The Company is focused on increasing production from Wickepin to 400,000 tonnes per annum by 2023 with further modular increases to capacity to be implemented in tune with market demand and funding capability.

16 February 2022

Dear Shareholder,

WA Kaolin Limited – 2022 Share Purchase Plan

On behalf of the Board of WA Kaolin Limited (ASX: WAK) (**WA Kaolin** or **Company**), I invite Eligible Shareholders to participate in the WA Kaolin share purchase plan (**SPP**) as announced to the ASX on 9 February 2022.

Eligible Shareholders are Company shareholders with a registered address in Australia or New Zealand who were registered holders of Shares at **5.00pm (AEDT) on 8 February 2022**.

Under the SPP, Eligible Shareholder have an opportunity to purchase between A\$2,000 and A\$30,000 worth of ordinary shares in the capital of the Company (**Shares**), in increments of A\$2,000, irrespective of the size of their shareholding, without incurring brokerage or transaction costs (**Offer**).

WA Kaolin is seeking to raise approximately A\$0.9 million under the SPP through the issue of approximately 5,000,000 Shares at an issue price of A\$0.18 per Share, the same price at which Shares were recently issued under a A\$6.1 million Placement as initially announced to ASX on 9 February 2022 (**Placement**).

The SPP Share issue price represents a discount of 12.6% to the 5-day VWAP Share price to 9 February 2022, being \$0.206.

The SPP Offer is underwritten to A\$0.9 million by Canaccord Genuity. If total demand for the SPP exceeds \$0.9 million then the Board reserves the right, subject to the underwriting agreement, to reject or scale back applications in its absolute discretion or elect to increase the amount raised under the SPP subject to the ASX Listing Rules.

Proceeds raised under the Placement and SPP, together with a \$5 million secured working capital facility provided by a Top 5 Shareholder, will be used to proceed with the acceleration of State 2 development of its Wickepin Kaolin Project in Kwinana, Western Australia.

The SPP Offer is being made on the terms and conditions of this letter and enclosed SPP Booklet ("**Terms and Conditions**") and personalised application form. If you are an Eligible Shareholder, please read the Terms and Conditions in full before applying for Shares under the Offer.

The Offer will open on **16 February 2022** and is intended to remain open until **5.00pm (Sydney) 2 March 2022**, with SPP Shares to be issued on **8 March 2022**.

To participate in the SPP, Eligible Shareholders must apply in accordance with the instructions on their personal Application Form.

Application Forms do not need to be returned provided payment is made by electronic funds transfer (**EFT**) or BPAY® in accordance with the instructions on the Application Form. However, Eligible Shareholders who wish to receive future communications from the Company by email (which the Company recommends), or wish to update their nominated bank account details, may do so by completing the relevant part of their Application Form and emailing to corporate.actions@automicgroup.com.au.

You should be aware that the future market price of the Shares is uncertain and may rise or fall. This means the price you pay for Shares under the SPP may be either higher or lower than the Share price trading on the ASX at the time Shares are issued to you under the SPP. The market price of Shares can be obtained from the ASX's website by searching for "WAK" in the prices search screen. If you are uncertain whether Shares are a suitable investment for you, you should consult your financial or other professional adviser.

The maximum value of Shares each Eligible Shareholder (irrespective of the size of their shareholding) may apply for under this Offer is A\$30,000 (including through joint holding(s), multiple share accounts or any holding in which they have a beneficial interest/s).

If you have any enquiries in relation to your application or the SPP, please call the Company's Share Registry, Automic, on 1300 288 664 (callers within Australia) or +61 2 9698 5414 (callers outside Australia) between 8:30am and 5:00pm (Sydney).

2022 SHARE PURCHASE PLAN TERMS AND CONDITIONS

These are the terms and conditions of the WA Kaolin Limited (ACN 083 187 017) (**Company**) 2022 Share Purchase Plan (**SPP**) and are binding on any shareholder applying for Shares in accordance with their personal SPP Application Form to the Company.

