ITEM 5 RATIFICATION OF SHORTFALL SHARES ISSUED UNDER SHARE PURCHASE PLAN

Background

Further to its announcement of 23 June 2021, the Company undertook a capital raising to initiate on-the-ground development activities for Stage 1a of Project Sea Dragon (**PSD**) in the dry season in northern Australia earlier this year.

The capital raising comprised a two-tranche placement and a share purchase plan of Shares (**Share Purchase Plan**) at an issue price of A\$0.055 per Share. Subscribers under the placement and Share Purchase Plan received 3 free unlisted options for every 5 Shares issued to them (**Capital Raising**). The unlisted options have an exercise price of A\$0.0975 and an expiry date of 13 August 2024 and were issued under an Options Prospectus dated 30 July 2021 (**Unlisted Options**).

As announced on 20 August 2021, the Company placed the shortfall under the Share Purchase Plan, comprising 114,240,816 Shares (**Shortfall Shares**) to certain professional and sophisticated investors, including the Elsie Cameron Foundation Pty Ltd (**ECF**). The recipients of the Shortfall Shares (**Shortfall Participants**) were entitled to 68,544,489 Unlisted Options which were granted on 24 August 2021.

Purpose of approval

The purpose of this Item 5 is for the Shareholders to ratify the issue of the Shortfall Shares.

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 lists the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the shares it had on issue at the start of that period. The issue of the Shortfall Shares, details of which are set out below, does not fit within any of these exceptions and, as it has not yet been approved by Shareholders, it effectively uses up part of the Company's 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further securities without shareholder approval under Listing Rule 7.1 for the 12 month period following the issue date.

Listing Rule 7.4 allows shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to be approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain shareholder approval for such issues under Listing Rule 7.1.

To this end, Item 5 seeks Shareholder approval of the issue of the Shortfall Shares under and for the purposes of Listing Rule 7.4. The Company confirms that the issue of the Shortfall Shares did not breach Listing Rule 7.1.

If Item 5 is passed, the issue of the Shortfall Shares will be excluded in calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of equity securities it can issue without shareholder approval over the 12 month period following the issue date.

If Item 5 is not passed, the issue of the Shortfall Shares will be included in calculating the Company's 15% limit in Listing Rule 7.1, effectively decreasing the number of equity securities it can issue without shareholder approval over the 12 month period following the issue date.

For the purposes of Listing Rule 7.5, the Company advises:

Number of securities issued 114,240,816 Shares

Date of issue 20 August 2021

Issue price A\$0.055 per Share

Recipients The Shortfall Participants were professional, sophisticated and other investors that fall within one or more classes of the exemptions specified in section 708 of the Corporations Act comprising:

- clients of Bell Potter or who were otherwise identified by the Company; and
- ECF.

ECF, an entity associated with Ms Janet Cameron, is a substantial Shareholder in the Company (holding 19.8% at the time of this Notice)

No related party of the Company was a Shortfall Participant.

Terms of securities Fully paid ordinary shares which rank equally with other Shares on issue.

Intended use of funds The proceeds from the Capital Raising (including the funds raised from the issue of the Shortfall Shares) will be applied towards capital works for Project Sea Dragon, fundraising costs, the operating costs of PSD and the Company's head office and general working capital and corporate purposes.

Summary of any relevant agreements The Shortfall Shares were issued in accordance with subscription documents containing standard terms for a transaction of this nature.

Other than:

- acknowledging that issue of Shortfall Shares would be made without disclosure in accordance with section 708 of the Corporations Act; and
- agreeing to be bound by the constitution of the Company,

there are no material terms other than disclosed in these Explanatory Notes.

EXPLANATORY NOTES

Board Recommendation

The Board unanimously recommends Shareholders vote **in favour** of ratifying the issue of Shortfall Shares in Item 5.

The Chair intends to vote undirected proxies in favour of Item 5.

Voting exclusion statement

The Company will disregard any votes cast in favour of Item 5 by or on behalf of ECF (or any of its associates including Ms Janet Cameron) and any other Shortfall Participant or any of its associates.

