Dear Laura,

RESPONSE TO ASX PRICE QUERY

We refer to your letter dated 14 January 2022 in relation to the above and provide the following responses to your questions:

1. The Company is not aware of any information concerning it which has not been announced to the market, which if known by some in the market, could explain the recent trading in its securities.
2. Not applicable
3. The Company is not aware of any specific information which would explain the recent increase in the price of the Company's securities, other than media articles released on 13 January 2022 in relation to the Company's announcement titled 'Archetype shows CPV products as a key driver in Race to Zero'.

The Company was made aware of a post on social media platform HotCopper that contains misinformation relating to the Company's 1 November 2021 announcement entitled "US Glass & Energy Efficient Solutions Distributor Appointed" relating to the appointment of US Distributor Graboyes.

Further to that announcement, the Company confirms that it is continuing to work with Graboyes on the procurement of US projects including responding to customer enquiry in the normal course of business. Any discussions around sales flowing to the Company from the distributor, and the timing of the same, is shareholder speculation. There are no agreements for sales coming through the distributor currently.

4. The Company is in compliance with the Listing Rules and, in particular, Listing Rule 3.1.
5. The above responses have been approved by the Executive Chairman of the Company.

Authorised by the Chairman of ClearVue Technologies Limited.

Dear Miss Ho

ClearVue Technologies Limited ('CPV'): Price - Query

ASX refers to the following:

- A. The change in the price of CPV's securities from a low of \$0.36 to a high of \$0.52 on 14 January 2022.
- B. The significant increase in the volume of CPV's securities traded on 14 January 2022.

Request for information

In light of this, ASX asks CPV to respond separately to each of the following questions and requests for information:

1. Is CPV aware of any information concerning it that has not been announced to the market which, if known by some in the market, could explain the recent trading in its securities?
2. If the answer to question 1 is "yes".
 - (a) Is CPV relying on Listing Rule 3.1A not to announce that information under Listing Rule 3.1? Please note that the recent trading in CPV's securities would suggest to ASX that such information may have ceased to be confidential and therefore CPV may no longer be able to rely on Listing Rule 3.1A. Accordingly, if the answer to this question is "yes", you need to contact us immediately to discuss the situation.
 - (b) Can an announcement be made immediately? Please note, if the answer to this question is "no", you need to contact us immediately to discuss requesting a trading halt (see below).
 - (c) If an announcement cannot be made immediately, why not and when is it expected that an announcement will be made?
3. If the answer to question 1 is "no", is there any other explanation that CPV may have for the recent trading in its securities?
4. Please confirm that CPV is complying with the Listing Rules and, in particular, Listing Rule 3.1.
5. Please confirm that CPV's responses to the questions above have been authorised and approved under its published continuous disclosure policy or otherwise by its board or an officer of CPV with delegated authority from the board to respond to ASX on disclosure matters.

When and where to send your response

This request is made under Listing Rule 18.7. Your response is required as soon as reasonably possible and, in any event, by no later than **12 PM AWST Friday, 14 January 2022**. You should note that if the information

requested by this letter is information required to be given to ASX under Listing Rule 3.1 and it does not fall within the exceptions mentioned in Listing Rule 3.1A, CPV's obligation is to disclose the information 'immediately'. This may require the information to be disclosed before the deadline set out in the previous paragraph and may require CPV to request a trading halt immediately.

Your response should be sent to me by e-mail at **ListingsCompliancePerth@asx.com.au**. It should not be sent directly to the ASX Market Announcements Office. This is to allow me to review your response to confirm that it is in a form appropriate for release to the market, before it is published on the ASX Market Announcements Platform.

Trading halt

If you are unable to respond to this letter by the time specified above, or if the answer to question 1 is "yes" and an announcement cannot be made immediately, you should discuss with us whether it is appropriate to request a trading halt in CPV's securities under Listing Rule 17.1. If you wish a trading halt, you must tell us:

- the reasons for the trading halt;
- how long you want the trading halt to last;
- the event you expect to happen that will end the trading halt;
- that you are not aware of any reason why the trading halt should not be granted; and
- any other information necessary to inform the market about the trading halt, or that we ask for.

We require the request for a trading halt to be in writing. The trading halt cannot extend past the commencement of normal trading on the second day after the day on which it is granted. You can find further information about trading halts in Guidance Note 16 *Trading Halts & Voluntary Suspensions*.

Suspension

If you are unable to respond to this letter by the time specified above, ASX will likely suspend trading in CPV's securities under Listing Rule 17.3.

Listing Rules 3.1 and 3.1A

In responding to this letter, you should have regard to CPV's obligations under Listing Rules 3.1 and 3.1A and also to Guidance Note 8 *Continuous Disclosure*: Listing Rules 3.1 – 3.1B. It should be noted that CPV's obligation to disclose information under Listing Rule 3.1 is not confined to, nor is it necessarily satisfied by, answering the questions set out in this letter.

Release of correspondence between ASX and entity

We reserve the right to release a copy of this letter, your reply and any other related correspondence between us to the market under Listing Rule 18.7A.

Questions

If you have any questions in relation to the above, please do not hesitate to contact me.

Yours sincerely