1. Important Notices

The offer to purchase Shares under the SPP is not a recommendation to acquire Shares. If you are in any doubt about this SPP, you should consider obtaining professional financial and/or taxation advice to assist you in determining whether or not, and the extent to which, you wish to participate in the SPP (taking into account your own financial situation, needs and objectives). Nothing in these terms and conditions ("**Terms and Conditions**"), your personalised SPP application form or any other accompanying documentation constitutes investment or financial product advice or is intended to influence your decision whether or not to participate in the SPP. If you apply to participate in the SPP you are accepting the risk that the market price of the Shares may change. This means it is possible that, between the time you make your application and up to or after the Share are issued, you may be able to buy Shares on market at a lower price than the issue price. No cooling-off regime applies in relation to the acquisition of Shares under the SPP.

2. Offer

- (a) The SPP entitles each Eligible Shareholder in the Company to subscribe through the Company's Share Purchase Plan (**SPP**) for a minimum of \$2,000 and a maximum of \$30,000 worth of fully paid ordinary shares in the Company (**Shares**), in increments of \$2,000, at an issue price of A\$0.18 per Share, without incurring brokerage, in accordance with the following terms and conditions (**Offer**).
- (b) The Offer is non-renounceable. This means that Eligible Shareholders cannot transfer their entitlement to purchase Shares under the SPP to another person.
- (c) Participation in the SPP is entirely at the option of each Eligible Shareholder.

3. Eligible Shareholders

- (a) You are eligible to apply for Shares under the SPP (**Eligible Shareholder**) if:
 - (i) your registered address in the Company's register of members is in Australia or New Zealand; and
 - (ii) you were registered as a holder of Shares as at 5.00pm AEDT on 8 February 2022 (**Record Date**).
- (b) For the purposes of determining Eligible Shareholders, joint holders of Shares are taken to be a single registered holder of Shares.

4. Issue Price

- (a) The issue price for each Share under the Offer is \$0.18 per Share (**Issue Price**).
- (b) The Issue Price represents a 10% discount to the last closing price of \$0.20 as at 4 February 2022, the last trading day immediately prior to the announcement date of the Offer.

- (c) The Issue Price represents a discount of 12.6% to the volume weighted average market price for the Shares over the last five (5) days on which sales in the Shares were recorded on the ASX before the day on which the SPP was announced on 9 February 2022, being \$0.206.
- (d) The method for determining the Issue Price was based on matching the issue price of Shares to be offered under the Placement. The Issue Price was determined at the time of entering into a trading halt in respect of the Placement.
- (e) The market price of Shares in the Company may rise and fall between the date of the Offer and the date that any Shares are issued to you as a result of your application under the Offer.

5. Number of Shares

- (a) If you are an Eligible Participant, you can apply for a minimum of \$2000 and up to a maximum of \$30,000 worth of Shares, in \$2,000 increments. Eligible Shareholders can elect one of the following alternatives.

O	\$30,000	166,667

- (b) The maximum investment any Eligible Shareholder may apply for will remain \$30,000 even if a shareholder receives more than one Offer (whether in respect of a joint holding or because the shareholder has more than one holding under a separate account).
- (c) Applicants must ensure that the aggregate of the application price paid for the Shares the subject of the application and any other Shares applied for under the SPP or any similar arrangement in the 12 months prior to the date of submission (including through a Custodian) does not exceed \$30,000 (excluding Shares applied for but not issued).
- (d) The Company reserves the right to issue an Eligible Shareholder fewer Share than the number specified in the Application Form for whatever reason, including to avoid

possible subscription of over \$30,000 worth of Share by a Shareholder through multiple applications or joint holdings.

