

21 March 2022, Australia

ASX RELEASE**VECTION APPOINTS GLOBAL IR SPECIALIST TO
STRENGTHEN U.S. INVESTOR ACCESS
VECTION JOINS S&P/ASX ALL TECHNOLOGY INDEX**

Vection Technologies Ltd (ASX:VR1), the INTEGRATEDXR™ company, is pleased to announce the appointment of Edison Investment Research Limited (**Edison Group**) as the Company's global Investor Relations (**IR**) advisor, to strengthen its investor access across the U.S.

Vection Technologies has been added to the S&P/ASX All Technology Index effective today, Monday 21 March 2022. (ASX:4 March 2022)

HIGHLIGHTS:

- Vection Technologies appoints Global IR specialist Edison Group to strengthen U.S. investor exposure
- Edison Group to increase Vection Technologies' overseas visibility across investors, partners, and M&A targets
- Edison Group is a leading investor research, investor relations, and consulting firm
- Vection Technologies added to the S&P/ASX All Technology Index (ASX: 4 March 2022)
- Significant steppingstone supporting the Company's global expansion strategy

OVERVIEW:

Vection Technologies has appointed Edison Group as its global research provider and IR advisor, to produce in-depth and regular research on the Company, compliant with the minor non-monetary benefit definition in MiFID II¹ and to support engagement with international investors. Edison Group's appointment supports Vection Technologies' global expansion strategy, focussing on increased visibility, brand awareness and investor base engagement to increase its global technology brand profile and market trading liquidity.

Edison Group is a leading international investment research, investor relations, and consulting firm with a client and investor network which spans North America, Europe, the Middle East, Asia-Pacific and Africa. Edison Group research has been accessed by more than 5,000 global professional investment institutions since MiFID II was introduced and many other market participants including private investors, sell side, advisors, and press.

This strategic appointment represents a significant steppingstone to support the Company's expansion strategy, broadening Vection Technologies' investor exposure overseas, via the alignment with Edison Group's global brand and credibility. Vection Technologies will partner closely with Edison Group to create strong brand

"The recent growth showed in the half-year results, and the full year revenue guidance, have resulted in Vection Technologies being admitted to the S&P/ASX All Technology Index. As part of our global expansion strategy, Vection Technologies has partnered with Edison Group to increase overseas visibility across investors, partners, and M&A targets" commented Gianmarco Biagi, Managing Director of Vection Technologies.

"The appointment of Edison Group is a steppingstone in our broader global expansion strategy, crucial to access the U.S. investor market where a significant concentration of technology investors, larger institutions and funds are located."

ABOUT VECTION TECHNOLOGIES:

Vection Technologies Ltd (ASX:VR1) is a global technology company driving enterprises' digital transformation via the adoption of its unique INTEGRATEDXR™ solutions.

DIGITAL EVOLUTION:

Thanks to a strong vertical expertise and proprietary INTEGRATEDXR™ solutions, Vection Technologies supports the most complex digital transformation projects to create long-term customer value. A unique methodology and skillset support businesses' evolution towards Industry 4.0 and the metaverse to come.

ONE GLOBAL VENDOR:

Our INTEGRATEDXR™ vision makes us the one ideal partner to guarantee long term success for our customers' production processes, across industries and geographies. From digital communication technologies and computing, to virtual and augmented reality, we create enterprise solutions that support the Design, Production and Sales processes up to After-Sales, reducing costs and increasing production efficiency to improve time-to-market.

DISRUPTIVE TECHNOLOGIES:

Meaningful investments in R&D continue to allow us to evolve our proprietary INTEGRATEDXR™ solutions, from ICT and IoT to Augmented Reality and Virtual Reality, maintaining a strong competitive advantage for our enterprise customers embracing the digital transformation agenda, in anticipation of the metaverse to come.

FORWARD LOOKING STATEMENTS:

Certain statements made in this release are forward-looking statements. These forward-looking statements are not historical facts but rather are based on Vection Technologies' current expectations, estimates and projections about the industry in which Vection Technologies operates, and beliefs and assumptions. Forward looking statements can generally be identified by the use of forward-looking words such as 'anticipate', 'believe', 'expect', 'project', 'forecast', 'estimate', 'likely', 'intend', 'should', 'will', 'could', 'may', 'target', 'plan' and other similar expressions within the meaning of securities laws of applicable jurisdictions. Indications of, and guidance or outlook on future earnings, distributions or financial position or performance are also forward-looking statements. These statements are not guarantees of future performance and are subject to known and unknown risks, uncertainties, and other factors, some of which are beyond the control of Vection Technologies, are difficult to predict and could cause actual results to differ materially from those expressed or forecasted in the forward-looking statements. The Company cautions shareholders and prospective shareholders not to place undue reliance on these forward-looking statements, which reflect the view of Vection Technologies only as of the date of this release. There can be no assurance that actual outcomes will not differ materially from these forward-looking statements. The forward-looking statements made in this release relate only to events as of the date on which the statements are made. Vection Technologies has no obligation to release publicly any revisions or updates to these forward-looking statements to reflect events, circumstances or unanticipated events occurring after the date of this release except as required by law or by any appropriate regulatory authority.
