Company will be entitled under ASX Listing Rule 7.1 to issue up to 15% of its ordinary issued capital, if required, in the next 12 months without Shareholder approval. In addition, the approval of Resolutions 4(a)-(b) would fully reinstate the Company's placement capacity under Listing Rule 7.1A.

ASX Listing Rule 7.5 requires the following information to be provided to Shareholders for the purposes of obtaining Shareholder approval pursuant to ASX Listing Rule 7.4:

a) 29 April 2021 – 27,777,778 Shares (ranking equally with all existing Shares) were issued under a placement to sophisticated and professional investors at 36.0 cents per Share as announced to the ASX on 21 April 2021 and in an Appendix 3B released on 21 April 2021. The particular sophisticated and professional investors who participated in the placement were determined by the lead managers of the capital raising appointed by the Company. All of the Shares placed were issued under ASX Listing Rule 7.1.

The placement was conducted in conjunction with a Share Purchase Plan (SPP), which offered all eligible Company Shareholders the opportunity to acquire up to \$30,000 of Shares each (subject to any scale-back) at the same 36 cents per Share price. Total proceeds before costs raised from the placement of \$10 million (as well as a further \$16.6 million from the SPP) were and will be used to advance the Company's CSG project in Mongolia and for working capital purposes.

b) 21 January 2021 – 1,153,846 Shares (ranking equally with all existing Shares) were issued at an agreed 12.81 cents per Share to S3 Consortium Pty Ltd under the terms of an agreement for investor relations/digital marketing services. No funds were raised by the issue however the Company's obligation for \$150,000 of services required under the

contract was fully satisfied. Material term of the S3 Consortium Pty Ltd agreement are set out below:

- Agreement dated: 8 October 2020
- o Services provided: 12 months digital marketing campaign

#### **Voting Exclusion**

The Voting Exclusion Statement is set out under the Resolution in the Notice of Meeting.

#### Recommendation

The Directors unanimously recommend that Shareholders vote in favour of each of Resolutions 4(a)-(b).

The Chairman intends to vote available undirected proxies in favour of each of Resolutions 4(a)-(b).

#### H. Resolutions 5 and 6 – Approval to issue Securities to Directors

#### Background

The Company has agreed, subject to obtaining Shareholder approval, to grant the following Securities to Directors under the Employee Incentive Securities Plan (**Plan**):

- (c) 1,000,000 Incentive Options to Anna Sloboda (or her nominees); and
- (d) 6,000,000 Performance Rights to Neil Young (or his nominees).

The above Securities are proposed to be issued to the above Directors for nil cash consideration as incentive based remuneration in connection with their roles as directors of the Company. The Board considers that the incentives provided to Ms Sloboda and Mr Young represented by the grant of the above Securities is a cost effective and efficient way for the Company to appropriately incentivise and reward each Director's performance and assist with retaining and motivating the Directors in their current roles, as opposed to alternative forms of incentive such as the payment of cash compensation.

The Incentive Options are each exercisable once vested at \$0.50 on or before the date which is 4 years after the date of grant. The Incentive Options vest upon 12 months continuous service with the Company by the holder. The Incentive Options terms and conditions set out in Schedule 1.

The Performance Rights are convertible into Shares on a one for one basis on the satisfaction of certain performance milestones on or before the relevant expiry dates. The Board of Elixir has determined that it would be in the best interests of the Company if its Managing Director was incentivised to accelerate Nomgon IX's pilot production program. To drive this outcome the Board proposes the following performance right structure:

- 2 million performance rights to vest upon the commencement of a 1st stage pilot production program by 30 June 2023, this is 2.5 years ahead of the schedule agreed by the petroleum regulator of Mongolia.
- 2 million performance rights to vest upon the commencement of a 2nd stage pilot production program by 30 June 2024, this is 1.5 years ahead of the schedule agreed by the petroleum regulator of Mongolia.
- 2 million performance rights to vest upon the commencement of a 3rd stage pilot production program by 30 June 2025, this is 0.5 years ahead of the schedule agreed by the petroleum regulator of Mongolia.

Full terms and conditions of the Performance Rights are set out in Schedule 2.

The key terms and conditions of the Plan are set out in Schedule 3.

