Letter from the Chairman of Gold Road

21 October 2021

Dear Apollo Shareholder,

I am pleased to present you with an unconditional all cash Offer from Gold Road to acquire your Apollo Shares.

Gold Road is offering you **\$0.56 in cash** for each Apollo Share you hold, which is a compelling offer for Apollo Shareholders to realise liquidity at an attractive premium to historical trading prices.

The Offer Price represents the highest all-time price paid for an Apollo Share.

The Offer also represents a:¹

- 6% premium to the closing price of Apollo Shares on ASX of \$0.530 on 20 October 2021 (being immediately prior to the announcement of Gold Road's Offer on 21 October 2021);
- 40% premium to the 30-day volume weighted average price of Apollo Shares traded on ASX of \$0.400 for the period up to (and including) 14 October 2021 (being the last day of ASX trading prior to the Ramelius Offer); and
- 73% premium to the 6-month volume weighted average price of Apollo Shares traded on ASX of \$0.324 for the period up to (and including) 14 October 2021 (being the last day of ASX trading prior to the Ramelius Offer).

As the Offer is unconditional, from the date of this Bidder's Statement, Gold Road also intends to exercise its rights under item 2 of section 611 of the Corporations Act and has appointed Argonaut Securities to stand in the market on the ASX and purchase, on Gold Road's behalf, Apollo Shares at the Cash Consideration price of \$0.56 per Apollo Share, from time to time.

Upon completion under the Share Purchase Agreements (see Section 4.11 for more information), Gold Road will be Apollo's largest shareholder with a relevant interest of 19.9%.

Acceptance of the Offer will eliminate Apollo Shareholder exposure to the risks inherent in any new mine development for the Lake Rebecca Gold Project, including financing, operational and regulatory risks.

Gold Road considers the Offer to be superior to the conditional Ramelius Offer.

The Ramelius Offer has a significant scrip component which is of uncertain value and is subject to 15 conditions, including a 90% minimum acceptance condition and a condition that no person (other than Ramelius and its Associates) acquiring a relevant interest in 10% or more of the Apollo Shares on issue.

As a result of Gold Road becoming a 19.9% shareholder in Apollo, the Ramelius Offer is no longer capable of execution without a waiver of these conditions.

We urge the Apollo Board to now change its recommendation in favour of having Apollo Shareholders **ACCEPT** this superior Offer.

The Offer is open for your acceptance until 7.00 pm (Sydney time) on 8 December 2021, unless extended or withdrawn in accordance with the Corporations Act.

1 WHY YOU SHOULD ACCEPT THE OFFER

✓ **The Offer Price of \$0.56 per Apollo Share represents an attractive cash price for your Apollo Shares**

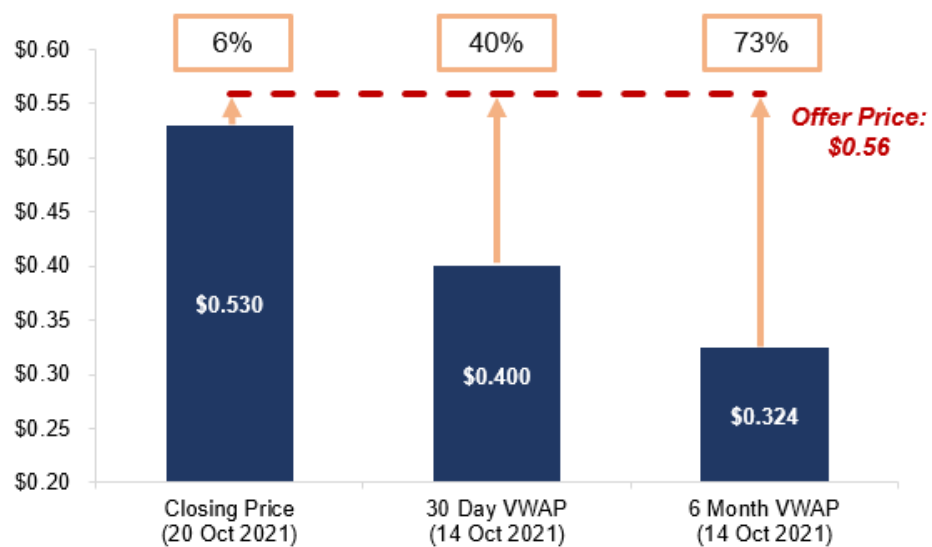

The Cash Consideration of \$0.56 per Apollo Share represents an attractive premium to historical trading prices.

The Offer Price represents the highest all-time price paid for an Apollo Share.

The Offer also represents a:²

- 6% premium to the closing price of Apollo Shares on ASX of \$0.530 on 20 October 2021 (being immediately prior to the announcement of Gold Road's Offer on 21 October 2021);
- 40% premium to the 30-day volume weighted average price of Apollo Shares traded on ASX of \$0.400 for the period up to (and including) 14 October 2021 (being the last day of ASX trading prior to the Ramelius Offer); and
- 73% premium to the 6-month volume weighted average price of Apollo Shares traded on ASX of \$0.324 for the period up to 14 October 2021 (being the last day of ASX trading prior to the Ramelius Offer).

The graph below shows the Cash Consideration of \$0.56 per Apollo Share relative to the historical trading prices of Apollo Shares on ASX, up to 14 October 2021 (being the last trading day prior to the announcement of the Ramelius Offer).

² Source: IRESS Limited. As permitted by ASIC Corporations (Consents to Statements) Instrument 2016/72, this paragraph contains ASX trading information sourced from IRESS Limited without its consent.

The graph below shows the Cash Consideration of \$0.56 per Apollo Share relative to the historical trading prices of Apollo Shares on ASX, up to 14 October 2021 (being the last trading prior to the announcement of the Ramelius Offer).

✓ **You will receive certain and immediate value for your Apollo Shares through all cash consideration payable on a T+5 Business Day basis**

Key attributes of the Offer to acquire your Apollo Shares are:

- 100% cash consideration;
- the Offer is unconditional; and
- cash payment within five Business Days of acceptance.

