

WAM Capital and Westoz set to merge

23 December 2021
ASX announcement

WAM Capital Limited (WAM Capital) (ASX: WAM) and Westoz Investment Company Limited (Westoz) (ASX: WIC) are pleased to announce that they have entered into a Scheme Implementation Agreement (annexed to this announcement) to merge the two entities (**Proposed Transaction**).

Under the Proposed Transaction, WAM Capital will acquire 100% of the shares in Westoz that it does not currently own through a scheme of arrangement (**Scheme**). Under the Scheme, Westoz shareholders will receive new WAM Capital shares as consideration for their Westoz shares. The number of WAM Capital shares to be offered for each Westoz share will be determined by a formula based on the ratio of the share price of WAM Capital to the net tangible assets (**NTA**) of Westoz before tax (**pre-tax NTA**). Using the share price of WAM Capital and the pre-tax NTA of Westoz at 30 November 2021 as an example¹, Westoz shareholders would receive 0.652 new WAM Capital shares for each Westoz share they hold under the Proposed Transaction, with an indicative market value of \$1.447 per Westoz share, representing a 23.7% uplift over the closing price of Westoz on that day.

It is the intention of the WAM Capital Board of Directors to ensure that all Westoz shareholders receiving WAM Capital shares issued under the Scheme will be eligible to receive the WAM Capital FY2022 fully franked interim dividend. A condition of the Proposed Transaction is that Westoz will not pay an interim dividend and consequently the dividend target for Westoz is withdrawn.

WAM Capital has today announced a similar transaction involving Ozgrowth Limited (ASX: OZG). The Proposed Transaction is independent of that transaction and the two transactions are not inter-conditional. The Proposed Transaction will proceed whether or not the transaction between WAM Capital and Ozgrowth Limited proceeds and vice versa.

WAM Capital Chairman Geoff Wilson AO said: "The WAM Capital Board of Directors believe the merged entity under the Scheme will provide both Westoz and WAM Capital shareholders with appealing benefits. We look forward to welcoming Westoz shareholders to the Wilson Asset Management family."

Westoz Board's Recommendation

Subject to the independent expert determining that the Proposed Transaction is in the best interests of Westoz shareholders, and in the absence of a superior proposal, the Westoz Board of Directors believe the Proposed Transaction is in the best Interests of Westoz shareholders and intend to vote their own Westoz shares in favour of the Proposed Transaction.

Westoz Chairman Jay Hughes said: "An investment in WAM Capital through the Proposed Transaction offers our shareholders greater liquidity and a more favourable alignment between market price and underlying asset value for their holdings. WAM Capital also offers a similarly successful track record of underlying portfolio performance".

¹ Based on WAM Capital's closing share price of \$2.22 per share, Westoz's pre-tax NTA of \$1.346 per share and Westoz's closing share price of \$1.17 per share on 30 November 2021. The implied value of the Offer depends on the value of WAM Capital's share price and the Westoz pre-tax NTA at the Calculation Date and the WAM Capital share price at the time the Scheme consideration is issued (on the Implementation Date), and could be higher or lower than the example used.

Key benefits of the Proposed Transaction

The Proposed Transaction offers substantial benefits for Westoz shareholders including:

- the ability to exit their investment in Westoz at premium to the stated pre-tax NTA backing of the company and a premium to the share price of Westoz;
- Wilson Asset Management's investment expertise and experience;
- Wilson Asset Management's commitment to shareholder engagement;
- WAM Capital's track record of investment portfolio performance; and
- WAM Capital's greater market capitalisation and on-market liquidity.

If the Proposed Transaction proceeds, it will create a single listed investment company with a larger capital and shareholder base. The merged entity will have:

- stable and clearly articulated investment strategy and a proven investment manager with a track record of providing investment portfolio performance for shareholders since inception in August 1999;
- the removal of duplication of expenses such as ASX listing fees, share registry fees, audit fees, compliance costs and other public listed company costs, as well as a larger pool of assets to spread the expenses across;
- a share price which has historically traded at a premium to the company's pre-tax NTA; and
- a pre-tax NTA of approximately \$1,860.3 million (based on the reported 30 November 2021 NTAs of WAM Capital and Westoz) and approximately 45,000 shareholders.

