## Reliance on ASX Class Waiver Decision

The Board of Ultima United Limited (the “**Company**” or “**UUL**”) advises that it is relying on ASX’s Class Waiver Decision – Extended reporting and Lodgement Deadlines issued on 3 May 2021 whereby the ASX granted all entities admitted to the official list the benefit of the Amended ASIC Relief to extend the lodgement date for its audited annual accounts and other documents required to be lodged with ASIC under section 319 of the *Corporations Act 2001* (Cth).

The Company confirms that it will immediately make a further announcement to the market if there is a material difference between its unaudited annual accounts and its audited annual accounts.