There are no conditions attached to the Offer and you can sell your Apollo Shares to Gold Road for \$0.56 per Apollo Share by **ACCEPTING** the Offer (or by selling your Apollo Shares on market with Gold Road having instructed Argonaut Securities to bid at the Offer Price).

Accordingly, you can accept the Offer knowing that you will be paid in cash within five Business Days after receipt of your valid acceptance. Please follow the instructions set out in clause 4.3 of the Offer Terms and the Acceptance Form to accept the Offer.

The certainty of this receipt of cash should be compared against the uncertainties of, and risks associated with, remaining an Apollo Shareholder. Key risks include continued exposure to:

- the risks inherent in any new mine development for the Lake Rebecca Gold Project, including financing, operational and regulatory risks;
- industry specific risks, including the availability and cost of labour and key supplies;
- gold price volatility;
- ongoing exploration and development risk;
- limited trading liquidity of the Apollo Shares on ASX; and
- potential risk of share price falls due to a number of factors including those mentioned above and general market and economic risks.

Unless you choose to sell your Apollo Shares on ASX, you can choose, in effect, between the:

- all-cash Offer, which is of certain value; or

-
- future uncertain value by retaining your Apollo Shares.

✓ **Gold Road is Apollo's largest shareholder and the Offer is superior to the highly conditional Ramelius Offer**

Upon completion under the Share Purchase Agreements, Gold Road will be Apollo's largest shareholder with a 19.9% shareholding interest.

By contrast, the Ramelius Offer:

- has a significant scrip component comprising approximately 39% of the implied value of the Ramelius Offer,³ which is of uncertain value and subject to price volatility associated with, among other things, Ramelius corporate and operational risks and general market risks; and
- is highly conditional as it is subject to a range of conditions including a 90% minimum acceptance condition and a condition that no person (other than Ramelius and its Associates) acquiring a relevant interest in 10% or more of the Apollo Shares on issue.

As a result of Gold Road becoming a 19.9% shareholder in Apollo, the Ramelius Offer is now no longer capable of completion unless a number of conditions are waived.

✓ **Significant liquidity event for monetising your investment in Apollo**

The Offer provides an opportunity for Apollo Shareholders to monetise their investment and obtain liquidity whilst realising a significant premium on the recent trading price of Apollo Shares. In the 12 months preceding 14 October 2021 (being the last trading day prior to the announcement of the Ramelius Offer), the average daily trading volume of Apollo Shares was approximately 270,000 shares. The average daily trading volume in the 3 months preceding 14 October 2021 is less, at approximately 220,000 shares, evidencing a decline in liquidity in Apollo Shares.⁴

If you choose to retain your Apollo Shares, you may face risks associated with reduced liquidity leading to uncertainty as to the future monetisation of your investment.

✓ **If your Apollo Shares are registered in an Issuer Sponsored Holding in your name, you will not incur any brokerage charges on the transfer of your Apollo Shares on acceptance of the Offer**

If you accept the Offer and your Apollo Shares are registered in an Issuer Sponsored Holding in your name, you will not incur brokerage on the transfer of your Apollo Shares to Gold Road pursuant to the Offer.

If you accept the Offer and your Apollo Shares are registered in a CHES Holding, or if you are a beneficial owner whose Apollo Shares are registered in the name of a Broker, bank, custodian, or other nominee, you should ask your Controlling Participant (usually your Broker) or that nominee whether it will charge any transactional fees or service charges in connection with acceptance of the Offer.

If you sell your Apollo Shares on the ASX, rather than disposing of them via the Offer, you may incur brokerage charges (and, potentially, GST on those charges).

✓ **The Apollo Share price may fall after the Offer lapses**

The closing Apollo Share price on 14 October 2021, being the last trading day prior to the announcement of the Ramelius Offer, was \$0.455.

The Apollo Share price may trade at levels below the Offer Price once the Offer (and any other offer available at that time) has lapsed, although this is difficult to predict with any degree of certainty. As a

result, Apollo Shareholders who have not accepted the Offer before it lapses may not have another opportunity to sell their Apollo Shares for \$0.56 per Apollo Share.

✓ **Removal of development and shareholder dilution risks associated with the development of Apollo's Lake Rebecca Gold Project**

Acceptance of the Offer eliminates your exposure to the risks inherent in any new mine development, which includes financing, operational and regulatory risks.

In particular, the development of the Lake Rebecca Gold Project will require substantial capital to reach production. To finance the development of the Lake Rebecca Gold Project, Apollo would be required to raise substantial funds through debt (if it can be obtained on acceptable terms), quasi-equity and/or equity. Any such quasi-equity or equity raise would likely result in the dilution of your ownership interest in Apollo, unless you invest further capital in Apollo.

In addition, the Corporations Act requires the Apollo Directors to provide a target's statement to Apollo Shareholders, setting out certain material information regarding Apollo.

5 BIDDER'S INTENTIONS

5.1 INTRODUCTION

This Section 5 sets out Gold Road's intentions in relation to the following:

- the continuation of the business of Apollo;
- any major changes to be made to the business of Apollo including any redeployment of the fixed assets of Apollo;
- the future employment of the present employees of Apollo and the future appointment of the Apollo Directors; and
- the Compulsory Acquisition of Apollo Shares, and the removal of Apollo from the official list of the ASX.

5.2 QUALIFICATIONS AND DISCLAIMERS REGARDING INTENTIONS

The intentions set out in this Section 5 represent the current intentions of Gold Road as at the date of this Bidder's Statement formed on the basis of facts and information concerning Apollo and its business, and the general business environment, which are known to Gold Road at the time of preparing this Bidder's Statement.

Gold Road does not currently have full knowledge of all material information, facts and circumstances that are necessary to assess the operational, commercial, tax and financial implications of its current intentions. Final decisions regarding these matters will only be made by Gold Road in light of material information and circumstances at the relevant time. Accordingly, the statements set out in this Section 5 are statements of current intent only (based on publicly available information, and certain information provided by Apollo to Gold Road prior to 24 September 2021, which may change as new information becomes available to Gold Road or as circumstances change. Any changes in Gold Road's intentions will be disclosed to the extent and in the manner required by law.