However, this does not apply to a vote cast in favour of the resolution by:

- (a) a person as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with directions given to the proxy or attorney to vote on the resolution in that way; or
- (b) the Chair of the Meeting as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with a direction given to the Chair to vote on the resolution as the Chair decides; or
- (c) a holder acting solely in a nominee, trustee or custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - (i) the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on the resolution; and
 - (ii) the holder votes on the resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

ITEM 6 RATIFICATION OF SHORTFALL OPTIONS ISSUED UNDER SHARE PURCHASE PLAN

Background

As set out in the background to Item 5, the Shortfall Participants were entitled to 68,544,489 Unlisted Options (on the basis of 3 Unlisted Options for every 5 Shares that were issued to them). The Unlisted Options were granted to the Shortfall Participants on 24 August 2021.

Purpose of approval

The purpose of this Item 6 is for the Shareholders to ratify the issue of the Unlisted Options to the Shortfall Participants.

The issue of Unlisted Options securities to the subscribers in the Shortfall Shares, details of which are set out below, does not fit within any of the exceptions to Listing Rule 7.1 and, as it has not yet been approved by Shareholders, it effectively uses up part of the Company's 15% limit in Listing Rule 7.1.

As set out in Item 5, Listing Rule 7.4 allows shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to be approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

To this end, Item 6 seeks Shareholder approval to the issue of the Unlisted Options to the Shortfall Participants under and for the purposes of Listing Rule 7.4. The Company confirms that this issue did not breach Listing Rule 7.1.

If Item 6 is passed, the issue of these Unlisted Options will be excluded in calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of equity securities it can issue without shareholder approval over the 12 month period following the issue date.

If Item 6 is not passed, the issue of these Unlisted Options will be included in calculating the Company's 15% limit in Listing Rule 7.1, effectively decreasing the number of equity securities it can issue without shareholder approval over the 12 month period following the issue date.

For the purposes of Listing Rule 7.5, the Company advises:

Number of securities issued 68,544,489 Unlisted Options

Date of issue 24 August 2021

Issue price Nil

Recipients The Shortfall Participants were professional, sophisticated and other investors that fall within one or more classes of the exemptions specified in section 708 of the Corporations Act comprising:

- clients of Bell Potter or who were otherwise identified by the Company; and
- ECF.

ECF, an entity associated with Ms Janet Cameron, is a substantial Shareholder in the Company (holding 19.8% at the time of this Notice)

No related party of the Company was a Shortfall Participant.

Terms of securities The Unlisted Options were issued under the Options Prospectus dated 30 July 2021. They have an exercise price of A\$0.0975 each and expire on 13 August 2024 and are otherwise on terms as set out in the Options Prospectus.

Intended use of funds The Company will assess the use of funds raised from the exercise of the Options at that time, which may include using such funds for the repayment of debt facilities, general working capital, corporate purposes and the development of PSD.

Summary of any relevant agreements The Unlisted Options were issued in accordance with subscription documents containing standard terms for a transaction of this nature.

Other than:

- acknowledging that issue of Unlisted Options would be made without disclosure in accordance with section 708 of the Corporations Act; and
- agreeing to be bound by the constitution of the Company,

there are no material terms other than disclosed in these Explanatory Notes.

Board Recommendation

The Board unanimously recommends Shareholders vote **in favour** of ratifying the issue of shortfall options in Item 6.

The Chair intends to vote undirected proxies in favour of Item 6.

Voting exclusion statement

The Company will disregard any votes cast in favour of Item 6 by or on behalf of ECF (or any of its associates including Ms Janet Cameron) and any other Shortfall Participant or any of its associates.

