PROJECTS

NENDO BAUXITE PROJECT

The Nendo Bauxite Project (**Nendo**) is located in the Solomon Islands.

On 6 June 2018, the Company advised it had unexpectedly received a letter from the Solomon Islands' Minister of Mines, Energy and Rural Electrification (**Minister**), advising that prospecting license PL 01/16 (**Prospecting License**) held by its 50% owned subsidiary joint venture company, Eight South Investments Pty Ltd (**JVC**), in respect of the Nendo project was cancelled (**Minister's Letter**) (ASX announcement 6 June 2018).

In accordance with the requirements of the Minister's Letter, work at Nendo was immediately suspended.

Following lengthy court proceedings, the Company provided an update on the court proceedings (ASX announcement 5 September 2019).

The JVC received a letter from the Registrar of the High Court and Court of Appeal of the Solomon Islands confirming that the Attorney General's Notice of Appeal was filed out of time. If the Attorney General wished to further pursue an appeal, he would be first required to bring an application to obtain the leave of the High Court to apply to extend the period for lodging a Notice of Appeal and only then if successful could he again apply to the High Court for leave to bring such an appeal.

On 13 September 2019, the Attorney General filed an application for leave to file an appeal out of time and on 29 October 2019, the Court of Appeal advised that the Attorney General's application for leave had been granted.

On 6 December 2019, the Court of Appeal ordered that the parties to the proceedings were

to provide submissions to the Court.

Prior to the expiry of PL 01/16, the JVC took steps to extend or, alternatively, to renew the term of PL 01/16. Those matters were not determined, pending the outcome of the proceedings before the High Court and subsequent appeal.

On 8 June 2020, the JVC received an order from the from the Registrar of the High Court and Court of Appeal of the Solomon Islands amending previous orders made on 6 December 2019 relating to the Prospecting License. The direction orders dated 8 June 2020 require that written submissions be provided to the Court of Appeal by 15 June 2020. The JVC applied for an extension and filed a submission in November 2020. Both parties to the proceedings have agreed to determine the appeal on the papers.

On 2 February 2021, the Company announced the judgement from the Court of Appeal in the Solomon Islands on 1 February 2021 where "the Court of Appeal agreed with the High Court's judgement that the Minister for Mines, Energy and Rural Electrification acted ultra vires his powers under Section 71(1) and (2) of the Mines and Minerals Act [CAP. 42] thereby quashing the Minister's decision of 24 May 2018 which cancelled the Respondent's Prospecting Licence (PL No. 01/16)" (refer ASX Announcement dated 2 February 2021).

During the quarter to 30 September 2021, the Administrators continued to seek options as to the possibility of reinstating the Prospecting Licence.

The Company confirms that a condition of the varied DOCA presented by Oceanic is for the Solomon Islands' interests to be divested. PBX notes its previous intentions to divest the Solomon Islands' interests prior to the external administration as announced to the market on 13 December 2019.

Authorised for release by the Board and the Joint and Several Deed Administrators of Pacific Bauxite Limited.

Ends.