#### Detail of the Nomgon IX plot production program, are set out below:

The Nomgon IX CBM PSC, entered into under Mongolia's Petroleum Law, mandates an annual (calendar year) budget process, under which the Contractor (Elixir's wholly owned subsidiary GOH LLC) has to agree a work program and budget with the petroleum regulator (Mineral Resources & Petroleum Authority of Mongolia). The PSC currently contemplates a 3 stage pilot production in years 7, 8 & 9 of the 10 year exploration period of the PSC. The nature of each of these stages, in terms of objectives, technical design and cost, can only be determined at the time, based on the geological and other data gathered in the work programs undertaken in the prior years of the PSC term. An acceleration of the 3 stage pilot production program can therefore only be undertaken with the explicit formal agreement of the petroleum regulator through the annual budget process. Accordingly, the vesting of the Performance Rights will only occur upon the objective test being met of the petroleum regulator agreeing to annual budgets for the years in question which include accelerated pilot production programs.

#### **Chapter 2E of the Corporations Act**

For a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (e) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (f) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The grant of Securities to each Director pursuant to Resolutions 5 and 6 constitutes giving a financial benefit and Anna Sloboda and Neil Young are each a related party of the Company by virtue of being a Director.

After a review of publicly available information relating to the remuneration structures of ASX listed companies, including those operating in the energy industry, the Directors consider that

Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the grant of the above Securities to each of Anna Sloboda and Neil Young because the grant of these Securities is considered reasonable remuneration in the circumstances.

#### Listing Rule 10.11

Listing Rule 10.11 also requires shareholder approval to be obtained where an entity issues, or agrees to issue, securities to a related party, or a person whose relationship with the entity or a related party is, in ASX's opinion, such that approval should be obtained unless an exception in Listing Rule 10.12 applies.

As the grant of Securities to Anna Sloboda and Neil Young involves the issue of securities to related parties of the Company, Shareholder approval pursuant to Listing Rule 10.11 is required unless an exception applies. It is the view of the Directors that the exceptions set out in Listing Rule 10.12 do not apply in the current circumstances.

Approval pursuant to Listing Rule 7.1 is not required for the grant of Securities to Anna Sloboda and Neil Young as approval is being obtained under Listing Rule 10.11. Accordingly, the grant of these Securities will not be included in the use of the Company's 15% annual placement capacity pursuant to Listing Rule 7.1.

Resolutions 5 to 6 are ordinary resolutions.

If these Resolutions are not approved, the Company will consider alternative remuneration incentives for both Neil Young and Anna Sloboda, that may include increase cash remuneration or propose alternative security based incentives at a future Shareholder meeting.

#### **Voting Exclusion**

The Voting Exclusion Statement is set out under the Resolution in the Notice of Meeting.

#### Recommendation

The Directors (other than Ms Sloboda and Mr Young) recommend that Shareholders vote in favour Resolutions 5 and 6.

The Chairman intends to exercise all undirected proxies in favour of Resolutions 5 and 6.

#### I. Special Resolution 7 – Increase in Non-Executive Directors' Fee Pool

Under both Listing Rule 10.17 and clause 6.5(a) of the Company's constitution, the aggregate remuneration that may be paid to non-executive directors in a financial year may only be increased by ordinary resolution of a general meeting of Shareholders of the Company.

At the November 2010 Annual General Meeting, members approved an aggregate limit of \$500,000 per annum for the non-executive directors' fee pool.

The Board has reviewed the current fee levels for comparable companies in the market and has considered the level of fees that it considers necessary to retain and to attract non-executive directors of the appropriate calibre to ensure robust governance of the Company for the future.

The proposal is to increase the current limit for the non-executive directors' fee pool by \$500,000 to a maximum total amount of \$1,000,000 per annum. The fee pool covers all fees for services as a director, including committee fees and all superannuation contributions.

Although it is not anticipated that the total increase in fee pool will be utilised in the short- term, the Board would like to retain the flexibility to appoint additional non-executive directors as and when required.

#### Further information required by Listing Rule 10.17

The Chairman intends to exercise all undirected proxies in favour of Resolution 7.

#### J. Special Resolution 8 – Approval of 10% Placement Facility

#### General

Under Listing Rule 7.1A, an Eligible Entity can seek shareholder approval by special resolution at an annual general meeting to issue additional Equity Securities equivalent to 10% of its issued share capital through placements over a 12 month period after the meeting at which approval is obtained, in accordance with the terms set out below (**10% Placement Facility**). The 10% Placement Facility is in addition to the Company's 15% placement capacity under ASX Listing Rule 7.1 and allows the Company to issue up to 25% of its total issued capital.

An 'Eligible Entity' for the purposes of ASX Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is an Eligible Entity. The Company will need to remain compliant with the requirements of ASX Listing Rule 7.1A in order for the Company to utilise the additional capacity under the 10% Placement Facility.

