3 Resolution 1 – Remuneration Report

3.1 Overview

Subsection 250R(2) of the Corporations Act requires that at a listed company's annual general meeting, a resolution that the Remuneration Report be adopted must be put to the Shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company. The Directors' Report contains the Remuneration Report which sets out the remuneration policy for the Company and the remuneration arrangements in place for the executive Directors, specified executives and non-executive Directors.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the Remuneration Report at the Meeting.

3.2 Voting consequences

In accordance with subsection 250R(3) of the Corporations Act, Resolution 1 is advisory only and does not bind the Directors. If Resolution 1 is not passed, the Directors will not be required to alter any of the arrangements in the Remuneration Report. However, the Board will actively consider the outcome of the vote and comments made by Shareholders on the Remuneration Report when reviewing the Company's future remuneration policies and practices.

If the Company's Remuneration Report receives a 'no' vote of 25% or more (**Strike**) at two consecutive annual general meetings, Shareholders will have the opportunity to remove the whole Board, except the managing director (if any).

Where a resolution on the Remuneration Report receives a Strike at two consecutive annual general meetings, the Company will be required to put to Shareholders at the second annual general meeting a resolution on whether another meeting should be held (within 90 days) at which all Directors (other than the managing director, if any) who were in office at the date of approval of the applicable Directors' Report must stand for re-election.

3.3 Previous voting results

The Company's Remuneration Report did not receive a Strike at the 2020 annual general meeting. If the Remuneration Report receives a Strike at this Meeting, Shareholders should be aware that if a second Strike is received at the 2022 annual general meeting this may result in the re-election of the Board.

The Chair will allow a reasonable opportunity for Shareholders as a whole to ask about or make comments on the Remuneration Report.

Resolution 1 is an ordinary resolution. The Board encourages Shareholders to vote on the adoption of the Remuneration Report.

4 Resolution 2 – Election of Director – Mr Jeff Elliott

4.1 General

Article 7.6(a) of the Constitution allows the Board to appoint, at any time, a person to be a Director either to fill a casual vacancy or as an addition to the existing Directors.

Pursuant to Article 7.6(b) of the Constitution, any Director so appointed may retire at the next annual general meeting of the Company and is then eligible for election by Shareholders.

Pursuant to Article 7.6(c) of the Constitution, any Director so appointed holds office until the conclusion of the next annual general meeting of the Company but is eligible for election by Shareholders at that meeting.

On 18 June 2021, Mr Jeff Elliott was appointed as a Non-Executive Chairman of the Company.

Accordingly, Mr Jeff Elliott resigns as a Director at the Meeting and, being eligible, seeks approval to be elected as a Director pursuant to Resolution 2.

If Shareholders approve Resolution 2, the Board considers Mr Jeff Elliott to be independent, notwithstanding that he may be granted Incentive Options pursuant to Resolution 5. The Board considers that the number of Incentive Options in question is not material, and the interest will not interfere, or reasonably be seen to interfere, with Mr Jeff Elliott's capacity to bring an independent judgement to bear on issues before the Board and to act in the best interest of the Company as a whole.

Resolution 2 is an ordinary resolution. The Board (other than Mr Elliott) recommends that Shareholders vote in favour of Resolution 2.

4.2 Mr Jeff Elliott

Mr Elliott is the former Managing Director of CSA Global, a position he held since 2007 and finalised in late 2020 after completing a sale of the business to leading sustainability firm ERM. Under his leadership CSA became recognised as one of the top mining consulting firms globally. Mr Elliott was instrumental in its growth over the last two decades having diversified the company's services, spread its geographical reach, and identified and executed key bolt-on acquisitions. CSA's success under Mr Elliott was recognised with export awards from the state government and Austmine.

Mr Elliott has over 30 years' experience in the mining industry during which time he has developed broad capabilities in project evaluation, exploration, resources development and mining for a wide variety of commodities in diverse geological setting and locations. Mr Elliott has significant technical experience in exploration, project assessment, technical valuations, independent reporting and corporate advice. Mr Elliott also has strong financial, business management, communication, and strategy development and implementation skills.