Scheme Consideration and Conditions Precedent

As consideration for their Westoz shares under the Scheme, Westoz shareholders will receive new WAM Capital shares as consideration for their Westoz shares. The number of WAM Capital shares to be offered for each Westoz share will be determined by a formula, based on the ratio of the volume weighted average share price of WAM Capital on the calculation date and a 7.5% premium to the pre-tax NTA of Westoz. The indicative calculation date for this ratio is 31 March 2022, subject to any adjustments required by ASIC or ASX. It is a condition precedent that at the calculation date, the Westoz pre-tax NTA has not fallen more than 10% compared to the Westoz pre-tax NTA most recently announced on the ASX prior to the date of this announcement and the WAM Capital share price premium to NTA remaining between 12.5% and 25.0%.

Scheme Implementation Agreement and indicative timeline

WAM Capital and Westoz have entered into the attached Scheme Implementation Agreement, which contains the terms and conditions on which WAM Capital and Westoz will implement the Proposed Transaction. The Scheme Implementation Agreement includes a number of customary clauses and is subject to conditions precedent including Westoz shareholders approving the Scheme, the independent expert concluding that the Proposed Transaction is in the best interests of Westoz shareholders and the Supreme Court of Western Australia approving the Scheme.

It is currently anticipated that Westoz shareholders will be given the opportunity to vote on the Scheme at a meeting expected to be held on 4 April 2022. Detailed information relating to the Scheme will be set out in the Scheme Booklet, which is expected to be sent to Westoz shareholders by the end of March 2022.

An indicative timetable for the Proposed Transaction is set out below:

 - (i) is satisfied as soon as practicable after the date of this agreement; and
 - (ii) continues to be satisfied at all times until the last time it is to be satisfied (as the case may require); and
- (b) there is no occurrence that would prevent the Condition Precedent for which it is a party responsible being satisfied.

3.3 Regulatory matters

Without limiting clause 3.2, for the purposes of the Condition Precedent in clause 3.1(a) each party:

- (a) **(applying for ASIC and ASX consents and approvals)** must promptly apply for all relevant ASIC and ASX consents and approvals and provide each other party with a copy of those applications (provided that any commercially sensitive information may be redacted from the copy provided);

 - (iii) will be effective only to the extent specifically set out in that waiver; and
 - (iv) may only be waived before 8.00am on the date of the Second Court Date.
- (b) A party entitled to waive the breach or non-fulfilment of a Condition Precedent under this clause 3.4 may do so in its absolute discretion.
- (c) If either Westoz or WAM Capital waives the breach or non-fulfilment of a Condition Precedent in accordance with this clause 3.4, then:

 - (ii) if the waiver of the Condition Precedent is itself conditional and the other party:
 - (A) accepts the condition, the terms of that condition apply notwithstanding any inconsistency with clause 3.4(c)(i); or
 - (B) does not accept the condition, the Condition Precedent has not been waived.
- (d) A waiver of a breach or non-fulfilment in respect of a Condition Precedent does not constitute:

 - (ii) a waiver of a breach or non-fulfilment of that Condition Precedent resulting from any other event.

3.5 Notices in relation to Conditions Precedent

- (c) **(notice of waiver)** upon receipt of a notice given under clause 3.5(b), give written notice to the other party as soon as possible (and in any event before 5.00pm on the day before the Second Court Date) as to whether or not it waives the breach or non-fulfilment of any Condition Precedent resulting from the occurrence of that event, specifying the Condition Precedent in question.

3.6 Deferral of Second Court Date

- (a) If a Condition Precedent (other than the Condition Precedent in clause 3.1(c)) is not satisfied by the time and date specified for that Condition Precedent (and has not been waived in accordance with this agreement), then unless there is no reasonable prospect that the Condition Precedent will be satisfied before the End Date, Westoz must make an application to defer the Second Court Date until such time (being no later than the Business Day before the End Date) as reasonably required to enable the relevant Condition Precedent to be satisfied.
- (b) If the Condition Precedent in clause 3.1(b) is not satisfied only because of a failure to obtain the majority required by section 411(4)(a)(ii)(A) of the Corporations Act, then either party may by written notice to the other within three Business Days after the date of the conclusion of the Scheme Meeting require the approval of the Court to be sought, pursuant to the Court's discretion in that section provided the party has in good faith formed the view that the prospect of the Court exercising its discretion in that way is reasonable.