At the Company's 2020 Annual General Meeting, Shareholder approval was obtained regarding the availability of the 10% Placement Facility for the 12 months period ending 17 September 2021. No Shares were issued under Listing Rule 7.1A in that 12 month period.

While the Company has no current specific intention to use the 10% Placement Facility, the Company is seeking Shareholder approval by way of a special resolution to have the ability, if required, to issue Equity Securities under the 10% Placement Facility for a further 12 months.

As a special resolution, Resolution 8 requires the approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, or by a corporate representative).

If Shareholders approve Resolution 8 the number of Equity Securities to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2.

If this resolution is not passed the Company will not be able to access the additional 10% capacity to issue securities without Shareholder approval as provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing equity securities without shareholder approval set out in Listing Rule 7.1.

#### **Voting Exclusion**

The Voting Exclusion Statement is set out under the Resolution in the Notice of Meeting.

At this point in time, the Company has no specific intention to issue Equity Securities under Listing Rule 7.1 A, and therefore it is not known who (if any) may participate in a potential issue of Equity Securities under Listing Rule 7.1A.

No Director or Related Party will participate in any issue under the 10% Placement Facility unless specific approval is obtained for the purposes of ASX Listing Rule 10.11.

#### Recommendation

The Directors of the Company believe that this Resolution is in the best interests of the Company and unanimously recommend that Shareholders vote in favour of this Resolution.

#### **Description of Listing Rule 7.1A**

(a) Shareholder approval

The ability to issue Equity Securities under the 10% Placement Facility is subject to shareholder approval by way of a special resolution at an annual general meeting.

(b) Equity Securities

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company and must be issued for cash consideration. The Company, as at the date of the Notice, has one classes of quoted Equity Securities, being Shares (ASX Code: EXR).

#### (c) Listing Rule 7.1 and Listing Rule 7.1A

The ability of an entity to issue Equity Securities under Listing Rule 7.1A is in addition to the entity's 15% placement capacity under Listing Rule 7.1.

At the date of this Notice of Meeting, the Company has on issue 891,013,376 Shares and therefore has a capacity to issue:

- 103,380,639 Equity Securities under ASX Listing Rule 7.1 (prior to the passing of Resolutions in this AGM Notice); and
- subject to Shareholder approval being received under this Resolution 8, 86,218,175 Equity Securities under ASX Listing Rule 7.1A.

The actual number of Equity Securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities or date of agreement to issue in accordance with the formula prescribed in Listing Rule 7.1A.2. Section 9(3)(c) below contains an analysis of the potentially dilutive effect of issuing Shares under Listing Rule 7.1A under several scenarios.

(d) Minimum Issue Price
 The issue price of Equity Securities issued under Listing Rule 7.1A must be not less than
 75% of the VWAP of Equity Securities in the same class calculated over the 15 Trading
 Days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (ii) if the Equity Securities are not issued within 10 Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.
- (e) 10% Placement Period

Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A commences on the date of the annual general meeting at which the approval is obtained and expires on the first to occur of the following:

- (i) the date that is 12 months after the date of the annual general meeting at which the approval is obtained.
- (ii) The time and date of the entity's next annual general meeting.
- (iii) the time and date of the approval by shareholders of the eligible entity's ordinary securities of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).

(10% Placement Period).

#### Specific additional information required by Listing Rule 7.3A

- (a) Any funds raised from an issue of Securities under Listing Rule 7.1A would be used to advance the Company's current petroleum exploration projects, in particular its CSG project in Mongolia, to potentially acquire new energy projects, and for working capital purposes.
- (b) The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue under the 10% Placement Facility. The identity of the recipients of Equity Securities will be determined on a case-by-case basis having regard to factors including but not limited to:
  - the methods of raising funds that are available to the Company, including but not limited to, rights issues or other issues in which existing Shareholders can participate;
  - (ii) the effect of the issue of the Equity Securities on the control of the Company;
  - (iii) the financial situation and solvency of the Company; and
  - (iv) advice from corporate, financial and broking advisers (if applicable).

The recipients under the 10% Placement Facility have not been determined as at the date of this Notice but may include existing substantial Shareholders and/or new Shareholders who are not related parties or associates of a related party of the Company.

If Resolution 8 is approved by Shareholders, the Company may issue Equity Securities under the 10% Placement Facility during the 10% Placement Period, as and when the circumstances of the Company require.

