EXPLANATORY MEMORANDUM

1. Introduction

This Explanatory Memorandum has been prepared for the information of Shareholders of the Company in connection with the business to be conducted at the Annual General Meeting to be held at Level 1, 283 Elizabeth Street, Brisbane, Queensland on Monday, 20 December 2021 at 2:30pm (AEST).

Given the travel restrictions that have been in place during the year as a result of COVID-19, the date of the AGM has been chosen as it is expected to be the first opportunity for all the Directors to meet in person as a Board.

This Explanatory Memorandum should be read in conjunction with and forms part of the accompanying Notice. The purpose of this Explanatory Memorandum is to provide information to Shareholders in deciding whether or not to pass the Resolutions in the Notice.

A Proxy Form is attached to the Notice. This is to be used by Shareholders if they wish to appoint a representative (a 'proxy') to vote in their place. All Shareholders are invited and encouraged to attend the Meeting or, if they are unable to attend in person, sign and return the Proxy Form to the Company in accordance with the instructions thereon. Lodgement of a Proxy Form will not preclude a Shareholder from attending and voting at the Meeting in person.

In accordance with section s250BD of the Corporations Act, a person appointed as a proxy must not vote on the basis of that appointment on Resolution 1 if:

- (a) the person is either:
 - (i) a member of the Key Management Personnel of the Company; or
 - (ii) a Closely Related Party of such a member, and
- (b) the appointment does not specify the way the proxy is to vote on Resolution 1.

However, the prohibition does not apply if:

- (a) the proxy is the Chairperson; and
- (b) the appointment expressly authorises the Chairperson to exercise the proxy even if Resolution 1 are connected directly or indirectly with remuneration of a member of the Key Management Personnel of the Company.

2. Annual Financial Report

In accordance with the Constitution, the business of the Annual General Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 31 March 2021 together with the declaration of the directors, the directors' report, the Remuneration Report and the Auditor's Report.

In accordance with amendments to the Corporations Act the Company is no longer required to provide a hard copy of the Company's annual financial report to Shareholders unless a Shareholder has specifically elected to receive a printed copy. Shareholders may view the Company's annual financial report on its website at www.vortiv.com or the ASX website at www.asx.com.au.

There is no requirement for Shareholders to approve the Annual Report.

Shareholders will be offered the following opportunities:

- (a) Discuss the Annual Financial Report for the financial period ended 31 March 2021.
- (b) Ask questions about, or make comment on, the management of the Company.
- (c) Ask questions about, or make comment on, the Remuneration Report.
- (d) Ask the auditor questions about:
 - (i) the conduct of the audit;
 - (ii) the preparation and content of the Auditor's Report;
 - (iii) the accounting policies adopted by the Company in relation to the preparation of the financial statements; and
 - (iv) the independence of the auditor in relation to the conduct of the audit.

In addition to taking questions at the Meeting, written questions to the Chairman about the management of the Company, or to the Company's auditor about:

- (a) the content of the Auditor's Report; and
- (b) the conduct of the audit of the Financial Report.

may be submitted no later than 5 business days before the Meeting to the Company Secretary at the Company's registered office.

3. Resolution 1 – Remuneration Report

The Remuneration Report of the Company for the year ending 31 March 2021 is set out in the Director's Report. The Remuneration Report sets out the Company's remuneration arrangements for executive and non-executive Directors and executive employees of the Company.

A reasonable opportunity will be given for the discussion of the Remuneration Report at the Meeting. Shareholders should note that the vote on this Resolution is advisory only and does not bind the Company or the Directors. Of itself, a failure of Shareholders to pass Resolution 1 will not require the Directors to alter any of the arrangements in the Remuneration Report.

Under the Corporations Act, if at least 25% of the votes cast on Resolution 1 are voted against adoption of the Remuneration Report at two consecutive annual general meetings, Shareholders will be required to vote at the second of those annual general meetings on a resolution (a "Spill Resolution") on whether another general meeting be held (within 90 days) at which all of the Directors (other than the Managing Director) who were in office at the date of approval for the applicable Director's Report must go up for re-election. The Company encourages all Shareholders to cast their votes on Resolution 1 (Remuneration Report).