 - (b) there is an act, failure to act or occurrence which will prevent a Condition Precedent being satisfied by the time or date specified in this agreement for the satisfaction of the Condition Precedent (and the breach or non-fulfilment which would otherwise occur has not already been waived in accordance with this agreement); or
 - (c) the Scheme has not become Effective by the End Date,
- the parties must consult in good faith with a view to determine whether:
- (d) the Scheme may proceed by way of alternative means or methods;
 - (e) to extend the relevant time for satisfaction of the Condition Precedent or to adjourn or change the date of an application to the Court; or
 - (f) to extend the End Date.

If the parties are unable to reach agreement under clause 3.7 within five Business Days (or any shorter period ending at 5.00pm on the day before the Second Court Date):

- (a) subject to clause 3.8(b), either party may terminate this agreement (and that termination will be in accordance with clause 11.1(f)(i)); or
- (b) if the relevant Condition Precedent may be waived and exists for the benefit of one party only, that party only may waive that Condition Precedent or terminate this agreement (and that termination will be in accordance with clause 11.1(f)(ii)), in each case before 8.00am on the Second Court Date.
- (c) A party will not be entitled to terminate this agreement under this clause if the relevant Condition Precedent has not been satisfied or agreement cannot be reached as a result of a breach of this agreement by that party or a deliberate act or omission of that party.

- (b) WAM Capital will, unless satisfied that the laws of an Ineligible Overseas Shareholder's country of residence (as shown in the Register) permit the issue of New WAM Capital Shares under the Scheme to the Ineligible Overseas Shareholder (either unconditionally or after compliance with conditions which WAM Capital and Westoz reasonably regard as acceptable and not unduly onerous and not unduly impracticable), issue New WAM Capital Shares to which an Ineligible Overseas Shareholder would otherwise become entitled to a nominee appointed by WAM Capital who will sell those New WAM Capital Shares and pay to that Ineligible Overseas Shareholder the proceeds received, after deducting any applicable brokerage, taxes and charges.

 - (ii) is to be paid from accumulated profits, retained earnings or distributable reserves (or a combination of all or some of them) of WAM Capital existing immediately prior to the declaration of that dividend.

The provisions of this clause 4.5 do not prevent the determination to pay or declaration or payment of a dividend by WAM Capital if this agreement is terminated.

4.6 Westoz dividend prohibited other than in certain circumstances

- (a) The parties acknowledge their intention for the Scheme Participants to be eligible for the WAM Capital Permitted Dividend.

- (a) negotiates or enters into; or
- (b) participates in negotiations or discussions with any other person regarding, a Competing Transaction or any agreement, understanding or arrangement that may be reasonably expected to lead to a Competing Transaction, even if that person's Competing Transaction was not directly or indirectly solicited, invited, encouraged or initiated by Westoz or any of its Representatives or the person has publicly announced the Competing Transaction.

- (a) enables any other person other than WAM Capital and its Representatives to undertake due diligence investigations on Westoz or its business or operations; or

- (b) makes available to any other person, or permits any other person to receive, other than WAM Capital and its Representatives (in the course of due diligence investigations or otherwise) any non-public information relating to Westoz or its business or operations.

9.5 Exceptions

Clause 9.3 and clause 9.4 do not apply to the extent that they restrict Westoz or the Westoz Board from taking or refusing to take any action with respect to a genuine Competing Transaction (which was not solicited, invited, encouraged or initiated by Westoz in contravention of clause 9.2) provided that the Westoz Board has determined, in good faith and acting reasonably that:

- (a) after consultation with its financial advisors, such a genuine Competing Transaction is, or could reasonably be considered to become, a Superior Proposal; and
- (b) after receiving written legal advice from their external legal advisers (who must be reputable advisers experienced in transactions of this nature) that failing to respond to such a genuine Competing Transaction would be reasonably likely to constitute a breach of the Westoz Board's fiduciary or statutory obligations.