- (c) If Resolution 8 is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, existing Shareholders' voting power in the Company will be diluted. There is a risk that:
  - the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Meeting; and
  - the Equity Securities issued under the 10% Placement Facility may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date

which may have an effect on the amount of funds raised by the issue of the Equity Securities.

The table below shows the dilution of existing Shareholders on the basis of the market price of Shares of 22.5 cents as of 2 September 2021 and the number of ordinary Shares on issue as of the date of this Notice being 891,013,376 for variable "A".

The table shows:

- two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- two examples of where the issue price of ordinary securities has decreased by 50% and increased by 100% as against the current market price.

Variable 'A' in Listing		Dilution		
Rule 7.1A.2		\$0.11	\$0.225	\$0.45
		50% decrease in Issue Price	Issue Price	100% increase in Issue Price
Current Variable A 689,323,877 Shares	10% voting dilution	89,101,338	89,101,338	89,101,338
	Funds raised	\$10,023,900	\$20,047,801	\$40,095,602
50% increase in current Variable A 1,033,985,815 Shares	10% voting dilution	133,652,006	133,652,006	133,652,006
	Funds raised	\$15,035,851	\$30,171,701	\$60,143,403
100% increase in current Variable A 1,378,647,754 Shares	10% voting dilution	178,202,675	178,202,675	178,202,675
	Funds raised	\$20,047,801	\$40,095,602	\$80,191,204

The table has been prepared on the following assumptions:

- (i) The Company issues the maximum number of Equity Securities available under the 10% Placement Facility.
- (ii) No Options or Performance Rights are exercised or converted into Shares before the date of the issue of the Equity Securities.
- (iii) The 10% voting dilution reflects the aggregate percentage dilution against the issued Share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- (iv) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Meeting.
- (v) The table shows only the effect of issues of Equity Securities under Listing Rule
  7.1A, not under the 15% placement capacity under Listing Rule 7.1.
- (vi) The issue of Equity Securities under the 10% Placement Facility consists only of Shares. If the issue of Equity Securities includes listed Options, it is assumed that those listed Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
- (vii) The issue price is \$0.225, being the closing price of the Shares on ASX on 2 September 2021
- (d) During the 12 months prior to the proposed Meeting date of 26 October 2021 (i.e. since 27 October 2020), the Company has made no issues under Listing Rule 7.1A.

#### Voting Exclusion

The Voting Exclusion Statement is set out under the Resolution in the Notice of Meeting.

#### Schedule 3 – Summary of the Elixir Energy Ltd Employee Incentive Securities Plan

Summary of the Plan and terms on which Offers may be made:

1. Eligible Participant

Eligible Participant means a person who is a full-time or part-time employee, officer, or contractor of the Company, or an Associated Body Corporate (as defined in ASIC Class Order 14/1000), or such other person who has been determined by the Board to be eligible to participate in the Plan from time to time.

The Company will seek Shareholder approval for Director and related party participation in accordance with Listing Rule 10.14.

2. Purpose

The purpose of the Plan is to:

- (a) assist in the reward, retention and motivation of Eligible Participants;
- (b) link the reward of Eligible Participants to Shareholder value creation; and
- (c) align the interests of Eligible Participants with shareholders of the Group (being the Company and each of its Associated Bodies Corporate), by providing an opportunity to Eligible Participants to receive an equity interest in the Company in the form of Securities.
- 3. Plan administration

The Plan will be administered by the Board. The Board may exercise any power or discretion conferred on it by the Plan rules in its sole and absolute discretion. The Board may delegate its powers and discretion.

4. Eligibility, invitation and application

The Board may from time to time determine that an Eligible Participant may participate in the Plan and make an invitation to that Eligible Participant to apply for Securities on such terms and conditions as the Board decides.

On receipt of an Invitation, an Eligible Participant may apply for the Securities the subject of the invitation by sending a completed application form to the Company. The Board may accept an application from an Eligible Participant in whole or in part.

If an Eligible Participant is permitted in the invitation, the Eligible Participant may, by notice in writing to the Board, nominate a party in whose favour the Eligible Participant wishes to renounce the invitation.

5. Grant of Securities

The Company will, to the extent that it has accepted a duly completed application, grant the Participant the relevant number of Securities, subject to the terms and conditions set out in the invitation, the Plan rules and any ancillary documentation required.

6. Terms of Convertible Securities

Each 'Convertible Security' represents a right to acquire one or more Shares (for example, under an option or performance right), subject to the terms and conditions of the Plan.

