

MIDAS ESTABLISHES LESS THAN MARKETABLE PARCEL SALE FACILITY

Midas Minerals Limited (ASX:MM1) (**Midas** or the **Company**) is pleased to advise that it has established a Less Than Marketable Parcel Sale Facility (**Facility**) for holders with parcels of fully paid ordinary shares in the Company (**Shares**) valued at less than \$500 (**Small Holding**).

As at 5.00pm (AWST) on 28 January 2022 (**Record Date**) there were 5,464 shareholders with a Small Holding, representing 2,595,705 shares (4% total shares outstanding).

The benefit of undertaking this process now is to significantly reduce the administrative burden and ongoing administrative costs these Small Holdings consume from the Company's funds. These savings can then be better allocated by Midas in the ground, to fund more value-accretive activities during our 2022 exploration program.

The Facility will enable Small Holding shareholders to sell their shares without incurring any brokerage or handling costs. Any tax consequence arising from the participation in the Facility will be the responsibility of Small Holding shareholders.

The Facility will be available to Small Holding shareholders, recorded on the Company's register of members who were holders of a Small Holding at the Record Date.

The Facility will be subject to the terms set out in the letter attached that will be sent to each Small Holding shareholder and which provides details of the Facility and instructions for those shareholders wishing to retain their Shares.

Canaccord Genuity (Australia) Limited has been appointed as broker for the shares to be sold under the Facility. Midas will forward all sale proceeds to participating shareholders as soon as practicable following settlement. All associated costs and brokerage fees will be paid by Midas, excluding any tax consequences which are the responsibility of participating shareholders.

A summary of the key dates in relation to the Facility is as follows:

Event	Date
Record Date	28 January 2022
Announcement to ASX	1 February 2022
Letter dispatched to Eligible Shareholders	8 February 2022
Closing Date for receipt of Share Retention Form	22 March 2022

You do not need to take any action if you want your Less Than a Marketable Parcel of Midas Shares to be sold under the Facility.

Midas reserves the right to vary the Facility, to change any of the above dates, or not to proceed with the Facility by notice to the ASX.

This release was authorised by the Board of Midas Minerals Limited.

Dear Shareholder

LESS THAN MARKETABLE PARCEL SALE FACILITY

The directors of Midas Minerals Limited (**Company**) are pleased to provide you with an opportunity to sell your shareholding without incurring brokerage or handling costs.

The sale facility (**Facility**) is open to shareholders who at 5pm (WST) on Friday, 28 January 2022 (**Record Date**) held fully paid ordinary shares in the Company with a value of less than \$500 (**Small Holding**) based on a price of \$0.145 being the closing price of the Company's shares on the Australian Securities Exchange (**ASX**) on the Record Date (i.e. holders of 3,448 shares or less).

The Facility will also help the Company reduce the significant administrative cost of managing these small share parcels.

The Facility will enable investors with Small Holdings, who may find it difficult or expensive to dispose of those shares through other means, to sell their holdings without incurring broking fees. These fees can often render the sale of small parcels unattractive or uneconomical.

The Company has approximately 6,136 shareholders of which approximately 5,464 hold a Small Holding (representing approximately 4% of the Company's issued shares).

Our records show that at the Record Date you are the holder of a Small Holding and accordingly you are eligible to participate in the Facility. You may choose to sell all of your holding or retain your holding as explained below.

1. Sell your Small Holding

If you wish to sell your shares without incurring brokerage or handling costs, you do not need to take any action. The Company may, under its Constitution and the ASX Listing Rules, sell your shares through the Facility. The Company is authorised to sell your shares following the closing date of 5pm (WST) on Tuesday, 22 March 2022 (**Closing Date**).

Your shares will be pooled with other shares under the Facility and sold as soon as practicable after the Closing Date.

The Company has appointed Canaccord (Broker) to act as an execution-only broker on behalf of shareholders to effect any sales under the Facility.

The price you receive for each share sold through the Facility will be at the best price reasonably available for the shares, as determined by the Directors at their sole discretion. The price ultimately received will be determined by market conditions and may be different from the market price prevailing at the time (**Sale Price**). All participants who have their shares sold will receive the same Sale Price per share, where the proceeds from the sale process will be apportioned pro rata amongst all participating shareholders according to the number of shares sold on their behalf.

The market price of financial products is subject to change from time to time. Whilst the Company and the Broker will endeavor to ensure the best available Sale Price is achieved for your shares under the program, no assurance or certainty can be provided by the Company or the Broker about the price at which shares are sold. In addition, the sale proceeds may differ from the market value of your shares on the Record Date, depending on movements in the market price of the shares.

Sale proceeds will be paid to you by electronic transfer (if you have previously provided banking details to the Company's share registry) or alternatively, by cheque to your registered address, as soon as practicable following the sale of your shares. A transaction confirmation statement will be sent to you confirming the number of your shares sold and the price and total sale proceeds you have received. All sale proceeds will be paid in Australian dollars and rounded to the nearest cent.

2. Retain your existing holding

If you wish to retain your existing holding, then you must either:

- Return the enclosed Share Retention Form so that it is received by the Company's share registry by no later than 5.00pm (AWST) on Tuesday, 22 March 2022, being the Closing Date;
- If you hold shares in multiple holdings, arrange to have these holdings merged into one holding of 3,449 or more shares so that this is reflected on the Company's share register at 5.00pm (AWST) on the Closing Date; or
- Make your own arrangements outside the Facility to purchase additional shares so that you are the registered holder of at least 3,449 shares at 5.00pm (AWST) on the Closing Date.

If you successfully take one or more of these steps, your shares will not be sold under the Facility.
