About Anson

Anson Resources (ASX:ASN) is an ASX-listed junior mineral resources company, with a portfolio of minerals projects in key demand-driven commodities. Its core asset is the Paradox Lithium Project in Utah, in the USA. Anson is focused on developing the Paradox Lithium Project into a significant lithium producing operation. The Company’s wider goal is to create long-term shareholder value through the discovery, acquisition and development of natural resources that meet the demand of tomorrow’s new energy and technology markets.