9.6 Further exceptions

Nothing in this agreement prevents Westoz from:

- (a) continuing to make normal presentations to, and to respond to enquiries from, brokers, portfolio investors and analysts in the ordinary course in relation to the Scheme or its business generally; or
- (b) fulfilling its continuous disclosure requirements.

9.7 Notice of unsolicited approach

During the Exclusivity Period, Westoz must promptly inform WAM Capital if it or any of its Representatives:

- (c) provides any information relating to Westoz or any of its Related Bodies Corporate or any of its business or operations to any person in connection with or for the purposes of a current or future Competing Transaction.

9.8 Matching right

Without limiting clauses 9.2 and 9.3, during the Exclusivity Period, Westoz:

- (a) must not, and must procure that each of its Related Bodies Corporate and Representatives do not, enter into, or agree to enter into, any legally binding agreement, arrangement or understanding (whether or not in writing) under

which a Third Party, Westoz (or any of its Related Bodies Corporate) or both proposes or propose to undertake or give effect to an actual, proposed or potential Competing Transaction; and

- (b) must use its best endeavours to procure that none of the Westoz Directors change their recommendation in favour of the Scheme, or publicly recommends, or otherwise endorses an actual, proposed or potential Competing Transaction (or recommends against the Scheme),

unless:

- (c) the Westoz Board, acting in good faith and after consultation with its financial advisers and external legal advisors, determines that:
 - (i) failure to take that action would be inconsistent with its fiduciary or statutory duties; and
 - (ii) the proposed Competing Transaction would constitute an actual, proposed or potential Superior Proposal;
- (d) Westoz has provided WAM Capital the information contemplated by clause 9.7;
- (e) Westoz has given WAM Capital at least five Business Days after the later of:
 - (i) the date that Westoz notifies WAM Capital that the Westoz Directors have determined that the Competing Transaction would be or would be reasonably likely to be an actual, proposed or potential Superior Proposal under clause 9.8(c); and

- (f) WAM Capital has not announced a matching or superior proposal to the terms of the actual, proposed or potential Competing Transaction by the expiry of the five Business Day period referred to in clause 9.8(e).

Westoz acknowledges and agrees that each successive material modification of any actual, proposed or potential Competing Transaction will constitute a new actual, proposed or potential Competing Transaction for the purposes of the requirements under clause 9.8(e) and accordingly Westoz must comply with clause 9.8(d) and clause 9.8(e) in respect of any such new actual, proposed or potential Competing Transaction.

9.9 WAM Capital counterproposal

If by the expiry of the five Business Day period referred to in clause 9.8(e) WAM Capital proposes to Westoz, or announces amendments to the Scheme or a new proposal that may reasonably constitute a matching or superior proposal to the terms of the actual, proposed or potential Competing Transaction (**WAM Capital Counterproposal**), Westoz must procure that the Westoz Board considers the WAM Capital Counterproposal and if the Westoz Board, acting reasonably and in good faith, determines that the WAM Capital Counterproposal would provide an equivalent or superior outcome for Westoz Shareholders as a whole compared with the Competing Transaction, taking into account all of the terms and conditions of the WAM Capital Counterproposal, then:

- (a) Westoz and WAM Capital must use their best endeavours to agree the amendments to this agreement and, if applicable, the Scheme and Deed Poll that are reasonably necessary to reflect the WAM Capital Counterproposal and

to implement the WAM Capital Counterproposal, in each case as soon as reasonably practicable; and

- (b) Westoz must use its best endeavours to procure that each of the Westoz Directors continues to recommend the Scheme (as modified by the WAM Capital Counterproposal) to Westoz Shareholders.

Each successive amendment to any proposal by WAM Capital that is a WAM Capital Counterproposal constitutes a new WAM Capital Counterproposal for the purposes of this clause 9.9, and clause 9.8 and 9.9 will apply in relation to that WAM Capital Counterproposal.

