ABOUT ODESSA MINERALS

Odessa Minerals Limited (“Odessa”, “ASX:ODE”, www.odessaminerals.com.au) is a diamond mineral exploration company based in Perth, Western Australia with strategic intent to become a producer of ethically sourced, low environmental impact, gem quality diamonds.

Odessa has a portfolio of 2,400km² of granted and application tenements in the Kimberley region of Western Australia and are considered prospective for diamonds. Odessa holds 15 exploration licence applications which constitute the Aries, Ellendale, Calwinyardah and Noonkanbah Projects. The Aries Project is located in the central Kimberley region of Western Australia, approximately 300 kilometres west of Derby, has gem quality diamonds identified from exploration since 1986.
