The Appendix 4C will be available on the ASX prior to the call.

– ENDS –

This document has been authorised for release by Naomi Lawrie, MedAdvisor Company Secretary.

About MedAdvisor

MedAdvisor is a world-class medication management platform that empowers patients to more simply manage their medication and improve adherence. MedAdvisor's highly automated and intuitive software system connects patients to tools and education materials from their preferred pharmacy. MedAdvisor works with 25,000 pharmacies in the US to deliver programs to help patients take their medication safely and effectively. In Australia, MedAdvisor has connected over 1.9 million patients through more than 65% of Australian pharmacies. MedAdvisor has partnered with HMS in the US and is on track to become one of the largest players in the global digital adherence market. In 2018 and 2020, MedAdvisor was recognised in the AFR Fast 100. Visit: mymedadvisor.com/investors
