

ASX Announcement 4 January 2022

PRELIMINARY PROFIT ADVICE HALF YEAR ENDING 31 DECEMBER 2021

Advanced Share Registry Limited (**ASX: ASW**, The Company) advises that the estimated pre-tax operating profit for the half year ending 31 December 2021 is to be approximately \$1,460,000 (2020: \$2,286,548, 2019: \$1,338,646).

In comparing the results from 2019 and 2020 to the current estimate, the Company notes the abnormally increased corporate activities that occurred during the half year ended 31 December 2020 which drove the results for that period, as well as the COVID-19 assistance received, which permitted the Company to maintain its workforce during the initial lock down period.

The expected results for the half year ended 31 December 2021 are the result of corporate actions returning to more regular levels of activity and normal trading throughout the period.

The Company continues to monitor its expenditure whilst uncertainty remains in the current market, as well as adding to its services for its clients which will provide additional income sources.
