Summary for Q3, 2021 - Strong Cash Position following A\$8 million Financing; Growing Fintech Businesses

Fatfish Group Ltd ("**FFG**" or the "**Company**") is pleased to provide a summary of its activities for the quarter ended 30 September 2021 ("**Quarter**").

1. FFG establishes PaySlowSlow as its Retail BNPL Brand

In July 2021, FFG announced the founding of its retail Buy-Now-Pay-Later ("**BNPL**") brand, PaySlowSlow.

The founding of PaySlowSlow was in line with the company's goal of establishing a prominent Southeast Asian retail BNPL brand. The first geographical market in which PaySlowSlow operates is Malaysia.

PaySlowSlow was launched in the second week of September and had an encouraging start with more than 87 merchant sign ups within its first 2 weeks of operations. In parallel to that, Payslowslow recorded A\$50,839 gross merchandise sales within its first two weeks of operations, with increasing week-on-week growth.

FFG's management believes that the strong early traction shows encouraging demand for Payslowslow's service and intends for an accelerated roll-out plan of Payslowslow across Southeast Asia.

PaySlowSlow is amongst several brands which FFG had launched, in its endeavour to increase its participation within the fintech sector in the fast-growing Southeast Asian market. Opportunities for synergies between PaySlowSlow and FFG's other fintech offerings will be fostered going forward.

2. FFG's insurtech investee, Fatberry, experiences exponential growth

In August 2021, FFG announced that its insurtech investee, Fatberry, had recorded average sales growth of 478% quarter-on-quarter for the quarter ended June 2021. Total sales recorded for the first half year period of January to June 2021 amounted to A\$1,977,391.

In its latest quarter-to-date, Fatberry continued its exponential growth with gross sales of A\$2.78 million for the quarter ended 30 September 2021, which represented a significantly higher gross sales figure compared to the first half year period of 2021. As

of September 2021, Fatberry achieved year-to-date gross sales of A\$4,761,481, another record high in Fatberry's operating history.

September monthly gross sales stood at A\$905,932, representing 37.42% month-on-month growth over the previous month of August 2021.

Fatberry continues to strengthen its position as one of the leading digital insurance platforms in Southeast Asia, with its range of product offerings which include motor insurance, motorbike insurance, personal accident insurance and travel insurance. New insurance products in further areas are slated for launch going forward.

3. FFG raises A\$8 million funding to grow its fintech businesses in Southeast Asia

In August 2021, FFG had announced funding of A\$8 million from US-based Arena Investors L.P. to support the company's expansion within the Southeast Asian fintech sector.

The new funding provided A\$8 million in cash consideration in exchange for 12-months convertible notes issued by FFG. The convertible notes carry a coupon rate of 1% per annum and can be converted into ordinary shares of FFG at a fixed conversion price of A\$0.07 per share.

Arena Investors L.P. has extensive experience in funding tech-related businesses globally. The Company sees Arena Investors L.P. as valued strategic partners after over three years of collaboration, with a long-term focus on driving growth.

Listing Rule 4.7C.1

In accordance with Listing Rule 4.7C.1, a summary of the net cash operating outflows for the quarter ended 30 September 2021 are as follows:

Receipts from customers	\$72,000

8.6.2 Has the entity taken any steps, or does it propose to take any steps, to raise further cash to fund its operations and, if so, what are those steps and how likely does it believe that they will be successful?

N/A

8.6.3 Does the entity expect to be able to continue its operations and to meet its business objectives and, if so, on what basis ?

N/A

Appendix 4C

Quarterly cash flow report for entities subject to Listing Rule 4.7B

Compliance Statement

1. This statement has been prepared in accordance with accounting standards and policies which comply with Listing Rule 19.11A.
2. This statement gives a true and fair view of the matters disclosed.

Date: 29 October 2021

Authorised by: By the Board of Directors

Notes:

1. This quarterly cash flow report and the accompanying activity report provide a basis for informing the market about the entity's activities for the past quarter, how they have been financed and the effect this has had on its cash position. An entity that wishes to disclose additional information over and above the minimum required under the Listing Rules is encouraged to do so.
2. If this quarterly cash flow report has been prepared in accordance with Australian Accounting Standards, the definitions in, and provisions of, *AASB 107: Statement of Cash Flows* apply to this report. If this quarterly cash flow report has been prepared in accordance with other accounting standards agreed by ASX pursuant to Listing Rule 19.11A, the corresponding equivalent standard applies to this report.
3. Dividends received may be classified either as cash flows from operating activities or cash flows from investing activities, depending on the accounting policy of the entity.
4. If this report has been authorised for release to the market by your board of directors, you can insert here: "By the board". If it has been authorised for release to the market by a committee of your board of directors, you can insert here: "By the {name of board committee - eg *Audit and Risk Committee*}". If it has been authorised for release to the market by a disclosure committee, you can insert here: "By the Disclosure Committee".
5. If this report has been authorised for release to the market by your board of directors and you wish to hold yourself out as complying with recommendation 4.2 of the ASX Corporate Governance Council's *Corporate Governance Principles and Recommendations*, the board should have received a declaration from its CEO and CFO that, in their opinion, the financial records of the entity have been properly maintained, that this report complies with the appropriate accounting standards and gives a true and fair view of the cash flows of the entity, and that their opinion has been formed on the basis of a sound system risk management and internal control which is operating effectively.