- (f) In accordance with ASX Listing Rule 7.2 Exception 5, the total number of Shares that are able to be issued under the SPP must not exceed 30% of the number of Shares currently on issue.
- (g) It is presently intended that a maximum of 5,000,000 Shares will be issued under the Offer, which would raise a maximum of approximately \$900,000 before costs. The Board reserves the right to accept oversubscriptions.
- (h) If the Offer is oversubscribed, the Board reserves the right to reject or scale back any application in whole or in part in its absolute discretion. When determining the amount if any by which to scale back an application, the Company may take into account a number of factors including, without limitation, the size of the applicant's shareholding the extent to which the Eligible Shareholders have sold or bought additional Shares after the Record Date and the date an Application was made.
- (i) If there is a rejection or scale-back, applicants may not receive any or all the Shares for which they have applied. If a scale-back produces a fractional number when applied to an application, the number of Shares to be allotted will be rounded up to the nearest whole number of Shares and any monies promptly refunded without interest.

6. Share Rights and Obligations

- (a) The rights and obligations of the Shares issued under the Offer are contained in the Constitution of the Company (which is available for inspection at the registered office of the Company during the Offer period).
- (b) All Shares issued under the SPP will rank equally with existing fully paid ordinary shares from the date of issue, and carry the same voting rights, dividend rights and other entitlements as existing Shares.

7. How to apply and pay for Shares

- (a) Eligible Shareholders may apply for Shares under the Offer in accordance with their personalised Application Form.
- (b) Payment may be made for Shares by electronic funds transfer (**EFT**) or BPAY®, details of which are set out in personalised Application Forms.

- (e) An Application Form does not need to be returned if payment is made via EFT or BPAY®. - (f) All amounts in this Offer are expressed in Australian dollars.

8. Participation Costs

You must pay the Issue Price per Share and any fees or charges incurred by you in paying the Issue Price for example bank fees or fees of professional advisors. No brokerage, commissions or other transaction costs are payable by Eligible Shareholders under the Offer.

- (c) Shareholding statements or CHESS notification will be issued in respect of all Shares issued under the SPP. If you trade any Shares before you receive your Holding Statement, then you do so at your own risk.

10. Underwriting and Shortfall

- (a) The Offer is underwritten as to \$0.9 million by Canaccord in accordance with an underwriting agreement between the Company and Canaccord dated 8 February 2022 (**Underwriting Agreement**).
- (b) If less than \$0.9 million in valid applications are received for the SPP, the shortfall will be placed by Canaccord, in consultation with the Company, in accordance with the Underwriting Agreement.

- (b) If the Company rejects, or partially rejects, an application (including by way of scale-back) or terminates the SPP, the Company will promptly refund to the Eligible Shareholder the relevant subscription monies, without interest.
- (c) The Company reserves the right to waive strict compliance with any provision of these Terms and Conditions or to modify these Terms and Conditions. The powers of the Company under these conditions may be exercised by the Directors or any delegate of the Directors.
- (d) If the Company is not satisfied with a Custodian Certificate, the Company cannot issue Shares to the Custodian on behalf of the Beneficiary.
- (e) The Company may, in any manner it thinks fit, settle any difficulties, anomalies or disputes which may arise in connection with or by reason of the operation of the SPP, whether generally or in relation to any participant, application or Shares. The decision of the Company in this respect will be conclusive and binding on all shareholders and other persons to whom that determination relates.

- (f) The Company may change, suspend or terminate the SPP and Offer at any time whether because of a change of law, ASX, ASIC requirements or policy or any other relevant circumstance. If the Company does this, it will post a notice on its website and make an announcement to the ASX. Failure to notify shareholders of changes to or the suspension or termination of the SPP and Offer, will not invalidate the change, suspension or termination.
- (g) The Company reserves the right to issue no Shares or fewer Shares than an Eligible Shareholder applies for under the SPP if the Company believes the issue of those Shares would contravene ASIC requirements (including ASIC Instrument 2019/547) or policy, any law or any ASX Listing Rule.
- (h) Under the Instrument the Company must not issue Shares under the Offer unless the Company is reasonably satisfied that the total application price for the following does not exceed \$30,000:
 - (i) the Shares the subject of your application;
 - (ii) any other Shares applied for by you under a similar arrangement in the 12 months before the application;
 - (iii) any other Shares you have instructed a Custodian to acquire for your benefit under the Offer; and

except to the extent that the person issued with Shares as a Custodian as a valid Custodian Certificate has been provided.

