**KOPORE APPOINTS EXPERIENCED MINING ENGINEER
AS NON-EXECUTIVE DIRECTOR**

Kopore Metals Limited (“**Kopore**” or “**the Company**”) is pleased to announce Mr Quinton de Klerk has been appointed a Non-Executive Director of the Company, effective immediately.

Mr de Klerk is a highly qualified and accomplished mining engineer with more than 30-years’ experience spanning operational roles in open pit and underground mining environments as well as consulting services across multiple jurisdictions and commodities.

Mr de Klerk has held senior positions with AngloGold Ashanti Ltd in South Africa, Namibia and Australia. He is currently the Head of Mining Engineering and a Director of Cube Consulting Pty Ltd where, for the past 16 years, he led the mining team in multiple feasibility studies, due diligence processes, reserves CP responsibilities and audits. He has a demonstrated and respected capability in providing strategic direction and advice to executives and boards of junior and mid-tier mining companies.

In addition to being a qualified mining engineer, Mr de Klerk is a Fellow of the Australasian Institute of Mining and Metallurgy (AusIMM) and a graduate of the Australian Institute of Company Directors (AICD) Company Directors course.

The Company also advises Mr Grant Ferguson has resigned as a Non-Executive Director of the Company, effective immediately.

Kopore’s Managing Director and Chief Executive Officer, Ms Caroline Keats, said:

“Quinton’s skills set and vast mining experience will be a major asset to the Company as it advances its newly-acquired Niger uranium project, as well as its copper-silver prospects in the emerging world-class Kalahari Copper Belt in Botswana and the Bryah Basin in WA.

“I am delighted to welcome Quinton to the Board of Directors and look forward to his strategic input as we transform the Company into a leading clean energy minerals explorer – with uranium and copper both critical components for a ‘green future’.

“I also want to thank Grant for his years of service to Kopore and wish him well in his future endeavours.”
