#### About AssetOwl Limited (ASX: AO1):

AssetOwl is an innovative technology company which has developed an enterprise software application, providing real estate owners with one trusted platform for managing property inspections.

'Pirsee' is the revolutionary next generation of AssetOwl's photo-centric inspection management platform, designed to benefit property owners, tenants, agents and managers. It incorporates 360-degree imagery, video, voice-to-text and hot-spot mapping of floor plans to accurately document property condition reports, significantly boosting the efficiency of the inspection process. In short, the Pirsee app provides tenants, property managers and landlords with an exact record of the condition of residential properties.