Mr Elliott is a director and shareholder of Southern Geoscience Consultants, a leading Australian geophysics consulting firm based in Perth, Western Australia. Mr Elliott is also a director and shareholder of successful private companies Ausino Drilling Services, CorePlan and Ever Nimble and industrial minerals explorer Thessally Resources.

Mr Elliott has held no other directorships with listed companies in the past 3 years.

Mr Elliott has acknowledged to the Company that he will have sufficient time to fulfil his responsibilities as Non-Executive Chairman.

5 Resolution 3 – Re-election of Director – Mr Alexander Hewlett

5.1 General

Article 7.2(a) of the Constitution and Listing Rule 14.4 both provide that a Director (excluding the Managing Director) must not hold office without re-election past the third annual general meeting following that Director's appointment or 3 years, whichever is longer.

Article 7.4 of the Constitution provides that a Director who retires in accordance with Article 7.2 is eligible for re-election.

Non-Executive Director, Mr Alexander Hewlett was last elected at the annual general meeting held on 29 November 2019. Accordingly, Mr Alexander Hewlett retires at this Meeting and, being eligible, seeks re-election pursuant to Resolution 3.

If elected, Mr Alexander Hewlett is considered to be an independent Director notwithstanding that he receives performance based remuneration from the Company remuneration as it is considered reasonable remuneration in the circumstances.

5.2 Mr Alexander Hewlett

Mr Hewlett has a degree in Geology from the University of Western Australia. Mr Hewlett has an extensive background in public companies including involvement in initial public offerings, reverse takeovers and capital raisings and has been an active board member of several ASX-listed companies.

In addition to his role as Non-Executive Director of Wildcat Resources Limited, Mr Hewlett is a founding Director of Black Cat Syndicate (ASX:BC8) and Non-Executive Chairman of Red Dirt Metals Limited (ASX: RDT), and was previously Non-Executive Chairman of Spectrum Metals Limited (ASX:SPX) and Managing Director of Hamer Metals, a copper explorer with projects in the Mt Isa region of Queensland.

Spectrum Metals Limited	8 March 2017	Resigned 6 May 2020
Red Dirt Metals Limited	4 December 2020	Current

6 Resolution 4 – Approval of the Additional 10% Placement Capacity

6.1 General

Listing Rule 7.1A provides that an 'eligible entity' may seek shareholder approval by special resolution passed at an annual general meeting to have the capacity to issue up to that number of Equity Securities equal to 10% of its issued capital at the time of issue calculated in accordance with the formula prescribed in Listing Rule 7.1A.2 (**Additional 10% Placement Capacity**) without using that company's existing 15% annual placement capacity under Listing Rule 7.1 and without requiring further shareholder approval prior to the issue.

The Company is seeking approval under Resolution 4 to have the flexibility to issue additional Equity Securities under the Additional 10% Placement Capacity. As at the date of this Notice, no decision has been made by the Company to undertake any issue of Equity Securities under the Additional 10% Placement Capacity if Shareholders approve this Resolution.

Resolution 4 seeks Shareholder approval by way of a special resolution to provide the Company the ability to issue Equity Securities under the Additional 10% Placement Capacity during the Additional 10% Placement Period (refer to section 6.3(a) below). The number of Equity Securities to be issued under the Additional 10% Placement Capacity will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2.

If Resolution 4 is passed, the Company will effectively be able to issue equity securities up to a combined annual placement capacity of 25% under Listing Rules 7.1 and 7.1A (subject to certain restrictions) without necessarily requiring prior Shareholder approval.

If Resolution 4 is not passed, the Company will not be able to access the Additional 10% Placement Capacity to issue equity securities without Shareholder approval. This means the Company will only have access to the 15% annual placement capacity for issuing equity securities without necessarily requiring prior Shareholder approval under Listing Rule 7.1.

The Board recommends that Shareholders vote in favour of Resolution 4.

6.2 Listing Rule 7.1A

(a) Eligible Entity

Under the Listing Rules, an 'eligible entity' is an entity which, as at the date of the relevant resolution, is not included in the S&P/ASX300 Index and has a market capitalisation (excluding restricted securities and securities quoted on a deferred settlement basis) equal to or less than \$300 million. The Company is currently an 'eligible entity'. The Company's market capitalisation, based on the closing price of Shares on 5 October 2021 of \$0.33 per Share, is approximately \$17.07 million and the Company is therefore an 'eligible entity'.