As there is no minimum acceptance condition to the Offer, Gold Road will not know the extent of its ultimate shareholding in Apollo until the close of the Offer. This means that Gold Road's ultimate voting power in Apollo could be anywhere between 19.9% and 100% at the close of the Offer. Accordingly, the precise circumstances surrounding Gold Road's ability to pursue the outcomes of the strategic review may not necessarily be known until the close of the Offer, and are difficult to predict with any certainty at this stage.

The implementation of Gold Road's intentions in the event that Gold Road has a relevant interest in less than 100% of Apollo Shares will be subject to the level of voting power Gold Road has in Apollo and the Corporations Act (including, without limitation, those provisions intended for the protection of minority shareholders), the ASX Listing Rules, Apollo's constitution and the statutory and fiduciary obligations of the Apollo Directors at that time to act in the best interests of Apollo and all Apollo Shareholders (**Shareholder Protections**). The extent of Gold Road's ultimate shareholding in Apollo (at the close of the Offers) will determine the regulatory requirements for, and other practical matters associated with, implementing Gold Road's intentions.

For example:

- If Gold Road acquires 50% or less of all Apollo Shares, it may not be in a position to solely determine the outcome of ordinary resolutions (in respect of which it is entitled to vote) and so, for example, it may not be in a position to control the composition of the Apollo Board. This means that Gold Road's ability to undertake a detailed review of Apollo and its assets and liabilities may be limited, and (assuming it is able to undertake any such review) its ability to realise the proposed outcomes of that strategic review may be similarly constrained.
- If Gold Road acquires more than 50% of all Apollo Shares (but less than 90%), it will be able to solely determine the outcome of ordinary resolutions (in respect of which it is entitled to vote) and will be in a position to control the composition of the Apollo Board. However, in these circumstances, the Shareholder Protections will continue to apply and again may constrain Gold Road's ability to realise the proposed outcomes of the strategic review.
- If Gold Road acquires at least 75% of all Apollo Shares (but again less than 90%), it will also be able to determine alone the outcome of special resolutions (in respect of which it is entitled to vote). Such special

resolutions could involve amendments to the Apollo constitution or a change to company type. However, again, the Shareholder Protections will continue to apply.

- If during, or at the end of, the Offer Period:
 - Gold Road and its Associates together have relevant interests in at least 90% (by number) of all Apollo Shares; and
 - Gold Road and its Associates have acquired at least 75% (by number) of all Apollo Shares for which Offers are made,

Gold Road will be entitled to compulsorily acquire all outstanding Apollo Shares (and Apollo Options) and presently intends to do so. Following completion of such Compulsory Acquisition process, Apollo would be a wholly-owned subsidiary of Gold Road and Gold Road would be entitled to exercise its rights as the sole shareholder of Apollo. However, in circumstances where Apollo Shareholders hold more than 10% in aggregate of all the Apollo Shares, Compulsory Acquisition will not be possible.

Gold Road's ability, therefore, to achieve some of its intentions might not be able to be realised, either at all or without the approval of Apollo Shareholders in general meeting.

As a result of the Shareholder Protections, Gold Road and its Associates may also be excluded from voting on certain resolutions in a general meeting, and any nominee directors appointed by Gold Road may potentially be precluded from voting at Apollo Board meetings, to the extent of any conflict of interest or material personal interest. Further, in circumstances where a minority shareholder maintains a "blocking stake" or other substantial holding in Apollo which provides them with a significant proportion of the Apollo Shares which are not held by Gold Road, then that shareholder's ability to determine the outcome of any such resolutions put to Apollo Shareholders in a general meeting may be disproportionate to its holding (for example, where that shareholder's holding in Apollo is such that they alone could determine whether a resolution is passed or not, in circumstances where Gold Road and its Associates are excluded from voting on that resolution).

5.3 INTENTIONS UPON ACQUIRING 90% OR MORE OF APOLLO SHARES

Without limiting the comments in Section 5.2, this Section 5.3 describes the intentions of Gold Road if at the end of the Offer Period, Gold Road:

- receives valid acceptances of at least 75% (by number) of the Apollo Shares not held by Gold Road (and its Associates); and
- acquires a relevant interest in at least 90% (by number) of the Apollo Shares then on issue.

(a) Compulsory acquisition of Apollo Shares and removal from official list

If Gold Road and its Associates collectively have relevant interests in at least 90% of Apollo Shares during, or at the end of the Offer Period, Gold Road will give a notice pursuant to Part 6A.1 of the Corporations Act to compulsorily acquire all outstanding Apollo Shares, even if Apollo Shares to which those notices relate are issued:

- after the Offer closes but before notices are given (pursuant to section 661A(4)(b) of the Corporations Act); or
- on exercise of Apollo Options, up to 6 weeks after the notices are given (pursuant to section 661A(4)(c) of the Corporations Act).

If not all of the Apollo Options are exercised or acquired by Gold Road and Gold Road is entitled to compulsorily acquire any outstanding Apollo Shares, Gold Road intends to compulsorily acquire any outstanding Apollo Options pursuant to Part 6A.2 of the Corporations Act, although it reserves the right not to do so.

Apollo Shareholders should consult their legal advisors for a determination of their legal rights with respect to any Compulsory Acquisition.

The income tax consequences to an Apollo Shareholder of a Compulsory Acquisition may differ from the income tax consequences to such Apollo Shareholder accepting the Offer. See Section 7 for further information on taxation considerations for Apollo Shareholders who dispose their Apollo Shares under the Offer.

(b) **Apollo Board**

Gold Road intends to replace all members of the Apollo Board with its own nominees. The identity of such nominee directors has not yet been finally determined, but it is expected they will be predominantly drawn from the current directors and management of Gold Road.

(c) **General operational review**

After the Offer Period, Gold Road intends to undertake a general review of Apollo's operations covering strategic, financial and operating matters, with an objective of improving Apollo's prospects of developing an operating gold mine in relation to its tenements.

