## **SRG Global secures ~\$150m Term Contract with OneSteel Manufacturing (SIMEC Mining)**

### **Highlights:**

- **SRG Global has secured a five-year term contract with SIMEC Mining**
- **SRG Global will provide specialist drill and blast services at SIMEC Mining's iron ore operations in South Australia**
- **The contract is valued at approximately \$150m over the five-year term**

SRG Global Ltd ('SRG Global' or 'the Company', ASX: SRG) is pleased to announce it has been awarded a Mining Services contract valued at ~\$150m with OneSteel Manufacturing Pty Ltd (SIMEC Mining).

The scope of the contract includes the provision of specialist drill and blast services across multiple mine locations at SIMEC Mining's iron ore operations in South Australia. The five-year contract will commence immediately.

David Macgeorge, Managing Director commented "This term contract is a significant achievement for our Mining Services business. It demonstrates the strength of our drill and blast capability and adds another high quality client in the desirable iron ore sector. We look forward to building a strong working partnership with SIMEC Mining".