(b) Special resolution

Resolution 4 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholder's present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

(c) **Type of Securities which may be issued**

Any Equity Securities issued under the Additional 10% Placement Capacity must be in the same class as an existing quoted class of Equity Securities of the company.

As at the date of the Notice, the Company has on issue one quoted class of Equity Securities: Shares.

(d) **Interaction with Listing Rule 7.1**

The Additional 10% Placement Capacity under Listing Rule 7.1A is in addition to the Company's 15% placement capacity under Listing Rule 7.1. Therefore, approval of this Resolution will enable the Company to issue Equity Securities under Listing Rule 7.1A without using its placement capacity under Listing Rule 7.1.

(e) **Effect of Resolution 4**

The effect of Resolution 4 will be to allow the Directors to issue the Equity Securities under Listing Rule 7.1A during the Additional 10% Placement Period without further Shareholder approval or using the Company's 15% annual placement capacity under Listing Rule 7.1.

6.3 Information required by Listing Rule 7.3A

Pursuant to and in accordance with Listing Rule 7.3A, the following information is provided in relation to the Additional 10% Placement Capacity:

(a) **Effective period**

Shareholder approval of the Additional 10% Placement Capacity is valid from the date of the Meeting and expires on the earlier of:

- (i) the date that is 12 months after the Meeting;
- (ii) the time and date of the Company's next annual general meeting; and
- (iii) the date that Shareholders approve a transaction under Listing Rule 11.1.2 (significant change to nature or scale of activities) or 11.2 (change involving main undertaking),

(Additional 10% Placement Period).

(b) **Minimum issue price**

The issue price of Equity Securities issued under the Additional 10% Placement Capacity must be not less than 75% of the VWAP of Equity Securities in the same class calculated over the 15 Trading Days on which trades in that class were recorded immediately before:

- (i) the date on which the issue price is agreed for Equity Securities; or
- (ii) if the Equity Securities are not issued within 10 Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued,

(Minimum Issue Price).

The Company will disclose this information when Equity Securities are issued under the Additional 10% Placement Capacity.

(c) **Purpose of issue**

The Company may only issue Equity Securities under the Additional 10% Placement Capacity for cash consideration, which it may do to fund any one or more of the following:

- (i) general working capital expenses;
- (ii) activities associated with its current assets including the Mt Adrah Gold Project, Bolt Cutter Gold Project and Fraser Range Project, generally;
- (iii) repayment of debt; and
- (iv) acquisition and investment in new assets (including associated expenses).

The Company will disclose this information when Equity Securities are issued under the Additional 10% Placement Capacity.

(d) **Economic and voting dilution risks**

If Equity Securities are issued under the Additional 10% Placement Capacity, there is a risk of economic and voting dilution of Shareholders, including:

- (i) the market price for Equity Securities in the class of securities issued under the Additional 10% Placement Capacity may be significantly lower on the issue date than on the date of approval under Listing Rule 7.1A (i.e. the date of the Meeting); and
- (ii) the Equity Securities may be issued under the Additional 10% Placement Capacity at a discount to the market price for those Equity Securities on the issue date,

which may have an effect on the amount of funds raised from the issue of the Equity Securities.

The table below illustrates:

- (i) the dilution of existing Shareholders on the basis of the market price of Shares and the number of ordinary securities for variable 'A' calculated in accordance with the formula in Listing Rule 7.1A.2 as at the date of the Notice (**Variable A**);
- (ii) two examples where variable 'A' has increased, by 50% and 100%. Variable 'A' is based on the number of ordinary securities the Company has on issue as at the date of this Notice. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (e.g. a pro rata entitlement offer or securities issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future general meeting; and
- (iii) two examples of where the issue price of ordinary securities has decreased by 50% and increased by 50% as against the market price as at 5 October 2021.