Once this has been completed, Gold Road will determine the level of financial and other resources necessary to progress the Lake Rebecca Gold Project and optimise exploration potential. In particular, Gold Road will determine the optimal strategy in terms of realising maximum value for its investment in Apollo, and in doing so, will keep all options open for value maximisation. Gold Road intends to continue exploration activities at the Lake Rebecca Gold Project. The conclusions and outcomes of the review, as well as any new results from exploration, will inform Gold Road's preferred approach to feasibility of the Lake Rebecca Gold Project.

(d) **Operations and assets**

Apollo's Lake Rebecca Gold Project, and other exploration projects, will be fully integrated into Gold Road's assets portfolio. Gold Road will leverage its technical and operational expertise in the gold mining and exploration industry and intends to provide further capital to develop the Lake Rebecca Gold Project and conduct further exploration activities.

(e) **Impact on employees**

Following completion of the Offer, and as part of the general strategic and operational review described above, Gold Road intends to evaluate the future operation and management requirements of Apollo and will seek to provide continued employment to Apollo's existing workforce.

5.4 INTENTIONS UPON ACQUIRING 50.1% OR MORE OF APOLLO SHARES

This Section 5.4 describes Gold Road's intentions if it were to acquire a relevant interest in at least 50.1% but less than 90% of Apollo Shares on issue.

The ability of Gold Road to implement the intentions set out in this Section 5.4 will be subject to the legal obligations of the Apollo Directors (including any nominees of Gold Road) to have regard to the interests of Apollo and all Apollo Shareholders, the requirements of the Corporations Act and (provided Apollo remains listed) the ASX Listing Rules relating to transactions between related parties. These Shareholder Protections may limit or modify the implementation of the intentions outlined below. As a result of those requirements, the approval of minority Apollo Shareholders may be required for the implementation of some of the intentions outlined below.

(a) **Directors**

Subject to the Corporations Act and Apollo's constitution, Gold Road intends to seek to replace some of the members of the Apollo Board so that Gold Road nominees constitute at least a majority of the members of the Apollo Board. No decision has been made at this stage about the identity of the proposed nominees to the Apollo Board or which current Apollo Directors would be removed.

Gold Road will seek, to the extent possible through its nominees on the Apollo Board, to implement the intentions detailed in Section 5.3 where they are consistent with Apollo being a controlled entity of (but not wholly-owned by) Gold Road and are considered to be in the best interests of Apollo Shareholders as a whole.

Gold Road would consider (but not necessarily comply with) the recommendations in the ASX Corporate Governance Principles and Recommendations when determining the composition of the Apollo Board.

(b) **General strategic and operational review**

Gold Road is supportive of Apollo's strategic direction, which primarily involves exploring and developing the Lake Rebecca Gold Project into a producing gold mine.

Consistent with Gold Road's model of business, following the end of the Offer, Gold Road would continue to monitor the performance of Apollo and as appropriate conduct a general strategic and operational review of Apollo's structure, assets, business, personnel and operations.

Following the general strategic and operational review process, the executive management of Apollo may be enhanced or supplemented by Gold Road, with a view to ensuring that Apollo has the best possible skills and resources available to undertake its business.

Gold Road has not determined the scope of any staff changes. If there are any actions to be taken as an outcome of the strategic and operational review, applicable employment laws will be complied with. However, subject to the outcome of the general strategic and operational review noted above, it is not Gold Road's current intention to make any material redundancies.

(c) **Listing on ASX**

Gold Road intends, subject to satisfying the relevant preconditions, to remove Apollo from the official list of the ASX.

In relation to the removal of Apollo from the official list of the ASX, ASX guidance indicates that the usual conditions that the ASX would expect to be satisfied in order for it to approve the removal of Apollo from the official list in the context of a successful takeover bid include:

- at the end of the Offer, Gold Road owns or controls at least 75% of the Apollo Shares and the Offer has remained open for at least two weeks after Gold Road attained ownership or control of at least 75% of the Apollo Shares; and
- the number of Apollo shareholders (other than Gold Road) having holdings with a value of at least \$500 is fewer than 150, and in such case, the ASX will not usually require Gold Road to obtain Apollo shareholder approval for Apollo's removal from the official list of the ASX.

In addition, the ASX may approve an application for Apollo to be removed from the official list of the ASX with shareholder approval and, where such removal is sought later than one month after the close of the Offer, Gold Road would be entitled to vote on the resolution approving the removal.

If Apollo is removed from the official list of the ASX, there may be risks related to remaining as a minority shareholder in Apollo. These include reduced or non-existent liquidity if shareholders wish to sell their Apollo Shares.

(d) **Specific intentions – Lake Rebecca Gold Project**

It is Gold Road's current intention to support Apollo to pursue the continued exploration of the Lake Rebecca Gold Project in Western Australia to increase the Mineral Resource estimates conducted by Apollo, and to progress studies assessing the technical and financial viability of the development of the Lake Rebecca Gold Project based on the existing, and updated, Mineral Resource estimates conducted by Apollo.

Gold Road's support to Apollo in achieving this objective may include (although it is not obliged to do so), subject to the outcome of the general strategic and operational review noted above, Gold Road providing financial and other resources such as expertise and industry contacts as they believe to be appropriate, on terms to be negotiated between Gold Road and Apollo on an arm's length basis.

(e) **Further acquisition of Apollo Shares**

Gold Road may, at some later time, acquire further Apollo Shares in a manner consistent with the Corporations Act and any other applicable laws.

(f) **Subsequent acquisition of interest in Apollo**

It is possible that even if Gold Road is not entitled to proceed to Compulsory Acquisition of minority holdings after the end of the Offer Period under Part 6A.1 of the Corporations Act, it may subsequently become entitled to exercise rights of general Compulsory Acquisition under Part 6A.2 of the Corporations Act; for example, as a result of acquisitions of Apollo Shares in reliance on the "3% creep" exception in item 9 of section 611 of the Corporations Act. If so, it may exercise those rights.

