Dear Ms Murad,

Re: Request for a Trading Halt

Godolphin Resources Limited (**Godolphin** or **the Company**) (ASX: GRL) requests a halt in trading of Godolphin's ordinary fully paid shares listed on ASX (**Shares**) from trading on Monday 28 February 2022 pending the release of an announcement regarding a proposed material farm-in and joint venture agreement.

In accordance with ASX Listing Rule 17.1, Godolphin provides the following information:

1. The reasons for the trading halt are:
 - a. There is a pending announcement regarding a material farm-in and joint venture agreement being finalised by the Company;
 - b. There is a material risk that trading in Godolphin's Shares might occur while the market as a whole is not reasonably informed; and
 - c. The trading halt is needed to prevent a false or disorderly market;
2. Godolphin requests that the trading halt lasts until the earlier of re-commencement of Godolphin's Share trading on Wednesday 2 March 2022, or release of a market announcement regarding a material farm-in and joint venture agreement;
3. The trading halt, if granted, is expected to be ended by a market announcement regarding a material farm-in and joint venture agreement;
4. Godolphin is not aware of any reason why the trading halt should not be granted; and
5. Godolphin is not aware of any other information necessary to inform the market about the trading halt.

This announcement has been authorised for release by the Company's Board.
