¹ “Corporate governance statement” is defined in Listing Rule 19.12 to mean the statement referred to in Listing Rule 4.10.3 which discloses the extent to which an entity has followed the recommendations set by the ASX Corporate Governance Council during a particular reporting period.

Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of Listing Rule 4.10.3.

Under Listing Rule 4.7.3, an entity must also lodge with ASX a completed Appendix 4G at the same time as it lodges its annual report with ASX. The Appendix 4G serves a dual purpose. It acts as a key designed to assist readers to locate the governance disclosures made by a listed entity under Listing Rule 4.10.3 and under the ASX Corporate Governance Council’s recommendations. It also acts as a verification tool for listed entities to confirm that they have met the disclosure requirements of Listing Rule 4.10.3.

The Appendix 4G is not a substitute for, and is not to be confused with, the entity’s corporate governance statement. They serve different purposes and an entity must produce each of them separately.

² Tick whichever option is correct and then complete the page number(s) of the annual report, or the URL of the web page, where your corporate governance statement can be found. You can, if you wish, delete the option which is not applicable.

³ Throughout this form, where you are given two or more options to select, you can, if you wish, delete any option which is not applicable and just retain the option that is applicable. If you select an option that includes “OR” at the end of the selection and you delete the other options, you can also, if you wish, delete the “OR” at the end of the selection.

See notes 4 and 5 below for further instructions on how to complete this form.

Corporate Governance Statement

For the period ended 30 June 2021

The Board of Directors of Advanced Braking Technology Limited ('ABT') aims to achieve appropriate standards of corporate governance and has established corporate governance policies and procedures, where practicable, consistent with the ASX Corporate Governance Council's '*Corporate Governance Principles and Recommendations – 4th Edition*' (*ASX Principles or Recommendation*), which became effective on 1 July 2020.

In ensuring appropriate standard of ethical behaviour and accountability, the Board has included in its corporate governance policies those matters contained in the ASX Recommendations where applicable. However, the Board also recognises that full adoption of the above ASX Recommendations may not be practical nor provide the optimal result given the particular circumstances and structure of the Company. The Board is, nevertheless, committed to ensuring that appropriate Corporate Governance practices are in place for the proper direction and management of the Company. This statement outlines the main Corporate Governance practices of the Company disclosed under the ASX Recommendations, including those that comply with best practice and which unless otherwise stated, were in place during the whole of the period to the date of this statement.

Details have been included in this statement setting out the ASX Best Practice Recommendations with which the Company has and has not complied in the reporting period. This Corporate Governance Statement has been approved by the Board on 30 September 2021.

Details of the Company's corporate governance practices in the relevant reporting period are set out below.

| <p>Recommendation 1.5</p> <p>A listed entity should:</p> <ul style="list-style-type: none"> (a) have and disclose a diversity policy; (b) through its board or a committee of the board set measurable objectives for achieving gender diversity in the composition of its board, senior executives and workforce generally; and (c) disclose in relation to each reporting period: <ul style="list-style-type: none"> (1) the measurable objectives set for that period to achieve gender diversity; (2) the entity’s progress towards achieving those objectives; and (3) either: <ul style="list-style-type: none"> (A) the respective proportions of men and women on the board, in senior executive positions and across the whole workforce (including how the entity has defined “senior executive” for these purposes); or (B) if the entity is a “relevant employer” under the Workplace Gender Equality Act, the entity’s most recent “Gender Equality Indicators”, as defined in and published under that Act. <p>If the entity was in the S&P/ASX 300 Index at the commencement of the reporting period, the measurable objective for achieving gender diversity in the composition of its board should be to have not less than 30% of its directors of each gender within a specified period.</p> | <p>Partially</p> | <p>Diversity includes, but is not limited to, race, religion, gender, age and any other irrelevant point of difference. The Company is committed to diversity and recognises the benefits arising from employee and Board diversity and the importance of benefiting from all available talent. Accordingly, the Company has established a diversity policy which is provided to all staff with responsibility for recruitment.</p> <p>This diversity policy outlines requirements for the Board to develop measurable objectives for achieving diversity, and annually assess both the objectives and the progress in achieving those objectives. Accordingly, the Board has developed the following objectives regarding gender diversity and aims to achieve these objectives as positions become vacant and appropriately qualified candidates become available:</p> <table border="1" data-bbox="1227 683 1912 976" style="margin-left: auto; margin-right: auto;"> <thead> <tr> <th rowspan="3"></th> <th colspan="2">Actual</th> <th colspan="2">Objectives</th> </tr> <tr> <th colspan="2">2021</th> <th colspan="2">2022</th> </tr> <tr> <th>No.</th> <th>%</th> <th>No.</th> <th>%</th> </tr> </thead> <tbody> <tr> <td>Women on the Board</td> <td>1</td> <td>25</td> <td>1</td> <td>25</td> </tr> <tr> <td>Women in senior executive positions</td> <td>1</td> <td>20</td> <td>1</td> <td>20</td> </tr> <tr> <td>Women employees in the Company</td> <td>4</td> <td>19</td> <td>5</td> <td>25</td> </tr> </tbody> </table> <p>However, given the size of the Company, the scale of its operations and workforce, the Board is of the view that measurable objectives for achieving gender diversity are not required or practical at this time. As vacancies become available within the organisation the Company undertakes recruitment processes to ensure an appropriately diverse candidate pool is available to select successful applicants based on appropriate skills, experience and qualifications. | <p>Recommendation 2.3</p> <p>A listed entity should disclose:</p> <p>(a) the names of the directors considered by the Board to be independent directors;</p> <p>(b) if a director has an interest, position or relationship of the type described in Box 2.3 but the board is of the opinion that it does not compromise the independence of the director, the nature of the interest, position or relationship in question and an explanation of why the board is of that opinion; and</p> <p>(c) the length of service of each Director</p> | Yes | <p>The Board of Directors are considered to be independent when they are independent of management and free from any business or other relationship that could materially interfere with, or could reasonably be perceived to materially interfere with, the exercise of their unfettered and independent judgment. In the context of director independence, “materiality” is considered from both the Company and individual director perspective. The determination of materiality requires consideration of both quantitative and qualitative elements. An item is presumed to be quantitatively immaterial if it is equal to or less than 5% of the appropriate base amount. It is presumed to be material (unless there is qualitative evidence to the contrary) if it is equal to or greater than 10% of the appropriate base amount.</p> <p>Qualitative factors considered include whether a relationship is strategically important, the competitive landscape, the nature of the relationship and the contractual or other arrangement governing it and other factors that point to the actual ability of the director in question to shape the direction of the Company’s loyalty.</p> <p>The ASX Corporate Governance Council identifies factors relevant to assessing the independence of a director. These include:</p> <ul style="list-style-type: none"> • the length of service of each director; • employment in an executive capacity by the entity; • has a material business relationship or is a provider of material professional services to the entity; • is a substantial shareholder of the entity; • has a material contractual relationship with the entity; or • a close family tie with any person within any of the categories described above. <p>In accordance with the definition of the independence above, and the materiality threshold set, refer to below for the assessment of independence of each Director of Advanced Braking Technology Ltd:</p> |