5.5 INTENTIONS IF GOLD ROAD DOES NOT ACQUIRE 50.1% OF APOLLO

If the Offer closes and Gold Road has not acquired a relevant interest in at least 50.1% of Apollo Shares on issue:

(a) Gold Road will seek to:

- (i) obtain representation on the Apollo Board which is at least consistent with its proportionate shareholding; and
- (ii) gain a more detailed understanding of the business assets and operations in order to evaluate performance, profitability and prospects of Apollo in light of the information then available to Gold Road;

(b) Gold Road does not expect to be in a position to give effect to the intentions set out in Sections 5.3 or 5.4; and

(c) Gold Road would otherwise have regard to the circumstances at the time and consider the appropriate courses of action that are in the best interests of the Gold Road and may review its shareholding in Apollo.

5.6 ON-MARKET PURCHASES

From the time the Bidder's Statement is given to Apollo, until the end of the Offer Period, Gold Road intends to conduct on market purchases of Apollo Shares in accordance with item 2 of section 611 of the Corporations Act. Gold Road has appointed Argonaut Securities to make such on-market purchases on its behalf.

5.7 LIMITATIONS ON INTENTIONS

The ability of Gold Road to implement the intentions set out in this Section 5 will be subject to the legal obligation of Apollo's Board to have regard to the interests of Apollo and all Apollo Shareholders, and the requirements of the Corporations Act and the ASX Listing Rules.

Gold Road will only make a decision on the above mentioned courses of action following legal advice in relation to those requirements.

6 FUNDING

6.1 CONSIDERATION UNDER THE OFFER

The Cash Consideration for the acquisition of Apollo Shares will be satisfied in cash (in Australian dollars).

6.2 CASH CONSIDERATION

Based on the number of Apollo Shares on issue as at the date of this Bidder's Statement (but excluding the Apollo Shares in which Gold Road already has a relevant interest), the maximum amount of cash that would be payable by Gold Road under the Offer if acceptances were received for all Apollo Shares is approximately \$130.7 million.

As at the date of this Bidder's Statement, Gold Road understands that there are 5,250,000 Apollo Options on issue.

If all Apollo Options are exercised and the resulting Apollo Shares are accepted into the Offer, approximately \$2.9 million additional Cash Consideration will be payable.

Accordingly, the maximum Cash Consideration which may be required to settle acceptances under the Offer is approximately \$133.6 million.

6.3 SOURCES OF CASH CONSIDERATION

The funds required by Gold Road to satisfy its obligation to pay the aggregate Cash Consideration will be obtained from:

- existing cash and short-term deposits reserves (as at 30 September 2021, Gold Road had cash reserves of \$116 million); and
- draw down under the currently undrawn \$250 million Revolving Corporate Facility, which consists of the following tranches:
 - \$100 million which matures in February 2023; and
 - \$150 million which matures in September 2024.

Although the sources of funding of Gold Road are in excess of the maximum consideration under the Offer, Gold Road may, and reserves the right to, obtain the funds necessary for it to meet its obligations under the Offer from other or additional sources.

If Gold Road seeks other funds or additional sources of funding, no restriction or delay will be imposed on the performance of Gold Road's obligations under the Offer.

The Offer is not subject to any financing conditions.

6.4 PROVISION OF CONSIDERATION

On the basis of the arrangements described in this Section 6, Gold Road is of the opinion that it has a reasonable basis for holding the view, and holds the view, that Gold Road will be able to provide 100% of the Cash Consideration offered under the Offer.

7 TAXATION CONSIDERATIONS

7.1 TAXATION CONSIDERATIONS FOR AUSTRALIAN TAX RESIDENT APOLLO SHAREHOLDERS

(a) Introduction

The following is an outline of the principal Australian income tax consequences applicable to an Apollo Shareholder who disposes of their Apollo Shares under the Offer. This outline reflects the current provisions of the *Income Tax Assessment Act 1936* (Cth) and the *Income Tax Assessment Act 1997* (Cth) and the regulations made under those Acts, taking into account the Bidder's understanding of the current administrative practices of the ATO. The outline does not otherwise take into account or anticipate changes in the law, whether by way of judicial decision or legislative action, nor does it take into account tax legislation of countries apart from Australia.

The following outline is not exhaustive of all possible Australian income tax considerations that could apply to Apollo Shareholders.

The summary does not apply to Apollo Shareholders:

- (i) that may be subject to special tax rules, such as banks, insurance companies, tax exempt organisations, superannuation funds, dealers in securities;
- (ii) who do not hold Apollo Shares on capital account;
- (iii) who are exempt from Australian tax;
- (iv) who hold Apollo Shares on behalf of another person;
- (v) who acquired their Apollo Shares as part of an employee share scheme or who hold Performance Rights;
- (vi) who have not been resident in the same country for tax purposes throughout the period they have owned their Apollo Shares;
- (vii) who are, or have been, temporary residents of Australia for the purposes of the Australian tax legislation;
- (viii) who are non-residents of Australia for tax purposes who currently hold, or have held, at any time, Target Shares through a permanent establishment in Australia; or
- (ix) who are subject to the "taxation of financial arrangements" regime.

This outline does not constitute tax advice, and is not intended to and should not be used or relied upon by anyone, and Gold Road accepts no duty of care to any other person or entity. Each Apollo Shareholder should consult their own tax adviser regarding the consequences of acquiring, holding or disposing of their Apollo Shares.

(b) Australian resident Apollo Shareholders

(i) Accepting the Offer

If you accept the Offer, the disposal of your Apollo Shares will constitute a CGT event for Australian income tax purposes. You will be taken to have disposed of your Apollo Shares for CGT purposes when the contract to sell your Apollo Shares is formed. This should be the date that you accept the Offer.

(ii) Compulsory Acquisition

If Gold Road becomes entitled to compulsorily acquire any outstanding Apollo Shares under the Corporations Act (see Section 5.3 above) and your Apollo Shares are compulsorily acquired, you will be taken to have disposed of your Apollo Shares for CGT purposes. The date of disposal will be the date you cease to be the owner of the Apollo Shares.

