About APM

Founded in 1994 in Perth, Western Australia, APM is an international human services provider with the purpose of "Enabling Better Lives".

Each financial year, APM supports more than 1 million people of all ages and stages of life through its service offerings that include assessments; allied health and psychological intervention; medical, psycho-social and vocational rehabilitation; vocational training and employment assistance; and community-based support services.

With 850 sites spanning 10 countries (Australia, United Kingdom, Canada, United States of America, New Zealand, Germany, Switzerland, Spain, Singapore, and South Korea), APM's more than 8,200 team members work to enhance community health and wellbeing, delivering services to clients across the early childhood, youth, employment, insurance, justice, veterans, disability, and aged care sectors.
