Dear Vanessa,

TMK Energy Ltd (ASX: **TMK** or the **Company**) provides the following responses to the request for information in the Price and Volume - Query dated 6 April 2022 received from ASX.

1. *Is TMK aware of any information concerning it that has not been announced to the market which, if known by some in the market, could explain the recent trading in its securities?*

TMK Response: Yes.

2. *If the answer to question 1 is “yes”.*

- a. *Is TMK relying on Listing Rule 3.1A not to announce that information under Listing Rule 3.1?*

TMK Response: No

- b. *Can an announcement be made immediately?*

TMK Response: An announcement could not be made immediately as the information that the Company had with respect to its drilling operations comprised of matters of supposition and was insufficiently definite to warrant disclosure at the time.

The Company had intersected the top of the first coal seam in the Snow Leopard – 1 well at a depth of 406 metres at the Gurvantes XXXV Coal Seam Gas Project in Mongolia on 2 April 2022. The drilling continued within the coal seam and was at a depth of 447 metres on 4 April 2022, at which time the drilling rig ceased operating requiring some minor repairs and spare parts had to be sourced from Ulaanbaatar in Mongolia. During this period of repairs, the Company received the Price and Volume Query from ASX on 6 April 2022.

The rig was subsequently repaired and re-commenced drilling on the afternoon of 7 April 2022 and completed drilling through the upper coal seam on 10 April 2022. Cores have been taken from the coal seam throughout the drilling process and placed in gas cannisters for adsorption and desorption analysis. An assessment of the results was completed on the weekend by an independent contractor and the preliminary result of this assessment is included in the ASX announcement released today.

- c. *If an announcement cannot be made immediately, why not and when is it expected that an announcement will be made?*

TMK Response: Please see announcement to ASX dated today.

3. *If the answer to question 1 is “no”, is there any other explanation that TMK may have for the recent trading in its securities?*

TMK Response: Not applicable.

4. *Please confirm that TMK is complying with the Listing Rules and, in particular, Listing Rule 3.1.*

TMK Response: Yes.

5. Please confirm that TMK's responses to the questions above have been authorized and approved under its published continuous disclosure policy or otherwise by its board or an officer of TMK with delegated authority from the board to respond to ASX on disclosure matters.

TMK Response: Yes.

Please contact the undersigned if you have any further queries on the above matter.

Yours sincerely

Dear Mr Ferguson

TMK Energy Limited ('TMK'): Price and Volume - Query

ASX refers to the following:

- A. The change in the price of TMK's securities from an intraday low of A\$0.0145 to an intraday high of A\$0.018 today.
- B. The significant increase in the volume of TMK's securities traded today.

Request for information

In light of this, ASX asks TMK to respond separately to each of the following questions and requests for information:

- 1. Is TMK aware of any information concerning it that has not been announced to the market which, if known by some in the market, could explain the recent trading in its securities?
- 2. If the answer to question 1 is "yes".
 - (a) Is TMK relying on Listing Rule 3.1A not to announce that information under Listing Rule 3.1? Please note that the recent trading in TMK's securities would suggest to ASX that such information may have ceased to be confidential and therefore TMK may no longer be able to rely on Listing Rule 3.1A. Accordingly, if the answer to this question is "yes", you need to contact us immediately to discuss the situation.
 - (b) Can an announcement be made immediately? Please note, if the answer to this question is "no", you need to contact us immediately to discuss requesting a trading halt (see below).
 - (c) If an announcement cannot be made immediately, why not and when is it expected that an announcement will be made?
- 3. If the answer to question 1 is "no", is there any other explanation that TMK may have for the recent trading in its securities?
- 4. Please confirm that TMK is complying with the Listing Rules and, in particular, Listing Rule 3.1.
- 5. Please confirm that TMK's responses to the questions above have been authorised and approved under its published continuous disclosure policy or otherwise by its board or an officer of TMK with delegated authority from the board to respond to ASX on disclosure matters.

When and where to send your response

This request is made under Listing Rule 18.7. Your response is required as soon as reasonably possible and, in any event, by no later than **1:30 PM AWST Wednesday, 6 April 2022**. You should note that if the information requested by this letter is information required to be given to ASX under Listing Rule 3.1 and it does not fall

within the exceptions mentioned in Listing Rule 3.1A, TMK's obligation is to disclose the information 'immediately'. This may require the information to be disclosed before the deadline set out in the previous paragraph and may require TMK to request a trading halt immediately.

Your response should be sent to me by e-mail at **ListingsCompliancePerth@asx.com.au**. It should not be sent directly to the ASX Market Announcements Office. This is to allow me to review your response to confirm that it is in a form appropriate for release to the market, before it is published on the ASX Market Announcements Platform.

Trading halt

If you are unable to respond to this letter by the time specified above, or if the answer to question 1 is "yes" and an announcement cannot be made immediately, you should discuss with us whether it is appropriate to request a trading halt in TMK's securities under Listing Rule 17.1. If you wish a trading halt, you must tell us:

- the reasons for the trading halt;
- how long you want the trading halt to last;
- the event you expect to happen that will end the trading halt;
- that you are not aware of any reason why the trading halt should not be granted; and
- any other information necessary to inform the market about the trading halt, or that we ask for.

We require the request for a trading halt to be in writing. The trading halt cannot extend past the commencement of normal trading on the second day after the day on which it is granted. You can find further information about trading halts in Guidance Note 16 *Trading Halts & Voluntary Suspensions*.

Suspension

If you are unable to respond to this letter by the time specified above, ASX will likely suspend trading in TMK's securities under Listing Rule 17.3.

Listing Rules 3.1 and 3.1A

In responding to this letter, you should have regard to TMK's obligations under Listing Rules 3.1 and 3.1A and also to Guidance Note 8 *Continuous Disclosure*: Listing Rules 3.1 – 3.1B. It should be noted that TMK's obligation to disclose information under Listing Rule 3.1 is not confined to, nor is it necessarily satisfied by, answering the questions set out in this letter.

We reserve the right to release a copy of this letter, your reply and any other related correspondence between us to the market under Listing Rule 18.7A.