Prior to a Convertible Security being exercised a Participant does not have any interest (legal, equitable or otherwise) in any Share the subject of the Convertible Security by virtue of holding

the Convertible Security. A Participant may not sell, assign, transfer, grant a security interest over or otherwise deal with a Convertible Security that has been granted to them unless otherwise determined by the Board. A Participant must not enter into any arrangement for the purpose of hedging their economic exposure to a Convertible Security that has been granted to them.

7. Vesting of Convertible Securities

Any vesting conditions applicable to the grant of Convertible Securities will be described in the invitation. If all the vesting conditions are satisfied and/or otherwise waived by the Board, a vesting notice will be sent to the Participant by the Company informing them that the relevant Convertible Securities have vested. Unless and until the vesting notice is issued by the Company, the Convertible Securities will not be considered to have vested. For the avoidance of doubt, if the vesting conditions relevant to a Convertible Security are not satisfied and/or otherwise waived by the Board, that Convertible Security will lapse.

8. Exercise of Convertible Securities and cashless exercise

To exercise a Convertible Security, the Participant must deliver a signed notice of exercise and, subject to a cashless exercise of Convertible Securities (see below), pay the exercise price (if any) to or as directed by the Company, at any time following vesting of the Convertible Security (if subject to vesting conditions) and prior to the expiry date as set out in the invitation or vesting notice.

An invitation may specify that at the time of exercise of the Convertible Securities, the Participant may elect not to be required to provide payment of the exercise price for the number of Convertible Securities specified in a notice of exercise, but that on exercise of those Convertible Securities the Company will transfer or issue to the Participant that number of Shares equal in value to the positive difference between the Market Value of the Shares at the time of exercise and the exercise price that would otherwise be payable to exercise those Convertible Securities.

Market Value means, at any given date, the volume weighted average price per Share traded on the ASX over the 5 trading days immediately preceding that given date, unless otherwise specified in an invitation.

A Convertible Security may not be exercised unless and until that Convertible Security has vested in accordance with the Plan rules, or such earlier date as set out in the Plan rules.

9. Delivery of Shares on exercise of Convertible Securities

As soon as practicable after the valid exercise of a Convertible Security by a Participant, the Company will issue or cause to be transferred to that Participant the number of Shares to which the Participant is entitled under the Plan rules and issue a substitute certificate for any remaining unexercised Convertible Securities held by that Participant.

10. Forfeiture of Convertible Securities

Where a Participant who holds Convertible Securities ceases to be an Eligible Participant or becomes insolvent, all unvested Convertible Securities will automatically be forfeited by the Participant, unless the Board otherwise determines in its discretion to permit some or all of the Convertible Securities to vest.

Where the Board determines that a Participant has acted fraudulently or dishonestly; committed an act which has brought the Company, the Group or any entity within the Group into disrepute, or wilfully breached his or her duties to the Group or where a Participant is convicted of an offence

in connection with the affairs of the Group; or has a judgment entered against him or her in any civil proceedings in respect of the contravention by the Participant of his or her duties at law, in equity or under statute, in his or her capacity as an employee, consultant or officer of the Group, the Board may in its discretion deem all unvested Convertible Securities held by that Participant to have been forfeited.

Unless the Board otherwise determines, or as otherwise set out in the Plan rules:

- (a) any Convertible Securities which have not yet vested will be forfeited immediately on the date that the Board determines (acting reasonably and in good faith) that any applicable vesting conditions have not been met or cannot be met by the relevant date; and
- (b) any Convertible Securities which have not yet vested will be automatically forfeited on the expiry date specified in the invitation or vesting notice.

#### 11. Change of control

If a change of control event occurs in relation to the Company, or the Board determines that such an event is likely to occur, the Board may in its discretion determine the manner in which any or all of the Participant's Convertible Securities will be dealt with, including, without limitation, in a manner that allows the Participant to participate in and/or benefit from any transaction arising from or in connection with the change of control event provided that, in respect of Convertible Securities, the maximum number of Convertible Securities (that have not yet been exercised) that the Board may determine will vest and be exercisable into Shares under this Rule is that number of Convertible Securities that is equal to 10% of the Shares on issue immediately following vesting under this Rule, which as far as practicable will be allocated between holders on a pro-rata basis on the basis of their holdings of Convertible Securities on the date of determination of vesting.

12. Rights attaching to Plan Shares

All Shares issued or transferred under the Plan, or issued or transferred to a Participant upon the valid exercise of a Convertible Security, (**Plan Shares**) will rank pari passu in all respects with the Shares of the same class. A Participant will be entitled to any dividends declared and distributed by the Company on the Plan Shares and may participate in any dividend reinvestment plan operated by the Company in respect of Plan Shares. A Participant may exercise any voting rights attaching to Plan Shares.