Previous Voting Results

At the Company's previous annual general meeting, the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Annual General Meeting. However, if at least 25% of the votes cast on Resolution 1 are voted against adoption of the Remuneration Report, Shareholders should be aware that if 25% or more of the votes are cast against the Remuneration Report at the next annual general meeting the consequences are that all Directors (other than the Managing Director) may be up for re-election.

Proxy Restrictions

Pursuant to the Corporations Act, if you appoint a member of the Key Management Personnel (other than the Chair) or any Closely Related Party as your proxy to vote on this Resolution 1, ***you must direct the proxy how they are to vote***. Where you do not direct such a person on how to vote on this Resolution 1, the proxy is prevented by the Corporations Act from exercising your vote and your vote will not be counted in relation to Resolution 1.

If you appoint the Chair as your proxy, and you do not direct the Chair on how to vote on this Resolution 1, then by signing and returning the proxy form you are giving express authorisation for the Chair to vote all undirected proxies **FOR Resolution 1** even though the resolution is

connected directly or indirectly with the remuneration of a member of the Key Management Personnel.

4. Director re-elections

4.1 General

The Directors have determined to have their appointments to the Company inter-connected and conditional upon all of the Directors being appointed. The resolutions dealing with the re-election of each of the Directors are referred to as the "Director Resolutions". The rationale for the Director Resolutions is that the Directors are presently working closely with each other in respect of the Company's new direction, including actively investigating acquisition opportunities, and the Board is focused on progressing a transaction as quickly as possible. Therefore, in order to facilitate execution of an acquisition opportunity as quickly as possible, Directors wish to make their elections inter-conditional so as to ensure that they can continue working together and as a team or otherwise not all.

4.2 Resolution 2A – Re-election of Director – Mr Simon Vertullo

Mr. Simon Vertullo was appointed as a Director on 19 April 2021. For the reasons expressed above, under paragraph 4.1, Mr. Vertullo seeks shareholder affirmation of his appointment as a Director of the Company by way of ordinary resolution. In the event that Mr. Vertullo's appointment as a Director is not affirmed by the Company, then he will resign from his office as Director with effect from immediately before the end of the Spill Meeting.

Mr Simon Vertullo is a Chartered Accountant with more than 20 years' experience in Australia, Asia and Europe working in C-Suite, corporate finance and restructuring roles. Simon was previously partner and practice leader in international accounting firms and has extensive commercial and operational experience, having held various CFO, executive leadership and advisory roles with numerous listed and large private companies in Australia, Europe and Asia. Key areas of his expertise include equity and debt transactions, risk management and operational performance improvement.

Mr Vertullo was previously a director of Donaco Ltd (ASX: DNA).

The Board considers Mr Vertullo an independent Director.

4.3 Resolution 2B – Re-election of Director – Mr Jason Titman

Mr. Jason Titman was appointed as a Director on 19 April 2021. For the reasons expressed above, under paragraph 4.1, Mr. Titman seeks shareholder affirmation of his appointment as a Director of the Company by way of ordinary resolution. In the event that Mr. Titman's appointment as a Director is not affirmed by the Company, then he will resign from his office as Director with effect from the close of this Meeting.

Mr Jason Titman is a SaaS technology C-Level Executive and Board Advisor, with extensive channel partnership and go to market experience in Australia, South East Asia, Europe, and the US. He is a proven multi-sector entrepreneur, with a track record of achieving significant growth in value and exits for business partners, shareholders and founders. His key areas of expertise include deep operational experience, transformative leadership, strategy and lateral thinking, B2B channel partnerships, international expansion and corporate governance. Mr Titman is a Chartered Accountant, has a Graduate Diploma from the Australian Institute of Company Directors and holds an MBA from the University of Queensland, where he guest lectures in the MBA Programs on Corporate Governance and is also involved with the UQ Entrepreneurial and Ventures team, which is building an entrepreneurialism program across all faculties within the University.

Mr Titman has not held any other directorships of publicly listed companies in the last three years.

The Board considers Mr Titman an independent Director.