However, this does not apply to a vote cast in favour of the resolution by:

- (a) a person as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with directions given to the proxy or attorney to vote on the resolution in that way; or
- (b) the Chair of the Meeting as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with a direction given to the Chair to vote on the resolution as the Chair decides; or

- (ii) the holder votes on the resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

ITEM 7 RATIFICATION OF ISSUE OF SECURITIES TO MICK MCMAHON

Background

As announced on 2 September 2021, Mr McMahon was appointed as Chief Executive Officer of the Company with effect from 20 September 2021. On 22 September 2021, Mr McMahon subscribed for A\$2,000,000 worth of Shares. The subscription was on the same terms as those offered to participants in the Capital Raising (see Background to Item 5). Accordingly, Mr McMahon was granted 3 Unlisted Options exercisable at A\$0.0975 and expiring on 13 August 2024 for every 5 Shares issued to him.

Purpose of approval

The purpose of this Item 7 is for the Shareholders to ratify the issue of securities to Mr McMahon (**McMahon Issue**).

The McMahon Issue, details of which are set out below, does not fit within any of the exceptions to Listing Rule 7.1 and, as it has not yet been approved by Shareholders, it effectively uses up part of the Company's 15% limit in Listing Rule 7.1.

As set out in Item 5, Listing Rule 7.4 allows shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to be approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

To this end, Item 7 seeks Shareholder approval to the McMahon Issue under and for the purposes of Listing Rule 7.4. The Company confirms that this issue did not breach Listing Rule 7.1.

If Item 7 is passed, the issue of these Unlisted Options will be excluded in calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of equity securities it can issue without shareholder approval over the 12 month period following the issue date.

If Item 7 is not passed, the McMahon Issue will be included in calculating the Company's 15% limit in Listing Rule 7.1, effectively decreasing the number of equity securities it can issue without shareholder approval over the 12 month period following the issue date.

For the purposes of Listing Rule 7.5, the Company advises as follows in relation to the McMahon Issue:

Number of securities issued 36,363,636 Shares
21,818,181 Unlisted Options

Date of issue 22 September 2021

Issue price Shares: A\$0.055 per Share
Unlisted Options: nil

Terms of securities Shares: Fully paid ordinary shares which rank equally with other shares on issue.
Unlisted Options: The Unlisted Options were issued under the Options Prospectus dated 30 July 2021. They have an exercise price of A\$0.0975 each and expire on 13 August 2024 and are otherwise on terms as set out in the Options Prospectus.

Intended use of funds

The Company intends to the use of funds raised from the issue of Shares to Mr McMahon for the same purposes as the funds raised from the Capital Raising. As set out in Item 5, the funds will be applied towards capital works for Project Sea Dragon, fundraising costs, the operating costs of PSD and the Company's head office and general working capital and corporate purposes.

The Company will assess the use of funds raised from the exercise of the options issued to Mr McMahon at that time, which may include using such funds for the repayment of debt facilities, general working capital, corporate purposes and the development of PSD.

Summary of any relevant agreements

The McMahon Issue was in accordance with subscription documents containing standard terms for a transaction of this nature.

Other than:

- acknowledging that the McMahon Issue would be made without disclosure in accordance with section 708 of the Corporations Act; and
- agreeing to be bound by the constitution of the Company,

there are no material terms other than disclosed in these Explanatory Notes.

Further information

Mr McMahon was appointed as CEO of the Company on 2 September 2021 and as a Director on 29 October 2021.

At the time the Board made the determination to grant securities to Mr McMahon, Mr McMahon was neither the CEO of the Company nor a Director. At the time the securities were issued to Mr McMahon, he was the Company's CEO but not a Director. Accordingly, shareholder approval for the McMahon Issue under Listing Rule 10.11 was not required at any time.

As announced on 22 September 2021, Mr McMahon has been granted 154,000,000 unlisted options under the Company's Employee Incentive Plan. That grant does not require shareholder approval as an issue of securities pursuant to a shareholder-approved employee incentive plan forms an exception to Listing Rule 7.1.

Board Recommendation

The Board unanimously recommends Shareholders vote **in favour** of ratifying the issue of securities to Mick McMahon in Item 7.

The Chair intends to vote undirected proxies in favour of Item 7.