Number of Shares on issue (Variable 'A' in Listing Rule 7.1A2)	Issue price per Share			
		\$0.017 (50% decrease)	\$0.033 (current)	\$0.05 (50% increase)
517,500,000 (current)	Shares issued – 10% voting dilution	51,750,000 Shares	51,750,000 Shares	51,750,000 Shares
	Funds raised	\$853,875	\$1,707,750	\$2,561,625
776,250,000 (50% increase)	Shares issued – 10% voting dilution	77,625,000 Shares	77,625,000 Shares	77,625,000 Shares
	Funds raised	\$1,280,813	\$2,561,625	\$3,842,438
1,035,000,000 (100% increase)	Shares issued – 10% voting dilution	103,500,000 Shares	103,500,000 Shares	103,500,000 Shares
	Funds raised	\$1,707,750	\$3,415,500	\$5,123,250

Notes:

- 1 There are currently 517,500,000 Shares on issue (including Shares subject to escrow).
- 2 The issue price used is the closing price of the Shares on the ASX on 5 October 2021.
- 3 The Company issues the maximum possible number of Equity Securities under the Additional 10% Placement Capacity.
- 4 The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in Listing Rule 7.2 or with approval under Listing Rule 7.1.
- 5 The issue of Equity Securities under the Additional 10% Placement Capacity consists only of Shares and the consideration provided for those Shares is cash. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities. If the issue of Equity Securities includes new Options, it is assumed that those new Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
- 6 The calculations do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
- 7 This table does not set out any dilution pursuant to approvals under Listing Rule 7.1.
- 8 The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.

(e) Allocation policy

The Company's allocation policy and the identity of the recipients of Equity Securities issued under the Additional 10% Placement Capacity will be determined on a case-by-case basis at the time of issue and in the Company's discretion.

No decision has been made in relation to an issue of Equity Securities under the Additional 10% Placement Capacity, including whether the Company will engage with new investors or existing Shareholders and, if so, the identities of any such persons.

However, when determining the allocation policy and the identity of the recipients, the Company will have regard to the following considerations:

- (i) prevailing market conditions;
- (ii) the purpose for the issue of the Equity Securities;
- (iii) the financial situation and solvency of the Company;
- (iv) impacts of the placement on control;
- (v) other methods of raising capital; and
- (vi) advice from corporate, financial and broking advisers (if applicable).

Recipients may include existing Shareholders or new investors, but not persons who are related parties who would otherwise require Shareholder approval under Listing Rule 10.11.

(f) **Previous approval and issues under Listing Rule 7.1A**

The Company has previously obtained Shareholder approval under Listing Rule 7.1A at its annual general meeting held on 27 November 2020.

In the 12 months preceding the date of the Meeting and as at the date of this Notice, the Company has not issued any Equity Securities.

(g) **Voting exclusion statement**

A voting exclusion statement is included in the Notice.

7 Resolution 5 – Approval to issue Incentive Options to Mr Jeff Elliott

7.1 General

The Board has agreed, subject to obtaining Shareholder approval, to issue a total of 9,000,000 unquoted Options to Mr Jeff Elliott (or his nominees) as part of his remuneration as Director of the Company (**Incentive Options**).

The Company is in an important stage of development with significant opportunities and challenges in both the near and long-term, and the proposed issue seeks to align the efforts of the Directors in seeking to achieve growth of the Share price and in the creation of Shareholder value. In addition, the Board also believes that incentivising with Incentive Options is a prudent means of conserving the Company's available cash reserves. The Board believes it is important to offer these Incentive Options to continue to attract and maintain highly experienced and qualified Board members in a competitive market.

The Incentive Options are to be issued under the terms of the Wildcat Resources Employee Securities Incentive Plan (**Plan**), which is summarised in Schedule 4.

Resolution 5 seeks Shareholder approval pursuant to Listing Rule 10.14 for the issue of up to a total of 9,000,000 Incentive Options under the Plan to Mr Jeff Elliott (or his nominee).

Resolution 5 is an ordinary resolution. The Board (excluding Mr Elliott) recommends that Shareholders vote in favour of Resolution 5.

