

## CHANGES TO THE BOARD

**14 October 2021:** 3D Metalforge (ASX: 3MF) (“3D Metalforge” or the “Company”), advises that due to personal circumstances, Mr Michael Spence has resigned from both his roles as Director and Chairman of the Company, effective 13 October 2021. The Company would like to thank Mr Spence for his contributions and is grateful for his assistance with the Company’s listing on the ASX in March 2021. The Company wishes him well for the future.

From 13 October 2021, Mr Matthew Waterhouse has been appointed as interim Chairman in addition to his role as Managing Director of the Company.

The Board will assess its composition and required capabilities to support its growth plans early in 2022.

– ENDS –

This announcement has been approved for release by the Board of 3D Metalforge Limited.

### ABOUT 3D METALFORGE

3D Metalforge (ASX: 3MF), founded in 2015, is a leading Additive Manufacturing (AM) company that supports a growing multinational industry-leading client base with their advanced proprietary 3D additive manufacturing systems. The Company offers a full range of in-house AM printing services from design and engineering, material advisory, diagnostics and testing, to printing and post-production certification to the latest industry and API standards. Its approach to industrial production, its proprietary processes and eco-friendly technology produce high-demand parts faster, better and more cost-effectively with less environmental impact and greater sustainability than conventional manufacturing.