4.4 Resolution 2C – Re-election of Director – Mr Nicholas Smedley

The ASX Listing Rules require that a Director appointed by the Board must retire at the next AGM following their appointment and is eligible for re-election at that meeting. Mr Smedley was appointed by the Board on 12 April 2021 and as required by ASX Listing Rule 14.4 retires and offers himself for re-election at this Meeting.

Mr Nicholas Smedley is an experienced Investment Banker and M&A Advisor with 14 years' experience at UBS and KPMG. He has worked on M&A transactions in the UK, Hong Kong, China and Australia with transactions ranging from the A\$9bn defence of WMC Resources through to the investment of \$65m into Catch.com.au. Nicholas currently oversees investments in the Property, Aged care, Energy, Technology and Medical Technology space. Key areas of expertise include M&A, debt structuring, corporate governance and innovation. Mr Smedley holds a Bachelor of Commerce degree from Monash University.

Mr Smedley is Executive Chairman of listed entity Respiro Limited (ASX: RSH) and Non-executive Director of AD1 Holdings Limited (ASX: AD1).

The Board considers Mr Smedley is an independent Director.

4.5 Interdependency

Shareholders should note that the Director Resolutions are interdependent. Therefore, failure of any of the Director Resolutions to be passed will result in all of the Director Resolutions being deemed not to have been passed.

In the event that all of the Director Resolutions are approved by way of ordinary resolution, then the Directors will continue to hold office in the Company.

In the event that one or more of the Director Resolutions are not approved by way of ordinary resolution, then the Company will follow the procedures set out below.

- (a) the Directors will call a meeting within 90 days within the end of the Annual General Meeting (**Spill Meeting**);
- (b) the Company will invite Shareholders to nominate persons for election as directors;
- (c) all three existing Directors, Mr, Simon Vertullo, Mr. Jason Titman and Mr. Nicholas Smedley, will be put up for re-election on a conditional basis at the Spill Meeting;
- (d) Mr. Nicholas Smedley's appointment will automatically end with effect from the close of this Meeting and Mr Jason Titman will also resign from their directorship with effect from the close of this Meeting. Mr Simon Vertullo will resign with effect immediately before the end of the Spill Meeting;
- (e) If Mr Simon Vertullo or Mr Jason Titman have their Director appointment affirmed by shareholders or Mr Smedley is re-elected, they will all still need to be re-elected at any spill meeting to remain in office after that time.
- (f) Resolutions to appoint individuals to the offices that would be vacated (either at the end of this Meeting or immediately before the end of the Spill Meeting) will be put to the vote at any Spill Meeting. Eligibility for election as a director at any Spill Meeting would be determined in accordance with the Company's Constitution; and
- (g) During the intervening period between the end of the annual general meeting and any Spill Meeting, pursuant to clause 6.1(d) of the Company's Constitution, the Company's Directors may only act in emergencies, for appointing one or more directors in order to make up a quorum for a meeting of Directors, or to call and arrange to hold a meeting of Shareholders.

4.6 Board Recommendation

Given the interdependency of the Director Resolutions, and the Board's personal interest in the subject matter, the Board abstains from making a recommendation on this Resolution.

5. Resolution 3 – Approval for 10% Placement Capacity

7.1 General

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Under Listing Rule 7.1A, however, an eligible entity can seek approval from its members by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%.

An 'eligible entity' means an entity which is not included in the S&P/ASX 300 Index and which has a market capitalisation of \$300 million or less. Vortiv is an eligible entity for these purposes.

Resolution 3 seeks shareholder approval by way of special resolution for Vortiv to have the additional 10% capacity provided for in Listing Rule 7.1A to issue equity securities without shareholder approval (**10% Placement Capacity**).

If Resolution 3 is passed, Vortiv will be able to issue equity securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further shareholder approval.

If Resolution 3 is not passed, Vortiv will not be able to access the additional 10% capacity to issue equity securities without shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit in issuing equity securities without shareholder approval set out in Listing Rule 7.1.

The exact number of Equity Securities to be issued is not fixed and will be determined in accordance with the formula prescribed in ASX Listing Rule 7.1A.2 (set out below).

7.2 Requirements of ASX Listing Rule 7.1A

(a) **Eligible entities**

An "Eligible Entity" for the purposes of ASX Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is an Eligible Entity.