Voting exclusion statement

The Company will disregard any votes cast in favour of Item 7 by or on behalf of Mr McMahon or any associate of Mr McMahon.

However, this does not apply to a vote cast in favour of the resolution by:

- (a) a person as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with directions given to the proxy or attorney to vote on the resolution in that way; or
- (b) the Chair of the Meeting as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with a direction given to the Chair to vote on the resolution as the Chair decides; or
- (c) a holder acting solely in a nominee, trustee or custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - (iii) the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on the resolution; and
 - (iv) the holder votes on the resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

EXPLANATORY NOTES

ITEM 8 RATIFICATION OF ISSUE OF SECURITIES TO IAN BRANNAN

Background

As announced on 2 September 2021, Mr Brannan was appointed as Chief Financial Officer of the Company with effect from 20 September 2021. On 22 September 2021, Mr Brannan subscribed for A\$500,000 worth of Shares. The subscription was on the same terms as those offered to participants in the Capital Raising (see Background to Item 5). Accordingly, Mr Brannan was granted 3 unlisted options exercisable at A\$0.0975 and expiring on 13 August 2024 for every 5 Shares (**Unlisted Options**) issued to him.

Purpose of approval

The purpose of this Item 8 is for the Shareholders to ratify the issue of securities to Mr Brannan (**Brannan Issue**).

The Brannan Issue, details of which are set out below, does not fit within any of the exceptions to Listing Rule 7.1 and, as it has not yet been approved by Shareholders, it effectively uses up part of the Company's 15% limit in Listing Rule 7.1.

As set out in Item 5, Listing Rule 7.4 allows shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to be approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

To this end, Item 8 seeks Shareholder approval to the Brannan Issue under and for the purposes of Listing Rule 7.4. The Company confirms that the Brannan Issue did not breach Listing Rule 7.1.

If Item 8 is passed, the Brannan Issue will be excluded in calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of equity securities it can issue without shareholder approval over the 12 month period following the issue date.

If Item 8 is not passed, the Brannan Issue will be included in calculating the Company's 15% limit in Listing Rule 7.1, effectively decreasing the number of equity securities it can issue without shareholder approval over the 12 month period following the issue date.

For the purposes of Listing Rule 7.5, the Company advises as follows in relation to the Brannan Issue:

Number of securities issued	9,090,909 Shares 5,454,545 Unlisted Options
------------------------------------	--

Date of issue	22 September 2021
----------------------	-------------------

Issue price	Shares: A\$0.055 per Share Unlisted Options: nil
--------------------	---

Terms of securities	Shares: Fully paid ordinary shares which rank equally with other shares on issue. Unlisted Options: The Unlisted Options were issued under the Options Prospectus dated 30 July 2021. They have an exercise price of A\$0.0975 each and expire on 13 August 2024 and are otherwise on terms as set out in the Options Prospectus.
----------------------------	--

Intended use of funds	The Company intends to the use of funds raised from the issue of Shares to Mr Brannan for the same purposes as the funds raised from the Capital Raising. As set out in the disclosures in Item 5, the funds will be applied towards capital works for Project Sea Dragon, fundraising costs, the operating costs of PSD and the Company's head office and general working capital and corporate purposes.
------------------------------	--

The Company will assess the use of funds raised from the exercise of the options issued to Mr Brannan at that time, which may include using such funds for the repayment of debt facilities, general working capital, corporate purposes and the development of PSD.

Summary of any relevant agreements	The Brannan Issue was in accordance with subscription documents containing standard terms for a transaction of this nature.
---	---

Other than:

- acknowledging that the Brannan Issue would be made without disclosure in accordance with section 708 of the Corporations Act; and
- agreeing to be bound by the constitution of the Company,

there are no material terms other than disclosed in these Explanatory Notes.

Further information

Mr Brannan was appointed as CFO of the Company on 2 September 2021 and as a Director on 29 October 2021.