13. Disposal restrictions on Plan Shares

If the invitation provides that any Plan Shares are subject to any restrictions as to the disposal or other dealing by a Participant for a period, the Board may implement any procedure it deems appropriate to ensure the compliance by the Participant with this restriction.

For so long as a Plan Share is subject to any disposal restrictions under the Plan, the Participant will not:

- (a) transfer, encumber or otherwise dispose of, or have a security interest granted over that Plan Share; or
- (b) take any action or permit another person to take any action to remove or circumvent the disposal restrictions without the express written consent of the Company.
- 14. Adjustment of Convertible Securities

If there is a reorganisation of the issued share capital of the Company (including any subdivision, consolidation, reduction, return or cancellation of such issued capital of the Company), the rights

of each Participant holding Convertible Securities will be changed to the extent necessary to comply with the Listing Rules applicable to a reorganisation of capital at the time of the reorganisation.

If Shares are issued by the Company by way of bonus issue (other than an issue in lieu of dividends or by way of dividend reinvestment), the holder of Convertible Securities is entitled, upon exercise of the Convertible Securities, to receive an issue of as many additional Shares as would have been issued to the holder if the holder held Shares equal in number to the Shares in respect of which the Convertible Securities are exercised.

Unless otherwise determined by the Board, a holder of Convertible Securities does not have the right to participate in a pro rata issue of Shares made by the Company or sell renounceable rights.

15. Participation in new issues

There are no participation rights or entitlements inherent in the Convertible Securities and holders are not entitled to participate in any new issue of Shares of the Company during the currency of the Convertible Securities without exercising the Convertible Securities.

16. Compliance with applicable law

No Security may be offered, grated, vested or exercised if to do so would contravene any applicable law. In particular, the Company must have reasonable grounds to believe, when making an invitation, that the total number of Plan Shares that may be issued upon exercise of Convertible Securities offer when aggregated with the number of Shares issued or that may be issued as a result of offers made at any time during the previous three year period under:

- an employee incentive scheme of the Company covered by ASIC Class Order 14/1000; or
- (ii) an ASIC exempt arrangement of a similar kind to an employee incentive scheme,

but disregarding any offer made or securities issued in the capital of the Company by way of or as a result of:

- (iii) an offer to a person situated at the time of receipt of the offer outside Australia;
- (iv) an offer that did not need disclosure to investors because of section 708 of the Corporations Act (exempts the requirement for a disclosure document for the issue of securities in certain circumstances to investors who are deemed to have sufficient investment knowledge to make informed decisions, including professional investors, sophisticated investors and senior managers of the Company); or
- (v) an offer made under a disclosure document,

would exceed 5% (or such other maximum permitted under any applicable law) of the total number of Shares on issue at the date of the invitation.

#### 17. Maximum number of Securities

The Company will not make an invitation under the Plan if the number of Plan Shares that may be issued, or acquired upon exercise of Convertible Securities offered under an invitation, when aggregated with the number of Shares issued or that may be issued as a result of all invitations under the Plan, will exceed 15% of the total number of issued Shares at the date of the invitation.

#### 18. Amendment of Plan

Subject to the following paragraph, the Board may at any time amend any provisions of the Plan rules, including (without limitation) the terms and conditions upon which any Securities have been granted under the Plan and determine that any amendments to the Plan rules be given retrospective effect, immediate effect or future effect.

No amendment to any provision of the Plan rules may be made if the amendment materially reduces the rights of any Participant as they existed before the date of the amendment, other than an amendment introduced primarily for the purpose of complying with legislation or to correct manifest error or mistake, amongst other things, or is agreed to in writing by all Participants.

#### 19. Plan duration

The Plan continues in operation until the Board decides to end it. The Board may from time to time suspend the operation of the Plan for a fixed period or indefinitely, and may end any suspension. If the Plan is terminated or suspended for any reason, that termination or suspension must not prejudice the accrued rights of the Participants.

If a Participant and the Company (acting by the Board) agree in writing that some or all of the Securities granted to that Participant are to be cancelled on a specified date or on the occurrence of a particular event, then those Securities may be cancelled in the manner agreed between the Company and the Participant.

#### 20. Income Tax Assessment Act

The Plan is a plan to which Subdivision 83A-C of the Income Tax Assessment Act 1997 (Cth) applies (subject to the conditions in that Act).
