ASX Announcement
 (ASX: ERG)

Quarterly Activity Report to December 2021

Eneco Refresh Ltd (Eneco) is pleased to provide a review for the second quarter ending December 2021. Eneco continues to manufacture at 7 bottled water factories across Australia and 1 plastic factory in Melbourne.

Revenue by Cash Generating Units (CGU) compared to the same period last year are as follows:

<u>Cash Generating Units</u>	<u>Revenue</u>		<u>Variance</u>
	<u>July – Dec 21</u>	<u>July – Dec 20</u>	
	<i>\$'000</i>	<i>\$'000</i>	
Western Australia (WA)	1,851	1,571	18%
New South Wales (NSW)	1,040	1,009	3%
Victoria (VIC)	822	713	15%
Northern Territory (NT)	798	786	1%
Queensland (QLD)	<u>1,154</u>	<u>1,016</u>	14%
Refresh Waters	5,665	5,095	11%
Refresh Plastics	<u>1,381</u>	<u>1,807</u>	-24%
Total	<u>7,046</u>	<u>6,902</u>	2%

There were no significant expenditures for the quarter. A good increase in revenue for the quarter has resulted in substantial cash inflow. A summary of expenditure incurred compared to the previous quarter is as follows:

	<u>Dec Quarter</u>	<u>Sept Quarter</u>
	<i>\$'000</i>	<i>\$'000</i>
Product manufacturing and operating costs	2,284	2,396
Advertising and marketing	174	123
Leased premises	248	271
Staff costs *	794	735
Purchase of plant and equipment	141	44

* Includes \$119k paid as director fees and salaries

Refresh Waters

Sales increased in the second quarter with every CGU achieving positive sales variances. Total sales growth for the first half year was 11% compared to the same period last year. This is despite the escalating cases of COVID-19 infection and lockdowns.

WA achieved very good sales growth of 18% with increased supply to mining companies. This benefited both our Perth and Kalgoorlie factories.

Coming out of a long lockdown, NSW achieved a 3% growth for the half year, reversing the negative 6% variance in the previous quarter.

VIC achieved sales growth of 15% despite the many lockdowns and restrictions. The growth came mainly from the supply of distilled water for commercial use.

Sales growth in the NT has slowed to 1% but note this is because NT achieved very good growth in the same period last year of 97%.

QLD also did very well with a 14% increase in revenue coming mainly from increased sales to Woolworths.

With global disruptions in our supply chain, we had several shipment delays of our imported raw materials. While this has resulted in a stock out situation for several products it has not adversely affected our operations.

Refresh Plastics

Refresh Plastics sales declined by 24% for the first half year. Some of the sales secured in the last period because of COVID-19 were not repeated in this period, e.g. bottles and containers for sanitisers. We had very good sales of our Ampii activity toys in the previous period. While sales continue to be better than pre-COVID-19, sales growth has slowed.

Notes

1. This quarterly cash flow report and the accompanying activity report provide a basis for informing the market about the entity's activities for the past quarter, how they have been financed and the effect this has had on its cash position. An entity that wishes to disclose additional information over and above the minimum required under the Listing Rules is encouraged to do so.
2. If this quarterly cash flow report has been prepared in accordance with Australian Accounting Standards, the definitions in, and provisions of, *AASB 107: Statement of Cash Flows* apply to this report. If this quarterly cash flow report has been prepared in accordance with other accounting standards agreed by ASX pursuant to Listing Rule 19.11A, the corresponding equivalent standard applies to this report.
3. Dividends received may be classified either as cash flows from operating activities or cash flows from investing activities, depending on the accounting policy of the entity.
4. If this report has been authorised for release to the market by your board of directors, you can insert here: "By the board". If it has been authorised for release to the market by a committee of your board of directors, you can insert here: "By the [name of board committee – eg Audit and Risk Committee]". If it has been authorised for release to the market by a disclosure committee, you can insert here: "By the Disclosure Committee".
5. If this report has been authorised for release to the market by your board of directors and you wish to hold yourself out as complying with recommendation 4.2 of the ASX Corporate Governance Council's *Corporate Governance Principles and Recommendations*, the board should have received a declaration from its CEO and CFO that, in their opinion, the financial records of the entity have been properly maintained, that this report complies with the appropriate accounting standards and gives a true and fair view of the cash flows of the entity, and that their opinion has been formed on the basis of a sound system of risk management and internal control which is operating effectively.