At the time the Board made the determination to grant securities to Mr Brannan, Mr Brannan was neither the CFO of the Company nor a Director. At the time the securities were issued to Mr Brannan, he was the Company's CFO but not a Director. Accordingly shareholder approval for the Brannan Issue under Listing Rule 10.11 was not required at any time.

As announced on 22 September 2021, Mr Brannan has been granted 66,000,000 unlisted options under the Company's Employee Incentive Plan. That grant does not require shareholder approval as an issue of securities pursuant to a shareholder-approved employee incentive plan forms an exception to Listing Rule 7.1.

Board Recommendation

The Board unanimously recommends Shareholders vote **in favour** of ratifying the issue of securities to Ian Brannan in Item 8.

The Chair intends to vote undirected proxies in favour of Item 8.

Voting exclusion statement

The Company will disregard any votes cast in favour of Item 8 by or on behalf of Mr Brannan or any associate of Mr Brannan.

However, this does not apply to a vote cast in favour of the resolution by:

- a person as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with directions given to the proxy or attorney to vote on the resolution in that way; or
- the Chair of the Meeting as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with a direction given to the Chair to vote on the resolution as the Chair decides; or
- a holder acting solely in a nominee, trustee or custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on the resolution; and
 - the holder votes on the resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

EXPLANATORY NOTES

ITEM 9 ADDITIONAL CAPACITY TO ISSUE SECURITIES

Background

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities (as defined below) that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Under Listing Rule 7.1A, however, an eligible entity can seek approval from its members, by way of a Special Resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25% (**Additional 10% Capacity**).

An 'eligible entity' means an entity which is not included in the S&P/ASX 300 Index and has a market capitalisation of A\$300 million or less. The Company is an eligible entity as it is not included in the S&P/ASX 300 Index and has a market capitalisation of approximately A\$150 million, based on the closing price of Shares, being A\$0.031, on 21 December 2021.

If at the date of the Meeting the Company's market capitalisation exceeds A\$300 million or the Company has been included in the S&P/ASX 300 Index (and is therefore no longer an eligible entity for these purposes) then this Item 9 will be withdrawn.

An equity security includes a share, a unit in a trust, a right to a share or unit in a trust or option, an option over an issued or unissued security, a convertible security, or, any security that ASX decides to classify as an equity security. Any equity securities issued under the Additional 10% Capacity must be in the same class as an existing class of quoted equity securities. As at the date of this Notice, the Company currently has one class of quoted equity securities on issue, being Shares.

Purpose of approval

Item 9 seeks Shareholder approval by way of a Special Resolution for the Company to have the Additional 10% capacity provided for in Listing Rule 7.1A to issue equity securities without shareholder approval.

If Item 9 is passed, the Company will be able to issue equity securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further shareholder approval.

If Item 9 is not passed, the Company will not be able to access the Additional 10% Capacity to issue equity securities without shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing equity securities without shareholder approval set out in Listing Rule 7.1, which may limit the Company's ability to take advantage of opportunities to raise equity capital.

Details of the Additional 10% Capacity

Minimum issue price The Company will not issue securities under the Additional 10% Capacity at a price less than 75% of the volume weighted average price for the securities in the same class, calculated over the 15 ASX trading days on which trades in that class were recorded immediately before:

- the date on which the price at which the securities are to be issued is agreed; or
- if the securities are not issued within 10 trading days of the date in the paragraph above, the date on which the securities are issued.

Date of issue The Additional 10% Capacity will commence on the date of this Meeting and expire on the earlier of:

- the date that is 12 months after the date of the Meeting;
- the Company's next annual general meeting; or
- the date Shareholders approve a significant change to the nature or scale of the Company's activities or a disposal of the Company's main undertaking under Listing Rules 11.1.2 or 11.2.

Use of funds Securities must be issued for cash consideration. The funds raised may be used to fund the development of PSD and the growth of the Company's aquaculture business, for general working capital or to acquire new assets or investments.

The Company will comply with its disclosure obligations under Listing Rule 7.1A.4 in relation to any issue of securities under the Additional 10% Capacity.