16. Risk

- (a) The issue price of Shares under the Offer has been set to match the price of Shares offered under the Placement. The market price of Shares may change from time to time. Accordingly, there is no relationship between the issue price of Shares under the Offer and the market price of Shares moving forward.
- (b) Before deciding whether to accept the Offer, you should refer to the current market price of the Company's Shares, which can be obtained from daily newspapers, your stockbroker or financial adviser or the ASX.
- (c) Owning shares in the Company is considered a speculative form of investment and the future price of the Company's Shares can rise or fall.
- (d) Shareholders should be aware that there is a risk that the market price of the Shares may change between the date of this Offer and the date when the new shares are issued under the SPP. The value of the Shares received may rise or fall accordingly.
- (e) Shareholders should note that the Offer is not made under a prospectus or other disclosure document and does not require the type of disclosure required under the *Corporations Act 2001* (Cth). Shareholders must rely on their own knowledge of the Company and previous disclosures made by the Company on the ASX. You should consult your professional advisers when deciding whether or not to accept the Offer and participate in the SPP.

17. Privacy

- (a) By applying for Shares under the SPP in accordance with your Application Form, you will be providing personal information to the Company. The *Privacy Act 1988* (Cth) governs the use of a person's personal information and sets out principles governing the ways in which organisations should treat personal information.
- (b) The Company collects information about each applicant for the purposes of evaluating and processing the application and, if the application is successful, to administer the applicant's security holding in the Company.
- (c) If the Company is obliged to do so by law, investors' personal information will be passed on to other parties strictly in accordance with legal requirements. Once personal information is no longer needed for the Company's records, the Company will destroy or de-identify it.
- (d) Each applicant agrees that the Company may use the information provided by an applicant on the Application Form for the purposes set out in this privacy disclosure statement and may disclose it for those purposes to the share registry, the Company's related bodies corporate, agents, contractors and third-party service providers, including mailing houses and professional advisers, and to ASX and regulatory authorities.
- (e) Except as stated by the law, Shareholders are able to access, upon request, their personal information held by the Company.

18. Additional Provisions

- (a) The SPP is established pursuant to the *Corporations Act 2001* (Cth) as amended by Australian Securities and Investment Commission (**ASIC**) Corporations (Share and Interest Purchase Plans) Instrument 2019/547 (**ASIC Instrument 2019/547**) and the ASX Listing Rules.
- (b) Compliance with ASIC Instrument 2019/547 exempts the Company from having to issue a disclosure document (e.g. prospectus) for the Offer. This SPP is intended to be a "Purchase Plan" for the purposes of ASIC Instrument 2019/547 and is to be read and construed and administered in a manner which causes the SPP to qualify and satisfy the requirements of a Purchase Plan under ASIC Instrument 2019/547.
- (c) The issue of the Shares under the Offer falls within ASX Listing Rule 7.2 (exemption 5) and consequently those Shares issued will not count towards the Company's 25% placement limit under ASX Listing Rules 7.1 and 7.1A.
- (d) Directors of the Company who qualify as Eligible Shareholders may participate in the Offer on the same terms and conditions as all other Eligible Shareholders and their participation is not subject to shareholder approval.
- (e) Due to foreign securities laws, it is not practical for shareholders resident in other countries, other than New Zealand, to be offered the opportunity to participate in the SPP.

19. Governing Law

These Terms and Conditions are governed by the laws in force in Western Australia.