9.10 Legal advice

Westoz acknowledges that it has received legal advice on this agreement and the operation of this clause.

By giving any approval, consent or waiver a party does not give any representation or warranty as to any circumstance in connection with the subject matter of the consent, approval or waiver.

17.3 Discretion in exercising rights

Unless this agreement expressly states otherwise, a party may exercise a right, power or remedy or give or refuse its consent, approval or a waiver in connection with this agreement in its absolute discretion (including by imposing conditions).

17.4 Partial exercising of rights

Unless this agreement expressly states otherwise, if a party does not exercise a right, power or remedy in connection with this agreement fully or at a given time, they may still exercise it later.

17.8 Inconsistent law

To the extent the law permits, this agreement prevails to the extent it is inconsistent with any law.

17.9 Supervening law

Any present or future law which operates to vary the obligations of a party in connection with this agreement with the result that another party's rights, powers or remedies are adversely affected (including, by way of delay or postponement) is excluded except to the extent that its exclusion is prohibited or rendered ineffective by law.

17.15 Severability

If the whole or any part of a provision of this agreement is void, unenforceable or illegal in a jurisdiction it is severed for that jurisdiction. This clause has no effect if the severance alters the basic nature of this agreement or is contrary to public policy.

Annexure A Public Announcement

WAM Capital and Westoz set to merge

23 December 2021
ASX announcement

WAM Capital Limited (WAM Capital) (ASX: WAM) and Westoz Investment Company Limited (Westoz) (ASX: WIC) are pleased to announce that they have entered into a Scheme Implementation Agreement (annexed to this announcement) to merge the two entities (**Proposed Transaction**).

Under the Proposed Transaction, WAM Capital will acquire 100% of the shares in Westoz that it does not currently own through a scheme of arrangement (**Scheme**). Under the Scheme, Westoz shareholders will receive new WAM Capital shares as consideration for their Westoz shares. The number of WAM Capital shares to be offered for each Westoz share will be determined by a formula based on the ratio of the share price of WAM Capital to the net tangible assets (**NTA**) of Westoz before tax (**pre-tax NTA**). Using the share price of WAM Capital and the pre-tax NTA of Westoz at 30 November 2021 as an example¹, Westoz shareholders would receive 0.652 new WAM Capital shares for each Westoz share they hold under the Proposed Transaction, with an indicative market value of \$1.447 per Westoz share, representing a 23.7% uplift over the closing price of Westoz on that day.

It is the intention of the WAM Capital Board of Directors to ensure that all Westoz shareholders receiving WAM Capital shares issued under the Scheme will be eligible to receive the WAM Capital FY2022 fully franked interim dividend. A condition of the Proposed Transaction is that Westoz will not pay an interim dividend and consequently the dividend target for Westoz is withdrawn.

WAM Capital has today announced a similar transaction involving Ozgrowth Limited (ASX: OZG). The Proposed Transaction is independent of that transaction and the two transactions are not inter-conditional. The Proposed Transaction will proceed whether or not the transaction between WAM Capital and Ozgrowth Limited proceeds and vice versa.

WAM Capital Chairman Geoff Wilson AO said: "The WAM Capital Board of Directors believe the merged entity under the Scheme will provide both Westoz and WAM Capital shareholders with appealing benefits. We look forward to welcoming Westoz shareholders to the Wilson Asset Management family."

Westoz Board's Recommendation

Subject to the independent expert determining that the Proposed Transaction is in the best interests of Westoz shareholders, and in the absence of a superior proposal, the Westoz Board of Directors believe the Proposed Transaction is in the best Interests of Westoz shareholders and intend to vote their own Westoz shares in favour of the Proposed Transaction.

Westoz Chairman Jay Hughes said: "An investment in WAM Capital through the Proposed Transaction offers our shareholders greater liquidity and a more favourable alignment between market price and underlying asset value for their holdings. WAM Capital also offers a similarly successful track record of underlying portfolio performance".

¹ Based on WAM Capital's closing share price of \$2.22 per share, Westoz's pre-tax NTA of \$1.346 per share and Westoz's closing share price of \$1.17 per share on 30 November 2021. The implied value of the Offer depends on the value of WAM Capital's share price and the Westoz pre-tax NTA at the Calculation Date and the WAM Capital share price at the time the Scheme consideration is issued (on the Implementation Date), and could be higher or lower than the example used.