7.2 Listing Rule 10.14

Listing Rule 10.14 requires shareholder approval to be obtained where an entity issues, or agrees to issue, Equity Securities under an employee incentive scheme to:

unless it obtains the approval of its shareholders.

If Resolution 5 is passed the Company will be able to proceed with the issue of the Incentive Options to Mr Elliott or his nominee and Mr Elliott will be remunerated accordingly.

If Resolution 5 is not passed, the Company will not be able to proceed with the issue of the Incentive Options to Mr Elliott (or his nominees) and the Company may need to consider other forms of incentive remuneration to remunerate Mr Elliott, including by the payment of cash.

As Shareholder approval is sought under Listing Rule 10.14, approval under Listing Rules 7.1 or 10.11 is not required.

7.4 Chapter 2E of the Corporations Act

In accordance with Chapter 2E of the Corporations Act, in order to give a financial benefit to a related party, the Company must:

- (a) obtain Shareholder approval in the manner set out in section 217 to 227 of the Corporations Act; and

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The Board (other than Mr Elliott, who has a material personal interest in Resolution 5) considers that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the issue of the Incentive Options as the agreement to grant the Incentive Options, reached as part of the remuneration package for Mr Elliott, is considered reasonable remuneration in the circumstances and was negotiated on arm's length terms.

- 5 (**Vesting Conditions**) the exercise of the Options is subject to satisfaction of the following vesting conditions before the Expiry Date:
 - (a) 50% vest on the date that is 12 months after the engagement of Mr Elliott as Non-Executive Chairman, being 18 June 2022; and

- 10 **(Shares issued on exercise):** Shares issued on exercise of the Options rank equally with the then Shares of the Company.
- 11 **(Quotation of Shares on exercise):** If existing Shares are quoted on ASX, application will be made by the Company to ASX, on the business day the Shares are issued, for quotation of the Shares issued upon the exercise of the Options.

- 14 **(Participation in new issues):** There are no participation rights or entitlements inherent in the Options and holders will not be entitled to participate in new issues of capital offered to Shareholders during the currency of the Options. However, the Company will ensure that for the purposes of determining entitlements to any such issue, the record date will be at least 3 business days after the issue is announced. This will give the holders of Options the opportunity to exercise their Options prior to the date for determining entitlements to participate in any such issue.
- 15 **(Adjustment for bonus issues of Shares):** If the Company makes a bonus issue of Shares or other securities to existing Shareholders (other than an issue in lieu or in satisfaction of dividends or by way of dividend reinvestment):
- (a) the number of Shares which must be issued on the exercise of an Option will be increased by the number of Shares which the Option holder would have received if the Option holder had exercised the Option before the record date for the bonus issue; and

(b) no change will be made to the Exercise Price.

- 16 **(Adjustment for entitlements issue):** If the Company makes an issue of Shares pro rata to existing Shareholders (other than as a bonus issue, to which paragraph 17 will apply) there will be no adjustment of the Exercise Price of an Option or the number of Shares over which the Options are exercisable.
- 17 **(Adjustments for reorganisation):** In the event that the issued capital of the Company is reorganised (including consolidation, subdivision, reduction or return), all the holder's rights as a holder of Options will be changed to the extent necessary to comply with the Listing Rules at the time of reorganisation provided that, subject to compliance with the Listing Rules, following such reorganisation the holder's economic and other rights are not diminished or terminated.
- 18 **(Leaver)** Where the holder of the Options (or the relevant Eligible Participant in the case of a Permitted Nominee) of the Options is no longer employed, or their office or engagement is discontinued with the Company, any unvested Options will automatically lapse and be forfeited by the holder, unless the Board otherwise determines in its discretion.