(iii) Not accepting the Offer

There should be no CGT consequences if you do not accept the Offer and your Apollo Shares are not compulsorily acquired as per Section 5.3.

(iv) Calculating the capital gain or loss

If you acquired your Apollo Shares before 20 September 1985, then, in general, no CGT consequences should arise on the disposal of those shares. If you acquired your Apollo Shares after 20 September 1985, you may make a capital gain or loss on the disposal of the Apollo Shares.

You will realise a capital gain in connection with the disposal of an Apollo Share to the extent that your capital proceeds are more than the CGT cost base of that Apollo Share. You will realise a capital loss to the extent that the amount you receive (or will receive) is less than the CGT reduced cost base of the Apollo Share.

Capital losses can usually only be offset against capital gains you realise in the same income year or be carried forward to offset a capital gain made in later income years, subject to the satisfaction of certain loss recoupment tests.

(v) Capital proceeds

The capital proceeds for an Apollo Share should equal the Cash Consideration.

(vi) Cost base

Generally, the cost base of an Apollo Share should be the total amount you paid for the Apollo Share, your acquisition costs and other costs relating to the holding and disposal of the Apollo Share, to the extent to which you have not claimed an income tax deduction for such costs. The reduced cost base of an Apollo Share is usually determined in a similar, but not identical, manner.

If you acquired an Apollo Share before 11:45 am on 21 September 1999, and you are an individual, complying superannuation entity, the trustee of a trust or a listed investment company, it may be possible to index expenditure incurred at or before that time in working out the cost base (but not the reduced cost base) of the Apollo Share. If you choose to calculate your cost base with reference to indexation, the CGT discount (discussed below) would not be available.

(vii) CGT discount

If you:

- are an individual, complying superannuation entity or trustee of a trust;
- you acquired (or are taken to have acquired) your Apollo Shares at least 12 months prior to the time of the CGT event (excluding the date of acquisition and the date of the CGT event); and
- you did not choose to index the cost base of your Apollo Shares (discussed above),

the CGT discount may apply to reduce your capital gain (after first reducing the capital gain by any available capital losses) made from the disposal of your Apollo Shares.

Individuals and trusts (except a trust that is a complying superannuation entity) may be entitled to a CGT discount of 50%, while complying superannuation entities may be entitled to a CGT discount of 33 $\frac{1}{3}$ %. The CGT discount is not available to companies.

Any resulting net capital gain (ie the amount remaining after application of any available capital losses, available CGT discounts and/or concessions) should be included in your assessable income and subject to Australian income tax at the applicable marginal tax rate.

(c) **Non-Australian resident Apollo Shareholders**

If you are not a resident of Australia for tax purposes, and do not use your Apollo Shares in carrying on a business through an Australian permanent establishment, you may be able to disregard the whole of any capital gain or capital loss made upon the disposal of your Apollo Shares, unless the Apollo Shares constitute “indirect Australian real property interests”. The Apollo Shares will constitute an indirect Australian real property interest if:

- (i) you hold a “non-portfolio interest” in Apollo; and
- (ii) the Apollo Shares pass the “principal asset test”.

You will hold a “non-portfolio interest” in Apollo if you (together with your Associates) hold 10% or more of the Apollo Shares:

- (iii) at the time of disposal; or
- (iv) throughout a 12 month period during the 24 months preceding the disposal.

Broadly, the Apollo Shares will pass the “principal asset test” at the time of disposal if the market value of Apollo’s direct and indirect interests in Australian real property assets (including mining and exploration leases and licences and mining rights) exceeds the sum of the market values of Apollo’s other assets.

If you are not a resident of Australia for tax purposes and are subject to tax on disposal of your Apollo Shares, the CGT discount may apply to reduce part of your capital gain (after first reducing the capital gain by any available capital losses) made from the disposal of your Apollo Shares if you acquired (or are taken to have acquired) your Apollo Shares on or before 8 May 2012. Otherwise, the CGT discount is not available to non-Australian resident Apollo Shareholders.

If you are not a resident of Australia for tax purposes and do not hold your Apollo Shares through an Australian permanent establishment, you should obtain specific advice on the Australian tax consequences of disposing of your Apollo Shares.

(d) **Stamp duty and GST**

An Apollo Shareholder that disposes of an Apollo Share to Gold Road is not expected to incur any Australian stamp duty or be subject to Goods and Services Tax (**GST**) on that disposal.

7.2 NON-AUSTRALIAN RESIDENT CGT WITHHOLDING

Where a non-resident of Australia disposes of certain taxable Australian property, the purchaser is required to pay 12.5% of the purchase price to the ATO.

Gold Road will have an obligation to pay 12.5% of the Cash Consideration (**CGT Withholding Tax**) to the ATO if your Apollo Shares are “indirect Australian real property interests” (discussed above) and Gold Road:

- (a) knows or reasonably believes that you are a non-resident of Australia; or
- (b) does not reasonably believe that you are an Australian resident, and either:
 - (i) you have an address outside Australia; or
 - (ii) Gold Road is authorised to pay the Cash Consideration to a place outside Australia.

If Gold Road determines that it has an obligation to pay CGT Withholding Tax in respect of an Apollo Share, Gold Road may ask the relevant Apollo Shareholder to complete a Foreign Resident Declaration Form (**Declaration Form**). In this Declaration Form, the relevant Apollo Shareholder may declare that it is an Australian tax resident or that their Apollo Shares are not indirect Australian real property interests.

If the relevant Apollo Shareholder does not provide an appropriately completed Declaration Form by the relevant time or if Gold Road reasonably believes that the information in the Declaration Form is not correct, Gold Road will

withhold the CGT Withholding Tax from the Cash Consideration payable to that Apollo Shareholder. In such an instance, the relevant Apollo Shareholder will only receive the net proceeds and will be taken to receive the full Cash Consideration for the purposes of the Offer.