Key benefits of the Proposed Transaction

The Proposed Transaction offers substantial benefits for Westoz shareholders including:

- the ability to exit their investment in Westoz at premium to the stated pre-tax NTA backing of the company and a premium to the share price of Westoz;
- Wilson Asset Management's investment expertise and experience;
- Wilson Asset Management's commitment to shareholder engagement;
- WAM Capital's track record of investment portfolio performance; and
- WAM Capital's greater market capitalisation and on-market liquidity.

If the Proposed Transaction proceeds, it will create a single listed investment company with a larger capital and shareholder base. The merged entity will have:

- stable and clearly articulated investment strategy and a proven investment manager with a track record of providing investment portfolio performance for shareholders since inception in August 1999;
- the removal of duplication of expenses such as ASX listing fees, share registry fees, audit fees, compliance costs and other public listed company costs, as well as a larger pool of assets to spread the expenses across;
- a share price which has historically traded at a premium to the company's pre-tax NTA; and
- a pre-tax NTA of approximately \$1,860.3 million (based on the reported 30 November 2021 NTAs of WAM Capital and Westoz) and approximately 45,000 shareholders.

Scheme Consideration and Conditions Precedent

As consideration for their Westoz shares under the Scheme, Westoz shareholders will receive new WAM Capital shares as consideration for their Westoz shares. The number of WAM Capital shares to be offered for each Westoz share will be determined by a formula, based on the ratio of the volume weighted average share price of WAM Capital on the calculation date and a 7.5% premium to the pre-tax NTA of Westoz. The indicative calculation date for this ratio is 31 March 2022, subject to any adjustments required by ASIC or ASX. It is a condition precedent that at the calculation date, the Westoz pre-tax NTA has not fallen more than 10% compared to the Westoz pre-tax NTA most recently announced on the ASX prior to the date of this announcement and the WAM Capital share price premium to NTA remaining between 12.5% and 25.0%.

Scheme Implementation Agreement and indicative timeline

WAM Capital and Westoz have entered into the attached Scheme Implementation Agreement, which contains the terms and conditions on which WAM Capital and Westoz will implement the Proposed Transaction. The Scheme Implementation Agreement includes a number of customary clauses and is subject to conditions precedent including Westoz shareholders approving the Scheme, the independent expert concluding that the Proposed Transaction is in the best interests of Westoz shareholders and the Supreme Court of Western Australia approving the Scheme.

It is currently anticipated that Westoz shareholders will be given the opportunity to vote on the Scheme at a meeting expected to be held on 4 April 2022. Detailed information relating to the Scheme will be set out in the Scheme Booklet, which is expected to be sent to Westoz shareholders by the end of March 2022.

An indicative timetable for the Proposed Transaction is set out below:

Event	Expected date
First Court date	28 February 2022
Scheme Booklet sent to Westoz shareholders	By 4 March 2022
Calculation date for exchange ratio	31 March 2022
Scheme Meeting	4 April 2022
Second Court date	8 April 2022
Effective date	11 April 2022

Where:

B = the number of New WAM Capital Shares that would have been issued to that Ineligible Overseas Shareholder had it not been an Ineligible Overseas Shareholder;

C = the total number of New WAM Capital Shares that would otherwise have been issued to all Ineligible Overseas Shareholders and which are issued to the Sale Agent; and

If written notice is given to Westoz (or Computershare) of an order or direction made by a court of competent jurisdiction or by another Regulatory Authority that:

- (a) requires payment to a third party of a sum in respect of Westoz Shares held by a particular Scheme Participant, which would otherwise be payable to that Scheme Participant as Scheme Consideration in accordance with this clause 5, Westoz may direct WAM Capital to issue, or to issue to a trustee or nominee, the Scheme Consideration in accordance with that order; or

Scheme means the proposed scheme of arrangement under Part 5.1 of the Corporations Act between Westoz and the Scheme Participants in respect of all Scheme Shares in the form agreed in writing between Westoz and WAM Capital, subject to any amendment or modification made under section 411(6) of the Corporations Act and agreed to in writing by Westoz and WAM Capital.

