Ben Donovan

Company Secretary

## About Schrole

Schrole is a global provider of software-as-a-service (SaaS) solutions for teachers and educational organisations.

The Company's vision is to become the world's leading online marketplace for teachers and educational institutions.

**Schrole Human Resources SaaS (Schrole HR)** provides a range of integrated modules to optimise Human Resources processes and provide online professional development for teachers and educational organisations. Schrole HR will integrate Schrole's current and new product offerings, to provide a full suite of 6 Human Resources Software-as-a-Service (SaaS) offerings, comprising:

- **Connect** is an online SaaS platform that enables international schools to streamline teacher recruitment and candidate management activities. Significant enhancements include interview scheduling and calendar integration, DocuSign integration and customisable email management.
- **Events** functionality is included as part of the Connect subscription suite and was released in September 2021 and provides regionalised online recruitment events.
- **Verify** provides background screening in the international schools' sector.
- **Engage** is due for first release before 1Q2022 and will provide contract management and onboarding software for schools.
- **Cover** is a cloud-based software platform that engages relief staff at the touch of a button.
- **Develop** provides accredited professional development solutions contextualised to client needs.

This release was authorised by the Company's Board of Directors.
