### About Winsome Resources

*Winsome Resources (ASX: WR1) is a Perth-based, lithium focused exploration and development company with three project areas in the James Bay Region of Quebec Province, Canada.*

*All three of Winsome’s projects – Cancet, Adina and Sirmac-Clappier – are 100 per cent owned by the Company. The most advanced project, Cancet, provides a shallow, high-grade lithium deposit and is strategically located close to established infrastructure and supply chains.*

*Winsome is led by a highly qualified team with strong experience in lithium exploration and development as well as leading ASX listed companies.*