Any CGT Withholding Tax withheld is not a final tax and you will receive a credit for amounts withheld on filing an Australian tax return and may receive a refund of tax if amounts have been withheld in excess of your actual Australian tax liability.

- (iii) complete and sign your personalised Acceptance Form and lodge it by returning it to the address as indicated under clause 4.3(e) in sufficient time for Gold Road or Computershare to instruct your Broker or other Controlling Participant to initiate acceptance of the Offer on your behalf so that your acceptance is received before 7.00 pm (Sydney Time) on the last Business Day of the Offer Period.

Neither Gold Road nor Computershare will be responsible if your Controlling Participant does not acknowledge and confirm your acceptance in sufficient time.

If your Apollo Shares are in an Issuer Sponsored Holding, to accept this Offer you must complete and sign your personalised Acceptance Form in accordance with the instructions on it and lodge it by returning it (together with all other documents required by the instructions on the Acceptance Form) to the address indicated under clause 4.3(e) so that your acceptance is received before the end of the Offer Period.

- (c) **If some of your Apollo Shares are held in a number of forms**

If some of your Apollo Shares are in different holdings your acceptance of this Offer may require action under clauses 4.3(a) and 4.3(b) in relation to the separate portions of your Apollo Shares.

- (d) **If you are a Broker or a Participant**

To accept this Offer you must initiate acceptance in accordance with the requirements of the ASX Settlement Operating Rules before the end of the Offer Period.

- (e) **Postal address**

Completed Acceptance Forms should be sent to:

Computershare Investor Services Pty Limited

A reply paid envelope (not able to be used by Apollo Shareholders outside Australia) is enclosed for your convenience.

If your Acceptance Form (including any documents required by the terms of this Offer and the instructions on the Acceptance Form) is returned by post, for your acceptance to be valid you must ensure that they are posted or delivered in sufficient time for them to be received by Gold Road at the address specified on the Acceptance Form before the end of the Offer Period.

The transmission of the Acceptance Form and other documents is at your own risk.

(f) **Acceptance Form**

The Acceptance Form which accompanies this Offer forms part of it. Subject to clause 4.6, the requirements on the Acceptance Form must be observed in accepting this Offer in respect of your Apollo Shares.

(g) **Beneficial owners**

4.4 ACCEPTANCE PROCEDURE FOR HOLDERS OF APOLLO OPTIONS

If you:

- (a) hold Apollo Options on the date of this Offer; and
- (b) are entitled to and wish to exercise the Apollo Options during the Offer Period and accept this Offer in respect of the Apollo Shares issued upon exercise,

you should exercise the Apollo Options in accordance with their terms and accept the Offer in respect of the resulting Apollo Shares.

4.5 POWER OF ATTORNEY, DECEASED ESTATE

When accepting this Offer, you should also forward for inspection:

- (a) if the Acceptance Form is executed by an attorney, a certified copy of the power of attorney; and
- (b) if the Acceptance Form is executed by the executor of a will or the administrator of the estate of a deceased Apollo Shareholder, a certified copy of the relevant grant of probate or letters of administration.

4.6 WHEN ACCEPTANCE IS COMPLETE

Acceptance of this Offer will not be complete until your acceptance is made in accordance with clause 4.3 and the requirements of this clause 4 have otherwise been met, provided that:

- (a) Gold Road may in its sole discretion and without notice to you waive any or all of those requirements at any time (including but not limited to requirements in relation to the manner or method of acceptance, or the deadline for receipt of acceptances specified under clause 4.3); and
- (b) where such requirements have been complied with in respect of some but not all of your Apollo Shares, Gold Road may, in its sole discretion, deem your acceptance of this Offer complete in respect of those Apollo Shares for which the requirements have been complied with but not in respect of the remainder (unless Gold Road waives those requirements in accordance with clause 4.6(a)).

Where Gold Road elects to waive any requirement of this clause 4, your acceptance of this Offer will be complete regardless of any failure by you to comply with the waived requirement.

5 PAYMENT FOR YOUR APOLLO SHARES

5.1 HOW PAYMENT FOR YOUR APOLLO SHARES WILL BE MADE

- (a) **Cash Consideration:** payment of the cash amount to which you are entitled under the Offer will be made by cheque (or otherwise as determined by Gold Road) in Australian currency.
- (b) **Address:** anything to be dispatched to you under this clause 5.1 will be sent to you at your own risk by pre-paid ordinary mail or, in the case of addresses outside Australia, by pre-paid airmail, to your address as shown on the register of Apollo.
- (c) **Joint holdings:** if your Apollo Shares are held in a joint name, the cheque will be issued in the name of the joint holders and forwarded to the address that appears first in the register of Apollo.

5.2 WHEN CASH CONSIDERATION IS PROVIDED

Subject to clause 5.3 and the Corporations Act, if you accept the Offer, Gold Road will provide the Cash Consideration to which you are entitled on acceptance of this Offer within 5 Business Days after the date of your acceptance of this Offer.

The Cash Consideration to which you are entitled will be considered paid at the time when the cheque is posted (or when the payment is otherwise processed) by Computershare or Gold Road.

5.3 WHERE ADDITIONAL DOCUMENTS ARE REQUIRED

Where the Acceptance Form or any subsequent request from Gold Road requires additional documents to be given with your acceptance (such as a certified copy of a power of attorney, grant of probate or letters of administration, or any other document reasonably requested by Gold Road to give better effect to your acceptance):

- (a) if the documents are given with your acceptance, Gold Road will provide the Cash Consideration in accordance with clauses 5.1 and 5.2; or
- (b) if the documents are given after the end of the Offer Period, Gold Road will pay you the Cash Consideration within 5 Business Days after those documents are given.

If you do not provide Gold Road with the required additional documents within one month after the end of the Offer Period, Gold Road may, in its sole discretion, rescind the contract resulting from your acceptance of this Offer.