(b) **Shareholder approval**

Shareholders must approve the 10% Placement Capacity by special resolution at the annual general meeting. Accordingly, at least 75% of votes cast by Shareholders present and eligible to vote at the Meeting must be in favour of this Resolution for it to be passed.

(c) **Equity Securities**

Equity Securities issued under the 10% Placement Capacity must be in the same class as an existing class of Equity Securities of the Company that are quoted on ASX.

As at the date of this Notice, the Company has only one class of Equity Securities quoted on ASX being fully paid ordinary Shares.

(d) **Formula for calculating number of Equity Securities that may be issued under the 10% Placement Capacity**

If this Resolution is passed, the Company may issue or agree to issue, during the 12-month period after the date of this Meeting, the number of Equity Securities calculated in accordance with the following formula:

(AxD)-E

A	The number of fully paid shares on issue 12 months before the date of issue or agreement: <ul style="list-style-type: none">• plus the number of fully paid ordinary shares issued in the 12 months under an exception in ASX Listing Rule 7.2;• plus the number of partly paid shares that became fully paid in the 12 months;• plus the number of fully paid ordinary shares issued in the 12 months with the approval of shareholders under ASX Listing Rules 7.1 or 7.4. This does not include an issue of fully paid ordinary shares under the entity's 15% placement capacity without shareholder approval;• less the number of fully paid ordinary shares cancelled in the 12 months.
D	10%
E	The number of Equity Securities issued or agreed to be issued under ASX Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with the approval of shareholders under ASX Listing Rule 7.4.

(e) **Interaction between ASX Listing Rules 7.1 and 7.1A**

The 10% Placement Capacity under ASX Listing Rule 7.1A is in addition to the Company's 15% placement capacity under ASX Listing Rule 7.1.

The actual number of Equity Securities that the Company will be permitted to issue under ASX Listing Rule 7.1A will be calculated at the date of issue or agreement to issue the Equity Securities in accordance with the formula prescribed in ASX Listing Rule 7.1A.2 (as set out above).

7.3 Information for Shareholders as required by ASX Listing Rule 7.3A

(a) **Minimum price**

The issue price of the new Equity Securities will be not less than 75% of the volume weighted average price (VWAP) for Equity Securities in the relevant quoted class calculated over the 15 trading days on which trades in that class were recorded immediately before:

- the date on which the price of the Equity Securities are to be issued is agreed; or
- if the Equity Securities are not issued within 10 trading days of the date above, the date on which the Equity Securities are issued.

(b) **Risk of economic and voting dilution**

If this Resolution is passed and the Company issues securities under the 10% Placement Capacity, existing Shareholders' voting power in the Company will be diluted.

There is the risk that:

- the market price for the Company's existing Equity Securities may be significantly lower on the date of issue of the new Equity Securities than on the date of the Meeting; and
- the new Equity Securities may be issued at a price that is at a discount to the market price of the Company's existing Equity Securities (in the same class) on the issue date or the new Equity Securities may be issued as part of the consideration for the acquisition of a new asset,

which may have an effect on the amount of funds raised by the issue of the new Equity Securities.

The table below shows the dilution of existing Shareholders on the basis of the current market price of Shares and the current number of ordinary securities for variable "A" calculated in accordance with the formula in ASX Listing Rule 7.1A.2 as at the date of this Notice.

The table also shows:

- two examples where variable "A" has increased by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example a pro rata entitlement issue) or future placements under ASX Listing Rule 7.1 that are approved by Shareholders in the future;
- two examples of where the issue price of ordinary securities has decreased by 50% and increased by 100% as against the current market price.