Schedule 4 – Wildcat Resources Employee Incentive Plan

A summary of the key terms of the Plan is set out below:

- 2 **(Eligible Participant):** Eligible Participant means a person that:
- (a) is an "eligible participant" (as that term is defined in ASIC Class Order [CO 14/1000]) in relation to the Company or an Associated Body Corporate (as that term is defined in ASIC Class Order [14/1000]); and
 - (b) has been determined by the Board to be eligible to participate in the Plan from time to time.
- 3 **(Purpose):** The purpose of the Plan is to:
- (a) assist in the reward, retention and motivation of Eligible Participants;
 - (b) link the reward of Eligible Participants to Shareholder value creation; and
 - (c) align the interests of Eligible Participants with shareholders of the Group (being the Company and each of its Associated Bodies Corporate), by providing an opportunity to Eligible Participants to receive an equity interest in the Company in the form of Securities.
- 4 **(Plan administration):** The Plan will be administered by the Board. The Board may exercise any power or discretion conferred on it by the Plan rules in its sole and absolute discretion. The Board may delegate its powers and discretion.
- 5 **(Eligibility, invitation and application):** The Board may from time to time determine that an Eligible Participant may participate in the Plan and make an invitation to that Eligible Participant to apply for Securities on such terms and conditions as the Board decides. On receipt of an Invitation, an Eligible Participant may apply for the Securities the subject of the invitation by sending a completed application form to the Company. The Board may accept an application from an Eligible Participant in whole or in part. If an Eligible Participant is permitted in the invitation, the Eligible Participant may, by notice in writing to the Board, nominate a party in whose favour the Eligible Participant wishes to renounce the invitation.
- 6 **(Grant of Securities):** The Company will, to the extent that it has accepted a duly completed application, grant the Participant the relevant number of Securities, subject to the terms and conditions set out in the invitation, the Plan rules and any ancillary documentation required.
- 7 **(Terms of Convertible Securities):** Each 'Convertible Security' represents a right to acquire one or more Shares (for example, under an option or performance right), subject to the terms and conditions of the Plan. Prior to a Convertible Security being exercised a Participant does not have any interest (legal, equitable or otherwise) in any Share the subject of the Convertible Security by virtue of holding the Convertible Security. A Participant may not sell, assign, transfer, grant a security interest over or otherwise deal with a Convertible Security that has been granted to them. A Participant must not enter into any arrangement for the purpose of hedging their economic exposure to a Convertible Security that has been granted to them.
- 8 **(Vesting of Convertible Securities):** Any vesting conditions applicable to the grant of Convertible Securities will be described in the invitation. If all the vesting conditions are satisfied and/or otherwise waived by the Board, a vesting notice will be sent to the Participant by the Company informing them that the relevant Convertible Securities have vested. Unless and until the vesting notice is issued by the Company, the Convertible Securities will not be considered to have vested. For the avoidance of doubt, if the vesting conditions relevant to a Convertible Security are not satisfied and/or otherwise waived by the Board, that Convertible Security will lapse.
- 9 **(Exercise of Convertible Securities and cashless exercise):** To exercise a Convertible Security, the Participant must deliver a signed notice of exercise and, subject to a cashless exercise of

Convertible Securities (see below), pay the exercise price (if any) to or as directed by the Company, at any time prior to the earlier of any date specified in the vesting notice and the expiry date as set out in the invitation. At the time of exercise of the Convertible Securities, subject to Board approval at that time, the Participant may elect not to be required to provide payment of the exercise price for the number of Convertible Securities specified in a notice of exercise, but that on exercise of those Convertible Securities the Company will transfer or issue to the Participant that number of Shares equal in value to the positive difference between the Market Value of the Shares at the time of exercise and the exercise price that would otherwise be payable to exercise those Convertible Securities.

'Market Value' means, at any given date, the volume weighted average price per Share traded on the ASX over the five trading days immediately preceding that given date, unless otherwise specified in an invitation.

A Convertible Security may not be exercised unless and until that Convertible Security has vested in accordance with the Plan rules, or such earlier date as set out in the Plan rules.

- 10 **(Delivery of Shares on exercise of Convertible Securities):** As soon as practicable after the valid exercise of a Convertible Security by a Participant, the Company will issue or cause to be transferred to that Participant the number of Shares to which the Participant is entitled under the Plan rules and issue a substitute certificate for any remaining unexercised Convertible Securities held by that Participant.
- 11 **(Forfeiture of Convertible Securities):** Where a Participant who holds Convertible Securities ceases to be an Eligible Participant or becomes insolvent, all unvested Convertible Securities will automatically be forfeited by the Participant, unless the Board otherwise determines in its discretion to permit some or all of the Convertible Securities to vest. Where the Board determines that a Participant has acted fraudulently or dishonestly, or wilfully breached his or her duties to the Group, the Board may in its discretion deem all unvested Convertible Securities held by that Participant to have been forfeited.