Westoz Directors means the directors of Westoz.

All other words and phrases used in this deed have the meaning given to them in the Scheme.

1.2 Interpretation

The rules for interpretation specified in clause 1.2 of the Scheme apply in interpreting this deed unless the context otherwise requires, except that references to 'this Scheme' are to be read as references to 'this deed'.

1.3 Nature of deed poll

WAM Capital acknowledges that:

- (a) this deed may be relied on and enforced by any Scheme Participant in accordance with its terms even though the Scheme Participants are not party to it; and
- (b) under the Scheme, each Scheme Participant irrevocably appoints Westoz and any of the Westoz Directors (jointly and each of them severally) as its agent and attorney to enforce this deed against WAM Capital.

2 Condition precedent and termination

2.1 Condition

WAM Capital's obligations under clause 3 are subject to the Scheme becoming Effective (other than clause 3.1(a), which applies on and from the date of this deed).

2.2 Termination

If:

- (a) the Scheme Implementation Agreement is terminated in accordance with its terms before the Scheme becomes Effective; or
- (b) the Scheme does not become Effective on or before the End Date,

then WAM Capital's obligations under this deed automatically terminate and the terms of this deed are of no further force or effect, unless WAM Capital and Westoz otherwise agree in writing.

2.3 Consequences of termination

If this deed is terminated under clause 2.2, then, in addition and without prejudice to any other rights, powers or remedies available to WAM Capital or the Scheme Participants:

- (a) WAM Capital is released from its obligations to further perform this deed except those obligations contained in clause 7.4 and any other obligations which by their nature survive termination; and
- (b) each Scheme Participant retains any rights, power or remedies it has against WAM Capital in respect of any breach of this deed by WAM Capital that occurred before termination of this deed.

3 Obligations and Scheme Consideration

3.1 Performance of obligations generally

- (a) WAM Capital must comply with its obligations under the Scheme Implementation Agreement and do all acts and things necessary or desirable on its part to give full effect to the Scheme.
- (b) Subject to clause 2, WAM Capital undertakes in favour of each Scheme Participant to perform the actions attributed to it under the Scheme as if it were a party to the Scheme.

3.2 Undertaking to provide Scheme Consideration

Subject to clause 2, WAM Capital undertakes in favour of each Scheme Participant to:

- (a) provide or procure the provision of the Scheme Consideration to each Scheme Participant (or to the Sale Agent in respect of Ineligible Overseas Shareholders) in accordance with the terms of the Scheme; and
- (b) undertake all other actions attributed to it under the Scheme.

4 Representations and warranties

WAM Capital represents and warrants to each Scheme Participant that:

- (a) **(status)** it is a company limited by shares and validly existing under the laws of its place of incorporation, and has power and authority to own its assets and carry on its business as it is now being conducted;
- (b) **(power)** it has full legal capacity and power to enter into this deed and to carry out the transactions that this deed contemplates;
- (c) **(corporate authority)** it has taken all corporate action that is necessary or desirable to authorise its entry into this deed and its carrying out of the transactions this deed contemplates;
- (d) **(deed effective)** this deed constitutes legal, valid and binding obligations, enforceable against it in accordance with its terms (except to the extent limited by equitable principles and laws affecting creditor's rights generally) subject to any necessary stamping;

- (e) **(rank equally)** the New WAM Capital Shares to be issued as Scheme Consideration under the Scheme will:
 - (i) be validly issued;
 - (ii) be fully paid;
 - (iii) be free from any Encumbrance;
 - (iv) rank equally in all respects with all existing WAM Capital Shares on issue as at the Implementation Date (other than in respect of any dividend already declared or determined and not yet paid by WAM Capital, where the record date for entitlement to that dividend occurred prior to the Record Date); and
 - (v) be approved for official quotation by ASX, subject to any conditions which ASX may reasonably require and which are acceptable to both WAM Capital and Westoz, acting reasonably and promptly;
- (f) **(no restrictions)** this deed does not conflict with, or result in the breach of or default under, any provision of its constitution, or any writ, order or injunction, judgment, law, rule or regulation to which it is a party or subject or by which it is bound; and
- (g) **(solvency)** it is not Insolvent.

