SRG Global Ltd ('SRG Global' or 'the Company') (ASX: SRG) is pleased to announce that it has secured two facade contracts in Melbourne totalling ~\$20m.

The first contract is with Lendlease to design, supply and install specialist engineered curtain wall facades at the M1 building, as part of the iconic Melbourne Quarter development. The c.\$2.9 billion Melbourne Quarter development is centrally located in Melbourne directly opposite Southern Cross station, with frontages to Collins Street and Flinders Street and has been awarded the highest sustainability rating for precincts in Australia through the 6 Star Green Star Communities award, representing 'world leadership in sustainable design'. The new project will start immediately and run for approximately 17 months.