5.4 WHERE GOLD ROAD IS ENTITLED TO ANY RIGHTS

If Gold Road becomes entitled to any Rights as a result of your acceptance of this Offer, it may require you to give Gold Road all documents necessary to vest those Rights in Gold Road or otherwise to give Gold Road the benefit or value of those Rights. If you do not give those documents to Gold Road, or if you have received the benefit of those Rights, then Gold Road may deduct from the consideration otherwise due to you the amount (or value, as reasonably assessed by Gold Road) of those Rights in accordance with clause 5.7.

5.5 WITHHOLDING

If any amount (the **withholding amount**) is required, under any Australian law or by any Governmental Agency, to be:

- (a) withheld from any consideration otherwise payable to you under the Offer and paid to a Governmental Agency; or
- (b) retained by Gold Road out of any consideration otherwise payable to you under the Offer,

the payment or retention by Gold Road of the withholding amount (as applicable) will constitute full discharge of Gold Road's obligation to pay the consideration to you to the extent of the withholding amount.

5.6 INTEREST

Under no circumstances will interest be paid on the consideration to which you are entitled, regardless of any delay in providing the consideration.

5.7 RIGHTS GENERALLY

If:

- (a) you have (or any previous holder of your Apollo Shares has) received the benefit of any Rights (whether in respect of non-cash benefits or otherwise); or
- (b) you are (or any previous holder of your Apollo Shares is) entitled to receive the benefit of any Rights under the terms that provide for or otherwise apply to those Rights (for example, if the Right is to receive a dividend, if you are (or any previous holder of your Apollo Shares is) the registered holder of the share at the specified time for determining those entitled to the dividend); or
- (c) your Apollo Shares were issued (or otherwise came into existence) on or after the specified time for determining entitlements in respect of any Rights to Apollo Shareholders,

then Gold Road may deduct the value (as reasonably assessed by Gold Road) of such Rights from any Cash Consideration otherwise payable to you.

If Gold Road does not, or cannot, make such a deduction, you must pay such value or amount to Gold Road.

6 NO CONDITIONS

The Offer is not subject to any conditions.

7 EFFECT OF ACCEPTANCE

 - (c) agreed to indemnify Gold Road in respect of any claim or action against it or any loss, damage or liability whatsoever incurred by it as a result of you not producing your HIN or SRN or in consequence of the transfer of your Apollo Shares to Gold Road being registered by Apollo without production of your HIN or SRN; and
 - (d) irrevocably accepted this Offer in respect of all your Apollo Shares despite any difference between that number and the number of Apollo Shares shown on the Acceptance Form; and
 - (e) agreed to the terms of this Offer, and agreed to transfer (or consented to the transfer in accordance with the ASX Settlement Operating Rules) to Gold Road of your Apollo Shares; and

 - (A) attend and vote in respect of your Apollo Shares at all general meetings of Apollo;

 - (C) sign all documents (including an instrument appointing one of Gold Road's directors as a proxy in respect of any or all of your Apollo Shares and any application to Apollo for a replacement certificate in respect of any share certificate which has been lost or destroyed) and resolutions relating to your Apollo Shares, and generally to exercise all powers and rights which you may have as an Apollo Shareholder and perform such actions as may be appropriate in order to vest good title in your Apollo Shares in Gold Road, and to have agreed that, in exercising such powers, any such director is entitled to act in Gold Road's interests as the beneficial owner and intended registered holder of your Apollo Shares; and
 - (h) agreed not to vote in person at any general meeting of Apollo or to exercise (or purport to exercise) in person, by proxy or otherwise, any of the powers conferred on Gold Road or a Bidder's director by clause 7.2; and
 - (i) irrevocably authorised and directed Gold Road to direct Apollo to pay to Gold Road, or to account to Gold Road for, all Rights in respect of your Apollo Shares, subject to Gold Road accounting to you for any such Rights received by Gold Road if this Offer is withdrawn or any contract resulting from your acceptance to this Offer is rescinded or rendered void; and
 - (j) irrevocably authorised Gold Road to notify Apollo on your behalf that your place of address for the purposes of serving notices upon you in respect of your Apollo Shares is the address specified by Gold Road in the notification; and

If Gold Road does not, or cannot, make such a deduction, you must pay such amount to Gold Road; and
 - (E) agreed that if you are unable to assign to Gold Road any of the rights and recourse specified under clause 7.2(k)(C) and (D), you will assign such rights and recourse as soon as you are legally able to; and

By accepting this Offer you will be deemed to have agreed to the matters set out in clauses 7.2(a) to 7.2(l) above, notwithstanding where this Offer has been caused to be accepted in accordance with the ASX Settlement Operating Rules.

Except in relation to Apollo Shares in a CHES Holding, Gold Road may at any time deem the receipt of a signed Acceptance Form to be a valid acceptance of this Offer even though you omit to include your share certificate(s) (if any) or there is non-compliance with any one or more of the other requirements for acceptance but, if Gold Road does so, Gold Road is not obliged to make the Cash Consideration available to you until all of the requirements for acceptance have been met.

8 WITHDRAWAL

Gold Road may withdraw unaccepted Offers at any time with the written consent of ASIC and subject to the conditions (if any) specified in such consent.

9 VARIATION

Gold Road may vary this Offer in accordance with the Corporations Act.

10 ACCEPTANCES BY TRANSFEREES AND NOMINEES

10.1 WHO MAY ACCEPT THIS OFFER

During the Offer Period:

- (a) any person who is able to give good title to a parcel of your Apollo Shares may accept this Offer (if they have not already accepted an offer in the form of this Offer) as if an offer on terms identical with this Offer has been made to them; and
- (b) any person who holds one or more parcels of Apollo Shares (within the meaning of section 653B of the Corporations Act) as trustee, nominee, or otherwise on account of another person or several distinct beneficial owners, may accept (in compliance with the procedure in section 653B(3) of the Corporations Act) as if a separate and distinct offer had been made in relation to:
 - (A) each of those distinct parcels; and
 - (B) any distinct parcel they hold in their own right.

If your Apollo Shares are registered in the name of a Broker, bank, trust company or other nominee, you should contact that nominee for assistance in accepting the Offer.