Unless the Board otherwise determines, or as otherwise set out in the Plan rules:

 - (a) any Convertible Securities which have not yet vested will be forfeited immediately on the date that the Board determines (acting reasonably and in good faith) that any applicable vesting conditions have not been met or cannot be met by the relevant date; and
 - (b) any Convertible Securities which have not yet vested will be automatically forfeited on the expiry date specified in the invitation.
- 12 **(Change of control):** If a change of control event occurs in relation to the Company, or the Board determines that such an event is likely to occur, the Board may in its discretion determine the manner in which any or all of the Participant's Convertible Securities will be dealt with, including, without limitation, in a manner that allows the Participant to participate in and/or benefit from any transaction arising from or in connection with the change of control event.
- 13 **(Rights attaching to Plan Shares):** All Shares issued under the Plan, or issued or transferred to a Participant upon the valid exercise of a Convertible Security, **(Plan Shares)** will rank pari passu in all respects with the Shares of the same class. A Participant will be entitled to any dividends declared and distributed by the Company on the Plan Shares and may participate in any dividend reinvestment plan operated by the Company in respect of Plan Shares. A Participant may exercise any voting rights attaching to Plan Shares.
- 14 **(Disposal restrictions on Plan Shares):** If the invitation provides that any Plan Shares are subject to any restrictions as to the disposal or other dealing by a Participant for a period, the Board may implement any procedure it deems appropriate to ensure the compliance by the Participant with this restriction.

For so long as a Plan Share is subject to any disposal restrictions under the Plan, the Participant will not:

- (a) transfer, encumber or otherwise dispose of, or have a security interest granted over that Plan Share; or
- (b) take any action or permit another person to take any action to remove or circumvent the disposal restrictions without the express written consent of the Company.

- 15 **(Adjustment of Convertible Securities):** If there is a reorganisation of the issued share capital of the Company (including any subdivision, consolidation, reduction, return or cancellation of such issued capital of the Company), the rights of each Participant holding Convertible Securities will be changed to the extent necessary to comply with the Listing Rules applicable to a reorganisation of capital at the time of the reorganisation. If Shares are issued by the Company by way of bonus issue (other than an issue in lieu of dividends or by way of dividend reinvestment), the holder of Convertible Securities is entitled, upon exercise of the Convertible Securities, to receive an allotment of as many additional Shares as would have been issued to the holder if the holder held Shares equal in number to the Shares in respect of which the Convertible Securities are exercised. Unless otherwise determined by the Board, a holder of Convertible Securities does not have the right to participate in a pro rata issue of Shares made by the Company or sell renounceable rights.
- 16 **(Participation in new issues):** There are no participation rights or entitlements inherent in the Convertible Securities and holders are not entitled to participate in any new issue of Shares of the Company during the currency of the Convertible Securities without exercising the Convertible Securities.
- 17 **(Amendment of Plan):** Subject to the following paragraph, the Board may at any time amend any provisions of the Plan rules, including (without limitation) the terms and conditions upon which any Securities have been granted under the Plan and determine that any amendments to the Plan rules be given retrospective effect, immediate effect or future effect.

No amendment to any provision of the Plan rules may be made if the amendment materially reduces the rights of any Participant as they existed before the date of the amendment, other than an amendment introduced primarily for the purpose of complying with legislation or to correct manifest error or mistake, amongst other things, or is agreed to in writing by all Participants.

- 18 **(Plan duration):** The Plan continues in operation until the Board decides to end it. The Board may from time to time suspend the operation of the Plan for a fixed period or indefinitely, and may end any suspension. If the Plan is terminated or suspended for any reason, that termination or suspension must not prejudice the accrued rights of the Participants.

If a Participant and the Company (acting by the Board) agree in writing that some or all of the Securities granted to that Participant are to be cancelled on a specified date or on the occurrence of a particular event, then those Securities may be cancelled in the manner agreed between the Company and the Participant.
