

25 January 2022

EXPLORATION ACTIVITIES CONTINUE IN BURKINA FASO

Arrow Minerals Limited (**Arrow** or the **Company**) refers to recent media reports of government instability in Burkina Faso. The Company advises that all its staff in Burkina Faso are safe and are continuing with fieldwork and office-based exploration activities. Local in-country management are continuing to monitor the situation carefully as it evolves and are providing daily updates to the Board.

Announcement authorised for release by Howard Golden, Managing Director of Arrow Minerals.
