

APPOINTMENT OF CHIEF OPERATING OFFICER

MLG Oz Limited (ASX:MLG), is pleased to announce the appointment of Mark Hatfield to the position of Chief Operating Officer (COO).

Mark brings a wealth of experience across both Australian mining operations and internationally. Mark has spent the last 5 years with Macmahon Holdings as the Executive General Manager Plant and Innovation, responsible for over 500 staff through a period of significant growth.

An experienced operator with over 20 years in the mining and heavy equipment industries, he has a deep understanding of maintenance and mining operations. He has led numerous initiatives to enhance operations, from the development of apprenticeship programs, improvement of asset utilisation, rebuild programs, new business development and in establishing and mobilising large scale projects.

Mark will join MLG in late February 2022, based in our Perth office and will have operational responsibility for all MLG operations including all site and maintenance activities.

“We are delighted to have Mark join MLG,” said MLG founder, Managing Director, and majority shareholder Murray Leahy. “Mark brings a breadth of experience in maintenance and mining operations which will enhance our existing leadership capabilities.”

MLG is a founder led business which provides a range of services to mine sites, integrated around the needs of client’s ore processing facilities.

MLG Oz Limited (ASX:MLG), (“MLG”) an Australian company based in Kalgoorlie, Western Australia, provides integrated services across gold, iron ore, and other base metal clients throughout Western Australia and in the Northern Territory.

MLG’s offering includes crusher feed, road maintenance, rehabilitation work, vehicle maintenance, machine and labour hire and mine site haulage including end-to-end logistics solutions, with a dedicated facility at the Esperance Port.

MLG’s 100%-owned quarries are strategically located near existing mining operations which facilitates the efficient supply of bulk construction materials comprising sand, aggregate and lime to clients.

Authorised for release by the Board of Directors.