Allocation policy The identity of allottees will be determined on a case-by-case basis having regard to factors which may include:

- the methods of raising funds which are available to the Company;
- the effect of an issue on the control of the Company; and
- advice from corporate, financial and broking advisers.

As at the date of this Notice, the allottees have not been determined. They may, however, include substantial Shareholders and/or new Shareholders, but will not include related parties of the Company (or their associates).

Risk of dilution

There is a risk of economic and voting dilution to the Shareholders, including that:

- the market price for the equity securities may be significantly lower on the date of the issue than it is on the date of the Meeting; and
- the equity securities may be issued at a price that is at a discount to the market price for the equity securities.

The table below sets out:

- the economic and voting dilution based on 100%, 150% and 200% of the Company's current issued share capital; and
- the capital raised by an issue of securities at the current market rate, at a 50% reduction and at a 100% increase to the current market rate.

Shares on Issue	Shares Issued 10% voting dilution (Shares)	Capital raised (\$)		
		At 50% decrease in market price \$0.0155	At current market price \$0.031	At 100% increase in market price \$0.062
Current 4,836,599,179	483,659,917	\$7,496,728	\$14,993,457	\$29,986,914
50% increase 7,254,898,768	725,589,876	\$11,245,093	\$22,490,186	\$44,980,372
100% increase 9,673,198,358	967,319,835	\$14,993,457	\$29,986,914	\$59,973,829

Assumptions and explanations

- The market price is \$0.031, based on the closing price for the Shares on 21 December 2021.
- The issue prices included in the table do not take into account discount to the market price (if any).
- These calculations assume that each Shareholder maintains its current Shareholding in the Company and does not participate in the issue which utilises the Additional 10% Capacity.
- No further equity is issued either under the Company's current capacity to issue 15% of its equity securities or on conversion of convertible securities.
- The Company utilises the full Additional 10% Capacity by issuing Shares.

EXPLANATORY NOTES

- The table represents dilution as a whole and is not an example of dilution that may be caused to a particular Shareholder.

Previous approval

At the Company's 2020 annual general meeting, Shareholders approved the Company's capacity to issue equity securities equivalent to an Additional 10% of the Company's ordinary securities. The approval given at the 2020 annual general meeting expires 12 months after the date of the Company's 2020 annual general meeting (i.e. 15 December 2021).

Security issues in the last 12 months

The Company has not issued or agreed to issue any equity securities under Listing Rule 7.1A in the 12 months preceding the date of the Notice.

Special Resolution

For this Item 9 to be passed, it must be approved by a Special Resolution, requiring approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

Board Recommendation

The Board unanimously recommends Shareholders vote **in favour** of granting the Company the Additional 10% Capacity.

The Chair intends to vote undirected proxies in favour of Item 9.

Voting exclusion statement

The Company is not proposing to make an issue of equity securities under the Additional 10% Capacity at the time of dispatching the Notice. Accordingly, no Shareholders are currently excluded from voting on this item.

Proxy Form

How to Vote on Items of Business

All your securities will be voted in accordance with your directions.

APPOINTMENT OF PROXY

Voting 100% of your holding: Direct your proxy how to vote by marking one of the boxes opposite each item of business. If you do not mark a box your proxy may vote or abstain as they choose (to the extent permitted by law). If you mark more than one box on an item your vote will be invalid on that item.

Voting a portion of your holding: Indicate a portion of your voting rights by inserting the percentage or number of securities you wish to vote in the For, Against or Abstain box or boxes. The sum of the votes cast must not exceed your voting entitlement or 100%.

Appointing a second proxy: You are entitled to appoint up to two proxies to attend the meeting and vote on a poll. If you appoint two proxies you must specify the percentage of votes or number of securities for each proxy, otherwise each proxy may exercise half of the votes. When appointing a second proxy write both names and the percentage of votes or number of securities for each in Step 1 overleaf.

A proxy need not be a securityholder of the Company.
