Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of Listing Rule 4.10.3.

Under Listing Rule 4.7.3, an entity must also lodge with ASX a completed Appendix 4G at the same time as it lodges its annual report with ASX. The Appendix 4G serves a dual purpose. It acts as a key designed to assist readers to locate the governance disclosures made by a listed entity under Listing Rule 4.10.3 and under the ASX Corporate Governance Council's recommendations. It also acts as a verification tool for listed entities to confirm that they have met the disclosure requirements of Listing Rule 4.10.3

The Appendix 4G is not a substitute for, and is not to be confused with, the entity's corporate governance statement. They serve different purposes and an entity must produce each of them separately.

See notes 4 and 5 below for further instructions on how to complete this form.

Revised ASX Corporate Governance Principles and Recommendations

A fourth edition of the ASX Recommendations came into effect on 1 January 2020, so entities with a 31 December balance date use these revised recommendations starting with the financial year ended 31 December 2020.

Princ	Principle 1: Lay solid foundations for management and oversight			
Princ	ple	Complied	Comment	
1.1	A listed entity should have and disclose a board charter setting out:	Yes	The Board has adopted a formal Board Charter, which sets out matters delegated to the Board, and those delegated to management.	
	(a) the respective roles and responsibilities of its board and management; and(b) those matters expressly reserved to the board and those delegated to management.		The Board's functions include: setting and monitoring the Company's strategic direction in conjunction with management, review of performance against targets and objectives, and appropriate monitoring of compliance activities, and also reporting to shareholders on the director and performance of the Company. The CEO, supported by members of senior management, is responsible for the day-to-day management of the Company's affairs and the implementation of strategy and policy initiatives. The Board Charter is available on RTG Mining Inc.'s website at www.rtgmining.com	
1.2	A listed entity should: (a) undertake appropriate checks before appointing a director or senior executive, or putting someone forward to for election, as a director; and (b) provide security holders with all material information in its possession relevant to a decision on whether or not to elect or re-elect a director.	Yes	The Company complies with this recommendation as per the Remuneration and Nomination Committee Charter – section 2 (available on the Company's website) which provides that the Committee will: • undertake appropriate checks (including bankruptcy, character, criminal record and education history) before appointing or putting forward a candidate for director; and • ensure that security holders will be provided with all material information on prospective board appointees. Director's biographical details, including relevant qualifications, experience and the skills they bring to the Board are detailed on the Company's website and within the Company's 2021 Annual Financial Report (Directors' Report). Details of any other listed company directorships currently held are also provided within the 2021 Annual Financial Report (Directors' Report). All material information relevant to whether or not to elect or re-elect a Director is provided to the Company's shareholders as part of the information Circular for each annual general meeting of the Company.	
1.3	A listed entity should have a written agreement with each director and senior executive setting out the terms of their appointment.	Yes	Written agreements are in place with each Director and Key Management Personnel ("KMP") setting out the terms of their appointment. Key terms of agreements with KMP are included in the 2021 Annual Financial Report (Directors' Report). Each KMP enters into a service contract which sets out the material terms of employment, including a description of position and duties, reporting lines, remuneration arrangement and termination rights and entitlements. In accordance with the TSX Listing requirements, each Director retires at each annual general meeting of the Company and is then eligible for re-election.	

1.4 The Company Secretary of a listed entity should be accountable directly to the board, through the chair, on all matters to do with the proper functioning of the board. Yes The appointment of the Company Secretary is approved by resolution of the Board. The Company Secretary is accountable directly to the Board through the Chairman, on all matters to do with the proper functioning of the Board and a reporting function to the CEO in relation to management matters.

The Company Secretary has a direct line of communication with the Chairman and all Directors, and is responsible for supporting the proper functioning of the Board, which includes, but is not limited to, providing advice on governance and procedural issues, and the preparation of Board papers and minutes.

 - B. if the entity is a "relevant employer" under the Workplace Gender Equality Act, the entity's most recent "Gender Equality Indicators", as defined in and published under that Act.

If the entity was in the S&P/ASX 300 Index at the commencement of the reporting period, the measurable objective for achieving gender diversity

The Board has a diversity policy in place, which outlines the Company's commitment to ensuring a diverse mix of skills and talent amongst its Directors, officers and employees to enhance Company performance. A copy of the Company's Diversity Policy is disclosed on the Company's website www.rtgmining.com.

At this stage of development, measurable objectives in relation to the Diversity Policy have not yet been established by the Board, however, the Company makes its appointment decisions based on merit, by assessing whether a person's skills and experience are appropriate for particular roles. It does not discriminate based on gender, age, ethnicity or cultural background.

The Group workforce gender profile as at 31 December is set out in the following table:

	Male	Female	Total	Male (%)	Female (%)	Total (%)
Board	5	1	6	83	17	100
Senior management positions*	2	-	2	100	-	100
Other positions	-	3	3	-	100	100

^{*} Senior management positions include the Interim Chief Financial Officer and Chief Operations Officer.

Throughout the year there was 1 woman that held a position on the Board:

Justine Magee – President, CEO and executive director.

The Company has in place a Diversity Policy appropriate for the Company's size and stage of development. As the Company's operations develop, it will consider the adoption and the setting of measurable objectives for achieving gender diversity. To date the Company has focused on the following:

a) promoting flexible work arrangements;

	in the composition of its board should be to have not less than 30% of its directors of each gender within a specified period.		 b) eliminating all forms of unlawful discrimination and inappropriate workplace behaviour such as bullying, harassment and victimisation; c) recruiting and retaining a workforce from a broad pool of candidates with diversified backgrounds and experiences; and d) rewarding and maintaining high performing employees and encouraging the development of skills and experience. RTG is not a relevant employer under the Workplace Gender Equality Act 2012 (Cth) as it is not a higher education provider or an employer of 100 or more employees in Australia.
1.6	A listed entity should: (a) have and disclose a process for periodically evaluating the performance of the board, its committees and individual directors; and (b) disclose, in relation to each reporting period, whether a performance evaluation was undertaken in the reporting period in accordance with that process.	Yes	The Board, with the assistance of the Remuneration and Nomination Committee, monitors its performance and the performance of Directors and Board Committees throughout the year. This may occur through an internal review led by the Chairman or be performed with the assistance of external advisors as considered appropriate. The process for evaluation has remained in-house and informal during the year, with two formal reviews of the Board, its Committees and individual directors being undertaken by the Remuneration and Nomination Committee. The Remuneration and Nomination Committee Charter provides that disclosure is made at the end of each reporting period whether a performance evaluation was undertaken in that period in accordance with that process. We refer readers to the 2021 Annual Financial Report (Directors' Report).
1.7	A listed entity should: (a) have and disclose a process for evaluating the performance of its senior executives at least once every reporting period; and (b) disclose for each reporting period, whether a performance evaluation has been undertaken in accordance with that process during or in respect of that period.
