### **ABOUT BOB AND PETE'S 100% YUM**

It all began back in 1983 with two Sydney-based band managers, Bob Yates and Peter Dawson, who along their travels had experienced the deliciousness of fresh Parisian croissants. Being unable to find the quality they wanted in Sydney, they decided to provide them themselves.

Delivering fresh butter croissants and pastries to a handful of Sydney's corner stores on Sunday mornings, Bob & Pete's has since grown to become one of the leading suppliers to cafés, restaurants, caterers and retailers across New South Wales.

Over the past 30 years, the love of Cafés has grown incredibly, and so have we. It's our passion for servicing such a vibrant and dynamic marketplace that continues to push our reach, service and product innovation.