Variable 'A' in ASX Listing Rule 7.1A.2		Dilution		
		2.4 cents 50% decrease in Issue Price	4.8 cents Issue Price	8.2 cents 100% increase in Issue Price
Current Variable A 140,524,363 Shares	10% Voting Dilution	14,052,436 Shares	14,052,436 Shares	14,052,436 Shares
	Funds raised	\$337,258	\$674,517	\$1,349,034
50% increase in current Variable A 210,786,544 Shares	10% Voting Dilution	21,078,654 Shares	21,078,654 Shares	21,078,654 Shares
	Funds raised	\$505,888	\$1,011,775	\$2,023,551
100% increase in current Variable A 281,048,726 Shares	10% Voting Dilution	28,104,872 Shares	28,104,872 Shares	28,104,872 Shares
	Funds raised	\$674,517	\$1,349,034	\$2,698,068

This table has been prepared on the following assumptions:

- The Company issues the maximum number of Equity Securities available under the 10% Placement Capacity.
- No Options are exercised into Shares before the date of the issue of the Equity Securities.
- The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Capacity, based on that Shareholder's holding at the date of the Meeting.
- The table shows only the effect of issues of Equity Securities under ASX Listing Rule 7.1A, not under the 15% placement capacity under ASX Listing Rule 7.1.
- The issue of Equity Securities under the 10% Placement Capacity consists only of Shares. If the issue of Equity Securities includes quoted Options, it is assumed that those Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
- The issue price is 4.8 cents, being the closing price of the Shares on ASX on 11 October 2021.

The Company's ability to issue securities under ASX Listing Rule 7.1A is in addition to its ability to issue securities under ASX Listing Rule 7.1.

(c) **Placement Period**

Shareholder approval of the 10% Placement Capacity under ASX Listing Rule 7.1A is valid from 20 December 2021 (the date of this Meeting) and expires on the earlier of:

- 20 December 2022, which is 12 months after this Meeting;
- The time and date of the Company's next annual general meeting; or
- the time and date that Shareholders approve a transaction under ASX Listing Rule 11.1.2 (significant change to nature or scale of activities) or ASX Listing Rule 11.2 (disposal of the main undertaking) (the "**Placement Period**").

The Company will only issue new Equity Securities during the Placement Period. The approval will cease to be valid in the event that Shareholders approve a transaction under ASX Listing Rules 11.1.2 or 11.2.

(d) **Purposes for which the new Equity Securities may be issued**

The Company may seek to issue new Equity Securities for cash consideration to raise funds for the acquisition of new assets or investments (including the expenses associated such acquisition), continued expenditure on the Company's current assets and operations including general working capital.

(e) **Allocation policy**

The Company's allocation policy for the issue of new Equity Securities under the 10% Placement Capacity will depend on the market conditions existing at the time of the proposed issue. The recipients will be determined at the relevant time having regard to factors such as:

- the purpose of the issue;
- the methods of raising funds that are available to the Company, including but not limited to, rights issues or other issues in which existing security holders can participate;
- the effect of the issue of new Equity Securities on the control of the Company;
- the financial situation and solvency of the Company; and
- advice from corporate, financial and broking advisers (as relevant).

As at the date of this Notice the recipients are not known but may include existing substantial Shareholders and/or new Shareholders. No recipient under the 10% Placement Capacity will be a related party or associate of a related party. Existing Shareholders may or may not be entitled to subscribe for any Equity Securities issued under the 10% Placement Capacity and it is possible that their shareholding will be diluted.

If the 10% Placement Capacity is used to acquire new assets or investments, then it is likely that the recipients will be the vendors of the new assets.

The Company will comply with the disclosure obligations under ASX Listing Rules 7.1A(4) and 3.10.5A on the issue of any new securities.

(f) **Details of Equity Securities issued in the 12 months preceding the date of the Meeting**

On 31 August 2020, the Company received Shareholder approval for the 10% Placement Capacity at its 2020 annual general meeting. Pursuant to Listing Rule 7.3A.6 the following information is provided to Shareholders:

The total number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before this Meeting (that is, since 20 December 2020) is nil. The total number of Equity Securities on issue at 20 December 2020 was 147,079,535 (140,524,363 Shares and 6,555,172 Options). The total number of Equity Securities issued under Listing Rule 7.1A in the 12 months before this Meeting is 0% of the total number of Equity Securities on issue at 31 August 2020.

(g) **Voting exclusion**

A voting exclusion statement is included in the Notice. At the date of this Notice, the Company has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holder to participate in a proposed issue of Equity Securities under the proposed 10% Placement Capacity. No existing Shareholder's votes will therefore be excluded under the voting exclusion in the Notice.

- Return both forms together.