5 Continuing obligations

This deed is irrevocable and, subject to clause 2, remains in full force and effect until:

- (a) WAM Capital has completely performed its obligations under this deed; or
- (b) the earlier termination of this deed under clause 2.2.

6 Variation and assignment

6.1 Variation

This deed or any right created under it may not be varied, altered or otherwise amended unless:

- (a) before the Second Court Date:
 - (i) Westoz and WAM Capital agree to that variation, alteration or amendment in writing; and
 - (ii) the Court indicates that the variation, alteration or amendment would not itself preclude approval of the Scheme; or
- (b) on or after the Second Court Date, WAM Capital agrees to a variation in writing as approved by the Court,

in any of which events, WAM Capital must enter into a further deed poll in favour of Scheme Participants giving effect to that variation.

6.2 Assignment

The rights and obligations of a person under this deed are personal. They cannot be assigned, novated, encumbered, charged or otherwise dealt with at law or in equity without the prior written consent of WAM Capital, and any purported dealing in contravention of this clause 6.2 is invalid.

7 General

7.1 Notices

Unless expressly stated otherwise in this deed, all notices, certificates, consents, approvals, waivers and other communications in connection with this deed must be in writing and sent to the address stated in the Details, or as otherwise advised by WAM Capital from time to time, and marked to the attention of the person stated in the Details.

7.2 Governing law

- (a) This deed is governed by the laws in force of Western Australia.
- (b) The parties irrevocably submit to the non-exclusive jurisdiction of the courts exercising jurisdiction in Western Australia, and any court that may hear appeals from any of those courts, for any proceedings in connection with the Scheme, and waive any right they might have to claim that those courts are an inconvenient forum.

7.3 Serving documents

Without preventing any other method of service, any document in an action in connection with this document may be served on a party by being delivered or left at that party's address set out in the Details.

7.4 Stamp duty and registration fees

WAM Capital must:

- (a) pay or reimburse all stamp duty, registration fees and any similar taxes payable or assessed as being payable, including any related fines, interest and penalties, in respect of or in connection with this deed, the performance of this deed and each transaction effected by or made or any instrument executed under this deed or the Scheme, including the transfer of the Scheme Shares to WAM Capital under the Scheme; and
- (b) indemnify each Scheme Participant against, and agrees to reimburse and compensate it, for any liability arising from failure to comply with clause 7.4(a),

however, WAM Capital need not pay, reimburse or indemnify against any fees, fines, penalties or interest to the extent they have been imposed because of Westoz's delay.

7.5 Cumulative rights

The rights, powers and remedies of WAM Capital and the Scheme Participants under this deed are cumulative with and do not exclude the rights, powers or remedies provided by law independently of this deed.

7.6 Waiver of rights

- (a) Failure to exercise or enforce, or a delay in exercising or enforcing, or the partial exercise or enforcement, of a right provided by law or under this deed by a party does not preclude, or operate as a waiver of, the exercise or enforcement, or further exercise or enforcement, of that or any other right provided by law or under this deed.
- (b) A waiver or consent given by a party under this deed is only effective and binding on that party if it is given or confirmed in writing by that party.
- (c) No waiver of a breach of a term of this deed operates as a waiver of another breach of that term or of a breach of any other term of this deed.

7.7 Consent

WAM Capital consents to Westoz producing this deed to the Court.

7.8 Further assurances

WAM Capital must promptly do all further acts and execute and deliver all further documents (on its own behalf or on behalf of each Scheme Participant) necessary or desirable to give full effect to this deed and the transactions contemplated by this deed.

7.9 Severability

If the whole or any part of a provision of this deed is void, unenforceable or illegal in a jurisdiction it is severed for that jurisdiction. The remainder of this deed has full force and effect and the validity or enforceability of that provision in any other jurisdiction is not affected. This clause 7.9 has no effect if the severance alters the basic nature of this deed or is contrary to public policy.
